Discussion	<p>McGill is planning to return to more in-person activities on campus for the Fall semester. L. Roy noted that McGill had offered the use of the arena for COVID-19 testing or vaccination, which was not accepted.</p> <p>F. Osman asked if any procedures were established for recycling procedural masks on campus, as he saw a box for mask recycling in the Bellini building. L. Roy responded that no company has been found yet that can provide this service.</p>
