For more than 185 years, McGill has distinguished itself as one of the world's great public universities, renowned for outstanding students, professors and alumni, for achievement in teaching and research, and for its distinctive international character.

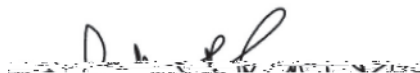

As one of the top 12 universities in the world, McGill's defining strengths include its unwavering commitment to excellence, and a willingness to be judged by the highest standards. And by these standards, McGill has excelled far beyond any reasonable expectations. We have produced a disproportionate number of Nobel laureates and Rhodes scholars. Olympians, award-winning authors and musicians, astronauts, medical pioneers and world-famous leaders in all walks of life are counted among our alumni — remarkable individuals who have shaped our society and the course of history itself in profound ways.

As students you are at the core of all that we do. Your time at McGill offers more than an excellent education. It is a critical period of personal and intellectual discovery and growth, and one that will help shape your understanding of the world.

By choosing McGill, you are following in the footsteps of almost 200,000 living McGill alumni across the globe and making a commitment to excellence, as they did. And, while a lot is expected of you, McGill gives you the means to succeed. All of McGill's 21 faculties and professional schools strive to offer the best education possible. By joining the McGill community of scholars, you will experience the University's vibrant learning environment and active and diverse campus life, which support both academic progress and personal development. As an integral part of a great University, the Faculty of Law is deeply committed to the two ideals of the University: teaching and scholarship. Throughout its history, McGill has recruited its professors and drawn its students from a wide variety of countries. Today, the Faculty counts professors who obtained their initial legal training in several different Canadian provinces. It also boasts professors from the United States, Austria, the Czech Republic, Australia and New Zealand. All contribute to the unique scholarly environment of McGill. Similarly, the over 500 undergraduate students are drawn from all 10 Canadian provinces, several states in the United States and a variety of other countries. What is more, graduates of McGill today pursue their careers around the world.

In recognition of this international dimension of its staff and students, McGill offers two undergraduate degrees pursued simultaneously in a joint program: the B.C.L. (Bachelor of Civil Law) enabling students to seek admission to one of the legal professions in Quebec or to gain a familiarity with the private law systems of continental Europe, and the LL.B. (Bachelor of Laws) enabling

Students may choose to pursue either the LL.M. or the D.C.L. in the Faculty of Law, the Institute of Air and Space Law (IASL), or the Institute of Comparative Law (ICL). Graduate Certificates may only be completed within either the IASL or the ICL.

**The Faculty of Law** promotes study and research in private, commercial, international, and public law, as well as legal theory, from the perspectives of diverse legal traditions. In collaboration with the McGill School of Environment, the Faculty offers an LL.M. thesis or non-thesis option in Environment. The Faculty also offers two other options within the LL.M. degree, a new cross-disciplinary European Studies Option (ESO) in collaboration with the Faculty of Arts, and a specialization in Bioethics. The D.C.L. degree always involves a substantial thesis.

**The Institute of Air and Space Law** operates within the Faculty of Law. The Institute offers a curriculum exploring legal issues that arise from international civil aviation and new technologies in space. It provides students with a comprehensive understanding of the legal processes regulating world wide aerospace activities. The Institute offers the degrees of Master of Laws (LL.M.) with thesis and non-thesis and Doctor of Civil Law (D.C.L.), and a Graduate Certificate in Air and Space Law.

The Graduate Certificate in Air and Space Law is a course work program with a limited research and writing requirement. It is particularly appropriate for students with a strong professional orientation who do not wish to write a thesis.

**The Institute of Comparative Law** operates within the Faculty of Law as a centre of comparative legal studies. It accommodates national, international and transnational studies and encourages openness to diverse legal cultures in teaching and research. The Institute offers the degrees of Master of Laws (LL.M.) and of Doctor of Civil Law (D.C.L.) and a Graduate Certificate in Comparative Law.

The Graduate Certificate in Comparative Law provides advanced training in subjects within the scope of the ICL to candidates who do not wish to undertake the Master's degree. The Graduate Certificate is particularly appropriate for judges, law professors, and legal practitioners from countries undergoing substantial legal reform (such as post-Communist or developing countries) who wish to pursue advanced studies in areas such as civil, commercial, or human rights law.

## 8.2 Admission Requirements

### General

The Faculty of Law Graduate Admissions Committee reviews applications and makes recommendations regarding admission to the Graduate and Postdoctoral Studies Office (GPSO). Final admissions decisions are taken by the Graduate and Postdoctoral Studies Office.

For information and application forms please consult the Faculty Website or write to the Graduate Programs Office in Law, McGill University at the address in [section 1.1, "Location"](#), or via e-mail at [grad.law@mcgill.ca](mailto:grad.law@mcgill.ca).

### Language Requirement

Graduate level courses are offered in English, and English-language abilities must be demonstrated for admission. In order to communicate fully with all law students at McGill, and to understand all course materials, the ability to speak and read French is an asset. At McGill's Faculty of Law, all students may choose to write essays, examinations and theses in English or French.

Applicants to graduate studies whose mother tongue is not English and who have not completed an undergraduate or graduate degree from a recognized foreign institution where English is the language of instruction or from a recognized Canadian institution (anglophone or francophone), must submit documented proof of competency in oral and written English. **Before acceptance**, appropriate exam results must be submitted directly from the TOEFL or IELTS Office. An institutional version of the TOEFL is not acceptable. Applications will not be considered if a TOEFL or IELTS test result is not available.

## 8 Graduate Programs of Study

### 8.1 Programs Offered

The Faculty of Law offers a range of programs at the graduate level. These include the degrees of Master of Laws (LL.M.) with thesis and non-thesis options, and Doctor of Civil Law (D.C.L.), as well as Graduate Certificates.

Generally, applicants must achieve a minimum TOEFL score of 600 (250 on the computer-based test or 100 on the Internet-based test with each component score not less than 20) or 7.5 in the IELTS. There are, however, some exceptions, in the IASL, applicants must achieve a minimum TOEFL score of 577 (233 on the computer-based test or 90 on the Internet-based test with each component score not less than 20) or 7.0 overall band in the IELTS.

In all programs, non-Canadian applicants whose mother tongue is French must achieve a minimum TOEFL score of 567 (227 computer-based or 86 on the Internet-based test, with each component score not less than 20) or an IELTS score of 7 overall band. This is because at McGill, students can write essays, examinations and theses in French, even where the course is taught in English. All students should be aware that the majority of courses in Graduate Programs in Law are taught in English.

For information about the TOEFL, and to register to take the test, see [www.toefl.org](http://www.toefl.org). For information about the IELTS, see [www.ielts.org](http://www.ielts.org). There may be a lengthy delay for registration, and the communication of results takes approximately 40 days. For both tests, the official results should be sent directly from the testing institution to Graduate Programs in Law. For the TOEFL, McGill's institutional code is **0935** and Law's departmental code is **03**. These codes must be provided to TOEFL when requesting a test report form. For the IELTS, applicants must ask for an official report to be sent to Graduate Programs in Law at the above address. For either test, the test must be taken sufficiently early for results to reach McGill no later than **February 1** of the year of admission. Application files not completed by that date will not be considered.

French: The ability to speak or read French is an asset but not a necessity. In areas such as the study of private law in the civilian tradition or comparative private law, a reading knowledge of French is essential. Applicants should indicate their knowledge of French on the admissions questionnaire; they will be notified if French is essential to the area of study.

### Master's Degrees

Candidates for admission to the LL.M. program must hold a Bachelor of Laws (LL.B.) degree, or its equivalent, with at least Upper Second Class honours or the equivalent of 3.0/4.0 cumulative grade point average. This standing does not guarantee admission; instead the Graduate Admissions Committee weighs the entire file, including the applicant's references and the quality of the research proposal.

Furthermore, in the case of thesis programs, the Committee must consider the availability of a supervisor. If a supervisor is not available in the applicant's preferred field of study, the applicant may be refused admission or else offered admission pending a change of field of study.

**LL.M. Interdisciplinary Options in Environment and European Studies:** Students who apply for admissions to the LL.M. thesis or non-thesis program at the Faculty of Law may specify an interest in these options.

**LL.M. Specialization in Bioethics:** Requirements for admission to the Master's program in Bioethics from the base discipline Law are the same as for admission to the LL.M.

For further information see the bioethics section of the calendar, or contact the Chair, Master's Specialization in Bioethics, Biomedical Ethics Unit, 3647 Peel Street, Montreal, QC, H3A 1W9. Telephone: (514) 398-6980; Fax: (514) 398-8349; E-mail: [kathleen.glass@mcgill.ca](mailto:kathleen.glass@mcgill.ca).

### D.C.L. Degree

Applicants demonstrating outstanding academic ability will be considered for admission to the doctoral program.

Admission to the DCL program occurs only when:

- a) the candidate has completed a graduate law degree with thesis at McGill or at another university, and

- b) the Graduate Admissions Committee is satisfied that the quality of his or her previous research is sufficient to justify admission to a doctoral program.

Review of the completed Master's thesis is normally part of the admission decision-making process. Exceptionally, a candidate with a non-thesis masters' degree with an outstanding file may be admitted to the doctoral program.

### Graduate Certificate Programs

The requirements for admission to the Graduate Certificate programs are essentially the same as for the Master's programs, except that greater weight may be placed on professional experience.

Candidates desiring a Graduate Certificate in Air and Space Law who do not hold a law degree may be admitted if they have earned an undergraduate university degree in another discipline and possess sufficient professional experience to compensate for the lack of a law degree (as determined by the Graduate Admissions Committee).

## 8.3 Application Procedures

An application will be considered upon receipt of:

1. application form with \$80 application fee payable by credit card and non-refundable;
2. statement of academic program;
3. official transcripts and proof of degree;
4. certified translations of transcripts and proof of degree (if not written in French or English);
5. official university grading system;
6. letters of reference on forms provided for that purpose and/or official letterhead (sent directly by the referee to Graduate Programs in Law);
7. official TOEFL or IELTS score report (sent directly by the testing organization);
8. a curriculum vitae;
9. two recent passport photographs

McGill's on-line application form for graduate program candidates is available at [www.mcgill.ca/applying/graduate](http://www.mcgill.ca/applying/graduate). Documents corresponding to numbers 2-5 and 8-9 should be sent to the Coordinator, Graduate Programs in Law, at the address in [section 1.1, "Location"](#).

**Deadline: February 1** in the year prior to the start of the academic year for which the candidate is applying.

## 8.4 Program Requirements

### MASTER OF LAWS (LL.M.) DEGREES

There are two LL.M. options in the Faculty of Law, the Institute of Comparative Law, and the Institute of Air & Space Law: a thesis option (fewer courses and a 30 000 word externally evaluated thesis) and a non-thesis option (more courses and a 15 000 word supervised research project). In each case, the student must complete 45 credits. It is not normally possible to take extra credits. Students pursuing the LL.M., with thesis or non-thesis, in the Faculty must take the following courses: Legal Research Methodology (4 credits) and Theoretical Approaches to Law (4 credits). Students in the Institute of Comparative Law must also take Legal Traditions (4 credits). Students in the Institute of Air & Space Law upon recommendation may take Legal Research Methodology (4 credits) and/or Theoretical Approaches to Law (4 credits), in addition to compulsory courses in Air & Space Law. Other courses are selected from those offered by the Faculty and its Institutes, subject to the approval of the Associate Dean (Graduate Studies) of the Faculty of Law.

Students must register and pay fees for three terms of full-time study. Usually courses are taken during the first two terms only. The third term, devoted to research, may be taken during the Summer session of the first year, if the Thesis or Project

supervisor approves. This means that it may be possible to complete the three terms within one calendar year.

### Thesis Option

The LL.M. Program, thesis option, is a research-intensive graduate program focused on developing research interests into a thesis project under the supervision of a faculty member. Graduate level courses on theoretical and methodological approaches to legal writing complement the research work and thesis completion process, and courses in specific areas of knowledge related to the candidate's research interests complete the program's credit requirements.

The Master's Thesis programs consist of a course work component and a thesis of approximately 100 pages. Candidates must remain in residence for three terms. The third term, usually devoted to thesis research, may be taken the summer of the first year, making it possible to complete residence requirements within one calendar year. If the thesis is not completed in this time, students must register for additional sessions as needed. All degree requirements must be completed within a maximum of three years of the date of first registration.

As part of the course Master's Thesis 1, a thesis candidate must provide a protocol to his or her supervisor setting out details as to the thesis topic, the deadlines for the completion of the various thesis courses and the schedule of meetings with the thesis supervisor. Modifications to the protocol must be made in writing and submitted to the Associate Dean (Graduate Studies).

### Non-Thesis Option

The LL.M., non-thesis option, complements previous legal education through specialized graduate-level coursework and in-depth research. It enhances expertise in selected areas of legal scholarship and offers an opportunity to write a supervised, substantial and publishable paper in an area of interest.

The non-thesis option does require a substantial Supervised Research Project during the third term of registration, a 15,000 word paper, assessed by the supervisor on a pass-fail basis, and typically completed in the summer. Candidates must remain in residence for three terms. The third term, usually devoted to research, may be taken the Summer of the first year, making it possible to complete residence requirements within one calendar year. If the research project is not completed in this time, students must register for additional sessions as needed. All degree requirements must be completed within a maximum of three years of the date of first registration.

### **9.8 Health Insurance – International Students**

By Senate regulation, all students (full-time, part-time, special, exchange and visiting) and their accompanying dependants who do not have Canadian citizenship or Permanent Resident status must participate in the University's compulsory sickness and accident plan. For enrolment procedures and details on the health insurance plan, students should consult the International Student Services Website. For information concerning rates, see [section 12.6 "Other Fees"](#).

All inquiries related to this University policy must be directed to International Student Services.

### **9.9 Health Insurance – Canadian Residents**

Canadian students from outside the province of Quebec should check with their own provincial Medicare office to ensure the validity of their health coverage while studying at McGill.

Canadian students who have been living abroad may not be eligible for provincial health insurance coverage. To ensure adequate health insurance coverage, you may enrol in the group plan offered through International Student Services. Please note that this option is **ONLY** available during the first month of your first semester at McGill.

All undergraduate students who pay tuition fees at either the Canadian or Quebec rates and who are members of the Students' Society of McGill University (SSMU) or the Macdonald Campus Students' Society (MCSS) are automatically covered by the Students' Society's Health and Dental Plans. For details on fees, Change-of-Coverage dates and on what is covered by the plans,

### Fee Exemptions

Exemptions from international tuition fees may be claimed by students in certain categories. As well, both international and non-Quebec Canadian students or Canadian Permanent Residents in certain language courses (in some cases programs) leading to a degree in French may be eligible for a fee exemption from international or the non-Quebec Canadian rate. Please note that the list of language course (in some cases, programs) is limited and subject to change by the Ministère de l'Éducation, du Loisir et du Sport. Students, if eligible for one of the exemption categories, are then assessed at the Quebec student rate. A list of categories and the required application forms are available at [www.mcgill.ca/student-records/fees/exemption](http://www.mcgill.ca/student-records/fees/exemption) and also at Enrolment Services where the application forms must be submitted. An exemption will not be granted unless the application form is submitted.

### 10.2.3 Have We Received Your Documents?

#### Quebec/Canadian/In

## International Students

**Note 1:** You may alternatively supply your Quebec baptismal certificate if it was issued **prior to January 1, 1994** and clearly shows where you were born and that your baptism occurred no more than 4 months after your birth.

**Note 2:** Permanent Code Data Form (signed) is usually required. If the names of your parents appear on your birth certificate, or if you have already provided us with your Permanent Code, you do not need to supply this form.

**Note 3:** Proof of Permanent Resident status can be proved by an IMM 5292 document together with the Permanent Resident card (copy of both sides required). Alternatively, you may provide the IMM 1000 document along with the PR card (copy of both sides required).

**Note 4:** If you are a refugee, you should instead provide your Convention Refugee status document.

**Note 5:** Usually we need your birth certificate to prove your place of birth in Quebec. If you already have a valid MELS Permanent Code, but we are still showing you as being charged Canadian fees, we will accept a Canadian passport that shows your birth place in Quebec as proof that you qualify for Quebec residency.

Should your tuition status be reduced as a result of the document review process, any late payment or interest charges accumulated on the difference will also be waived.

### 10.2.5 Where Do I Send my Documents?

Send in all your documents after you have been accepted to McGill and before you arrive on campus. **Do not send us originals.** Please fax or mail a clear and legible photocopy. Write your McGill ID on the documents so that we can match them to your record. The sooner you submit your documents, the sooner we can update your status and ensure that your record is in order.

#### By E-mail:

You may submit your legal documents electronically by following these steps:

1. **Save the attached file in an accepted format:**

- Standard PDF (.pdf) - encrypted PDF's will not be accepted
- Tagged image format (.tif, .tiff; for scans)

(Due to the possibility of malicious content, Microsoft Word Documents (.doc), Hypertext files (.htm, .html) or any other format will not be accepted. Do save in an accepted format and do not just rename the file extension.)

2. **Ensure that the resolution used is no less than 300 dpi** for an electronic replica (scan) of documentation (e.g., scan of your birth certificate). Preferred file size is 100Kb per image.

3. **Address your e-mail to [legaldocumentation@mcgill.ca](mailto:legaldocumentation@mcgill.ca) and attach your relevant scanned document(s).** Files should be sent as attachments to your e-mail and not as part of the e-mail body.

4. **Put your First Name, Last Name, and McGill ID number in the subject line of your e-mail.**

#### 10.4.2 Preferred First Name

Students can provide a preferred first name at the time of admission on their web application and following that by sending a signed request to Enrolment Services, James Administration Building, Room 205, for the name to be updated on their file.

The preferred first name is included on class lists (in brackets alongside the legal name) for use by instructors. Students should note that their legal name will be the name that will appear on their transcript and diploma.

#### 10.5 Verification of Name

Students should verify the accuracy of their name on McGill's student records via Minerva. Any necessary corrections to formatting, e.g., changing case (upper/lower), adding accents and spacing, can be made on Minerva under the **Personal Menu -> Name Change Form**.

Students **cannot** change the name on their record via Minerva. Requests for such changes must be made by presenting official documents ([see section 10.4 "Name"](#)) in person at Enrolment Services, James Administration Building, Room 205.

## 11 Registration and Commencement of Classes

---

### 11.1 Commencement of Classes

**Two additional characters (D1, D2, N1, N2, J1, J2, J3) at the end of the seven-character course number identifies multi-term courses.**

#### **11.4.2 Multi-term Courses**

Most courses at McGill are single term (Fall or Winter or Summer) courses with final grades issued and any credits earned recorded at the end of that term. Single term courses are identified by a seven-character course number.

A unit may, however, decide that the material to be presented cannot be divided into single term courses or it is preferable that the work to be done is carried out over two, or three, terms. Under such circumstances, courses are identified by a two-character extension of the course number.

In some cases, the same course may be offered in various ways: as a single term and/or in one or more multi-term versions. The course content and credit weight is equivalent in all modes, the only difference being the scheduling, and students cannot obtain credit for more than one version.

**Courses with numbers ending in D1 and D2** are taught in two consecutive terms (most commonly Fall and Winter). Students must register for the same section of both the D1 and D2 components. When registering for a Fall term D1 course on Minerva, the student will automatically be registered for the Winter term D2 portion. No credit will be given unless both components (D1 and D2) are successfully completed in consecutive terms, e.g., Fall 2008 and Winter 2009.

**Courses with numbers ending in N1 and N2** are taught in two non-consecutive terms (Winter and Fall). Students must register for the same section of both the N1 and N2 components. No credit will be given unless both components (N1 and N2) are successfully completed within a twelve (12) month period.

**Courses with numbers ending in J1, J2 and J3** are taught over three consecutive terms. Students must register for the same section of all three components (J1, J2, J3). No credit will be given unless all three components are successfully completed.

#### **IMPORTANT CONDITIONS FOR MULTI-TERM COURSES**

- 1. Students must be registered for each component of the multi-term course. Students must ensure that they are registered in the same section in each term of the multi-term course.**
- 2. Students must successfully complete each component in sequence as set out in the multi-term course. Credit is granted only at the end of the multi-term course; no credit is given for partial completion.**

#### **11.4.3 Course Terminology**

**Prerequisite:** Course A is prerequisite to course B if a satisfactory pass in course A is required for admission to course B.

**Corequisite:** Course A is corequisite to course B if course A must be taken concurrently with (or may have been taken prior to) course B.

Upon withdrawal, students are required to return their ID card to the University as stated in [section 10.3 "Identification \(ID\) Cards"](#).

Students who withdraw from the University and wish to re-register in a subsequent term must follow the procedures for readmission.

Students who withdraw during the Fall term are considered withdrawn from the entire academic year, regardless of whether Winter term courses are dropped. If they wish to return for the Winter term, they must follow the procedures for readmission.

### **11.8.3 Summer Term/Summer Studies**

The Summer term at McGill covers the months of May to August. During that period a wide array of credit courses from McGill degree programs is offered. Most are month-long courses with lectures every day. These courses are usually accepted for transfer credit by other universities. For

Off-Campus Housing, and the First Peoples' House. The Office of the Dean of Students administers the academic integrity process as described in the Handbook of Student Rights and Responsibilities (see [www.mcgill.ca/integrity/students](http://www.mcgill.ca/integrity/students)).

#### **12.4.2 Athletics and Recreation Fee**

**Late Payment Fees:** Students who still have an outstanding balance greater than \$100 on their account as of October 30th (February 28th for the Winter term) will be charged a late payment fee of \$25 over and above interest.

**12.7.2.1 Guest Access on Minerva**

Students may choose to give access privileges to a guest within Minerva. These privileges include viewing e-Bills/Account Sum-

are generated in January for the Fall term, in May for the Winter term, and in September for the Summer term. Students who are placed in unsatisfactory standing must apply to the faculty for re-admission. Consult the appropriate section of this Calendar for the Regulations on Academic Standing that apply to a particular faculty.

In the Faculty of Law, candidates who do not achieve a sessional Grade Point Average of 1.50 will be required to withdraw from the Faculty.

Candidates who achieve a sessional Grade Point Average of between 1.50 and 1.99 will be permitted to continue their studies, but must achieve at the end of the subsequent session either a sessional Grade Point Average of 2.50 or a cumulative Grade Point Average of 2.00.

Candidates must have a cumulative Grade Point Average of 2.00 to be entitled to graduate.

Candidates who are required to withdraw from the Faculty may be authorized by the Faculty Admissions Committee to continue their studies if exceptional reasons for the required withdrawal exist.

---

### 13.2 Credit System

The Faculty of Law uses the credit system, where each course is assigned a credit rating reflecting the number of weekly contact hours. In general, a three-credit course indicates three hours of lectures per week for one term but this does not apply to all faculties. Laboratory contact hours usually count for fewer credits.

Credits also reflect the amount of effort required of students and generally assume two hours of personal study for each contact hour.

The credit weight of each course is indicated in parentheses beside the course title.

**Note:** Credit for multi-term courses (courses with the suffix sets: D1, D2; N1, N2; J1, J2, J3) is granted only after successful completion of all components in the specified time frame. For example, a student would have to take D1 and D2 components in consecutive terms and successfully complete them both in order to obtain credit.

---

### 13.3 Grading and Grade Point Averages (GPA)

Courses can be graded either by letter grades or in percentages, but the official grade in each course is the letter grade. Effective with the Fall term of 2002, all verification forms, transcripts and other documents show only letter grades for all subsequent terms. Where appropriate, a class average will be calculated and appear on transcripts expressed as the letter grade most representative of the class performance.

Grades A through D are termed satisfactory passes, and F a failure. Certain courses have been approved for Pass/Fail (P/F) grading.

reviewing the extraordinary circumstances described in the supporting documentation provided by the faculty, and upon consultation with the Student Accounts Office if necessary, will decide whether or not to consider the request and will advise the student in writing of the outcome.

### 13.7.6 Student's Citizenship and/or Immigration or Fee Exemption Status

Changes related to student's citizenship and/or immigration or fee exemption status are not handled by the Faculty and are dealt with in [section 10.2, "Legal Documents"](#).

## 13.8 Transcript of Academic Record

### 13.8.1 Unofficial Transcripts

Students who require a copy of their student record can view and print their own unofficial transcript by accessing Minerva. This applies to records from 1976 to present. For pre-1976 records, an official transcript must be ordered.

### 13.8.2 Official Transcripts

Official transcripts can be ordered on-line via **Minerva** by going to Student Menu->Student Records Menu->Request Printed/Official Transcript. Students who cannot access Minerva should fill out the "*Request for Release of Official Document*" form available on-line at [www.mcgill.ca/student-records/transcripts](http://www.mcgill.ca/student-records/transcripts) or in person at Enrolment Services at the address below. Transcript requests may be submitted by mail, by fax, or in person but must be signed by the student. To protect privacy, we do not accept telephone or e-mail requests.

### 13.8.3 General Information

Transcripts are free of charge.

Official transcripts are sent directly to the addresses provided by the student. Official transcripts in sealed envelopes can be given to those requesting them.

Requests are processed in 3 to 5 working days, somewhat longer for pre-1976 records and at peak times.

Enrolment Services is not responsible for transcripts that are lost or delayed in the mail.

The University will issue only complete transcripts recording all work attempted and results obtained in any and all programs. In no circumstances will partial transcripts be issued.

Official transcripts will NOT be issued for students registered on or after September 2001 who have failed to provide the information and/or documents necessary to obtain or verify their Permanent Code.

Transcripts will not be issued if you owe fees or fines over \$30.

Official transcripts are produced on secure paper that cannot be copied.

### 13.8.4 Course Numbering on the Transcript

Prior to September 2002, course numbers had a seven-character designation beginning with the three-number code for the teaching unit/department. The next three digits specified the course, with the first of these indicating its level. The final character was a letter indicating the term, or terms, during which the course was offered. For example:

107-200A = Philosophy (107) course (200) in Fall term (A);  
301-202B = Architecture (301) course (202) in Winter term (B);  
154-230D = Economics (154) course (230) extending for two terms, Fall and Winter (D).

A list of the former Teaching Unit Codes and their Subject Code equivalents is available on the Web at

[www.mcgill.ca/student-records/transcripts](http://www.mcgill.ca/student-records/transcripts).

## 14 Examinations

### 14.1 Examinations – General Information

In addition to the general policies listed here, law students should consult the Faculty Examination Regulations included in the Faculty of Law Handbook of Academic Regulations, Resolutions and Policies distributed at the beginning of each academic year, and available at the Student Affairs Office. Students will be informed by the end of the change of course period of the evaluation method to be used in each course.

Every student has a right to write term papers, examinations and theses in English or in French except in courses where knowledge of a language is one of the objectives of the course.

Students will not be permitted to write an examination in any course unless they have fulfilled the requirements of the course to the satisfaction of the instructor and the Associate Dean. Once students have presented themselves for an examination or test, they must submit all written work to the invigilator before leaving.

Students writing examinations must have with them their valid McGill student ID card. Forgetfulness cannot be considered an acceptable excuse.

**Students are reminded that cheating in any examination is considered a serious offence which could lead to expulsion from the University. Students are not permitted to have in their possession, or to use, any unauthorized materials during an examination.**
