Follow-up on the windsock on top of McConnell arena		
Presenter	A. Battista	Next meeting
Discussion	<p>EHS has been asked to complete the asbestos management plan and registry. J. Vincelli has asked for two temporary positions to help with asbestos sampling and entering information in the asbestos registry.</p> <p>J. Vincelli reminded the committee to verify the building in the asbestos database when any sort of construction work is being done. G. Pinto asked where the information on asbestos is located, and J. Vincelli noted that the asbestos database is on EHS' website.</p>
