

5. New Business

5.1 AEDs

J. Vincelli

Priority is given to student residences. Logistics of smaller facilities and secure mounting of AED units need addressing. Presently, obtaining units is an issue due to a shortage.

5.2 Smoking on Campus

C. Montreuil

C. Montreuil expressed concern for Eric Champagne of Grounds about an ashtray request from the education building. Can designated smoking areas be reassessed to prevent littering?

Action Item for Luc Roy: To contact Public Campus Safety

5.3 Upgrading Fire Alarm System:

P. Raecke Baro

Informed the committee that the upgrading the fire safety system to notify the Fire Safety Office has yet to take place due to delays from procurement.

6. Adjournment

The meeting finished at 11:07
