1 General Policies and Information

1.1 Authorization, Acknowledgement and Consent

When applying for admission to the University, you are bound by and agree to observe all statutes, rules, regulations, and policies at McGill University and the faculty or faculties to which you may be accepted and registered in, including policies contained in the University Calendars and related fee documents. Your obligation as a student begins with your registration and ends in accordance with the University's statutes, rules, regulations, and policies.

You should verify all information or statements provided with your application. Incorrect or false information may jeopardize your admission. The University reserves the right to revoke an admission that is granted based on incorrect or false information in an application or supporting documents.

1.2 Student Rights and Responsibilities

The *Handbook on Student Rights and Responsibilities* is published jointly by the Office of the Dean of Students and the University Secretariat. It contains regulations and policies governing your rights and responsibilities as a student at McGill. You will receive it when you get your student ID card at the ID Centre (Downtown and Macdonald Campuses).

The Handbook is also available at www.mcgill.ca/deanof

Email sent to your McGill Email Address is an official means of communication between McGill University and its students. As with all official University communications, it is your responsibility to ensure you read and act upon University emails in a timely fashion. If you choose to forward University email to another email mailbox, it is your responsibility to ensure that the alternate email mailbox is valid.

You should read the *Code of Conduct for Users of McGill Computing Facilities* and the *Email Communications with Students* policy found under Information Technology on the University Secretariat website at www.mcgill.ca/secretariat/policies/informationtechnology. For more information on email for students, refer to www.mcgill.ca/it and see *section 14: For your Information Technology (IT) needs*.

1.5 Academic Integrity

When submitting work in your courses, you must understand the meaning and consequences of plagiarism and cheating, which are extremely serious academic offences. If you have any doubt as to what might be considered plagiarism when you are preparing an essay or term paper, you should consult the course instructor to obtain appropriate guidelines. You should also consult the student guide to the meaning of plagiarism on the Academic Integrity website at www.mcgill.ca/integrity, where you will find links to instructional tutorials and strategies to prevent cheating. The *Code of Student Conduct and Disciplinary Procedures* includes sections on plagiarism and cheating. You can find the *Code in the Handbook on Student Rights and Responsibilities*, available through the Academic Integrity website or at www.mcgill.ca/deanofstudents/rights.

The possession or use of unauthorized materials in any test or examination constitutes cheating. Responses on multiple-choice exams are normally checked by the Exam Security Computer Monitoring program. The program detects pairs of students with unusually similar answer patterns on multiple-choice exams. Data generated by this program can be used as admissible evidence in an investigation of a possible violation under Section 16 of the *Code of Student Conduct and Disciplinary Procedures*.

The Office of the Dean of Students administers the academic integrity process as described in the *Handbook on Student Rights and Responsibilities*.

1.6 Proper Use of Computing Facilities

You must comply with the *Code of Conduct for Users of McGill Computing Facilities* as approved by the University Senate. You can find the Code in the *Handbook on Student Rights and Responsibilities*.

This Code (or policy) is also posted in the University Secretariat listing of *University Policies, Procedures and Guidelines* under Information Technology, at www.mcgill.ca/secretariat/policies/informationtechnology.

1.7 Non-smoking Policy

Quebec law prohibits smoking in public buildings.

1.8 Health Insurance – International Students

By Senate regulation, all international students (full-time, part-time, half-time, additional session, special, exchange and visiting) and their accompanying dependants who do not have Canadian citizenship or Permanent Resident status must participate in the University's compulsory sickness and accident plan. For enrolment procedures and details on the health insurance plan, consult the International Student Services website. For information concerning rates, see www.mcgill.ca/internationalstudents/health/faq/#3.

All inquiries related to this University policy must be directed to International Student Services.

1.9 Health Insurance – Canadian Residents

If you are a Canadian student from outside Quebec, you should check with your provincial medicare office to ensure that you have valid health coverage while studying at McGill.

If you are a Canadian student who has been living abroad, you may not be eligible for provincial health insurance coverage. To ensure adequate health insurance coverage, you may enrol in the group plan offered through International Student Services. Please note that this option is available only during the first month of your first semester at McGill.

All undergraduate students who pay tuition fees at either the Canadian or Quebec rates and who are members of the Students' Society of McGill University (SSMU) or the Macdonald Campus Students' Society (MCSS) are automatically covered by the Students' Society's Health and Dental Plans. For details on fees, change of coverage dates and on what is covered by the plans, please refer to www.aseq.com. If you're not sure of your eligibility, please contact the *Alliance pour la santé étudiante au Québec* (ASEQ) at 514-789-8775.

1.10 Special Medical Needs

If you have special medical needs, have your physician submit appropriate information, on a confidential basis, directly to the Student Health Service; see [section 11.3: Student Services – Downtown Campus](#) for contact information on the Downtown Campus and see www.mcgill.ca/macdonald/studentinfo/studentervices for Macdonald Campus.

1.11 Minerva

Minerva is McGill's web-based information system serving students, staff and faculty. To access Minerva, go to www.mcgill.ca/minerva and click the Login icon. Once logged in to Minerva, you can:

1.12 myMcGill

McGill's web portal, myMcGill, gives students and staff a personalized interface to the University's information systems.

myMcGill offers an integrated web experience with a single sign-on (SSO) to several McGill web systems. This allows you to access multiple McGill systems without being prompted for additional logins. To log into myMcGill, click the myMcGill tab at the top-right corner of the McGill homepage (www.mcgill.ca) or go to <http://my.mcgill.ca>.

2 Personal Information

2.1 Updating Personal Information

It is important to keep your official records up to date, especially your mailing or billing address, because these are used by the University year round. If your address information on file is invalid, incomplete or missing, the University will hold your mail. Once you have provided a valid address, the University will resume sending your mail.

You must update your address(es) and/or telephone number(s) and emergency contact information on Minerva under the *Personal Menu*.

If you are away from campus and do not have access to the Internet, you can request changes by writing to your student affairs office or to Enrolment Services. Your written request must include your signature.

If you need to change important personal information that requires the University to verify official documents, such as a change to your name or citizenship, or correction of your birth date, you must go in person (as soon as possible) to Enrolment Services, James Administration Building, Room 205. Macdonald Campus students can request changes in person at the Student Affairs Office, Laird Hall, Room 106.

2.2 Legal Documents

2.2.1 Legal Documents: Why Does McGill Collect Legal Documents from You?

Tuition fees at McGill vary depending on whether you have provided us with proof that you are a Quebec student, a Canadian out-of-province student, or an international student, as per [section 2.2.2: Legal Documents: What Documents Does McGill Need from You?](#)

Some of the documents McGill requests from you help us obtain your **Permanent Code** from the Government of Quebec. This unique 12-character code, is issued by the Quebec *Ministère de l'Éducation, du Loisir et du Sport (MELS)*, and is obligatory for all students registered in a Quebec institution.

If you have previously attended school in Quebec, you already possess a Permanent Code - you can find it on your school report card or your CEGEP or university transcript. After you have accepted the University's offer of admission, you can check on Minerva (under the *Personal Menu*) to see if McGill has received your Permanent Code.

You can consult your tuition and legal status (including your Permanent Code) on Minerva. Select *Student Menu > Student Accounts Menu > View your Tuition and Legal Status*.

2.2.2 Legal Documents: What Documents Does McGill Need from You?

Follow the instructions in the first row of this table that apply to you. **Send clear, legible copies of documents (not originals).**

Quebec and Canadian Out-of-Pro	

International Students	
	<ul style="list-style-type: none"> • Photo page of your passport and the page stamped by Citizenship and Immigration Canada at your port of entry • Permanent Code Data Form (note 2 and 6)

 **Note 1:** You may alternatively provide your Quebec baptismal certificate if it was issued **prior to January 1, 1994**, and clearly shows where you were born and that your baptism in Quebec occurred no more than four months after your date of birth.

 **Note 2:** Your signed Permanent Code Data Form is usually required. If the names of your parents appear on your birth certificate, or if you have already provided McGill with your Permanent Code, you do not need to supply this form.

 **Note 3:** Your Canadian Permanent Resident status can be proved by a copy of your Immigration Canada IMM 5292 document together with your Canadian Permanent Resident card (copy of both sides required). Alternatively, you may provide your IMM 1000 document along with your Permanent Resident card (copy of both sides required).

 **Note 4:** If you are a refugee, you should instead provide your Convention Refugee status document.

 **Note 5:** Usually McGill needs your birth certificate to prove your place of birth in Quebec. If you already have a valid Quebec Permanent Code, but McGill is still charging you Canadian fees, McGill will accept as proof that you qualify for Quebec residency a copy of your Canadian passport that indicates your birth place as being within the province of Quebec.

 **Note 6:** You can find links to download and print the Permanent Code Data and Attestation of Quebec Residency forms at www.mcgill.ca/legaldocuments/forms.

Fee Exemptions

Students in certain categories may be eligible to claim an exemption from the international rate of tuition fees according to the regulations set by the Quebec *Ministère de l'Éducation, du Loisir et du Sport (MELS)*.

If you are eligible for one of the exemption categories you are assessed at the Quebec rate of tuition. You can find a list of categories and the required application form at www.mcgill.ca/student-records/fees/exemption and also at Enrolment Services. An exemption will not be granted unless you submit the application form along with your supporting documents to Enrolment Services.

2.2.3 Legal Documents: Has McGill Received Your Documents?

Quebec/Canadian/International Fees

Once McGill receives your documents, it usually takes one week to process them and update your file accordingly.

- Check your tuition status on the Minerva student accounts menu: *Student Menu > Student Accounts Menu > View your Tuition and Legal Status*.
- Check the phrase: *Fees currently calculated according to rules for...* This will tell you if you are assessed as: an international student, a Canadian student, or a Quebec student.
- Electronic billing is the official means of delivering fee statements to all students; you may view your e-bill on Minerva. For more information, see the

2.2.4 Legal Documents: What Are the Consequences of Not Providing Your Documents?

McGill must receive all proofs of citizenship, requests for Quebec residency, international fee exemptions, and immigration status changes by the end of the last day of classes of a current term for them to take effect for that term. **All requests received after the last day of classes will be processed but your fees will only be lowered for the following term.**

McGill cannot issue you an ID card until all of your documents have been received. Your ID card is essential to use many services on campus, and to take your final exams.

If your Permanent Code is not issued by October 15 (Fall term) or February 15 (Winter term), a hold will be added to your record until McGill has received the necessary documents. This hold will prevent you from registering or dropping any courses and from obtaining your official transcript. If you are registered in one term or in a one-year program, the University may put a hold on your record earlier in the term.

If your tuition fees are reduced because of the document review process, McGill will waive the difference on any accumulated late payment or interest charges.

2.2.5 Legal Documents: Where Do I Send my Documents?

You must send in all your documents after you have been accepted to McGill but before your classes begin. **Do not send originals.** Email, fax or mail clear and legible copies of your documents. Write your student ID on the documents so that McGill can match them to your record. The sooner you submit your documents, the sooner the University can update your status and ensure that your record is in order.

By Email:

Follow these steps to submit your legal documents electronically.

1. Save the attached file in an accepted format.

Standard PDF (.pdf) - encrypted PDFs will not be accepted.

Tagged image format (.tif, .tiff; for scans). Ensure that you save your documents properly in one of the above formats - do not just rename the file extension. Due to the possibility of computer viruses, McGill does not accept Microsoft Word documents (.doc), hypertext files (.htm, .html), JPG, GIF, or any other format.

2. Ensure that the resolution used is at least 300 dpi (dots per inch) for an electronic replica (scan) of documentation (e.g., a scan of your birth certificate). The preferred file size is 100KB per image.

3. Address your email to legaldocumentation@mcgill.ca and attach your relevant scanned document(s). Attach the file(s) to your email; do not include the documents in the body of your email.

4. Put your First Name, Last Name, and McGill ID number in the subject line of your email.

Note: Individual email size (including your attachments) should not exceed 5 MB (5120 KB).

2.4.1 Name: Legal Name

This is the name that will appear on your degree, diploma or certificate on graduation, and on your transcript. It is also used by the Quebec *Ministère de l'Éducation, du Loisir et du Sport* (MELS) to create a Permanent Code.

All students are registered under their legal name as it appears in one of the following documents:

1. Canadian birth certificate.
2. Canadian Immigration Record of Landing (IMM1000 or IMM5292 and Permanent Residence card, both sides).
3. Canadian Immigration Study or

3.1 Late Registration

If you fail to register during the normal registration period, you can register within the period designated by the University for late registration. You will be assessed a late registration fee as listed below:

Returning Students: You may register late from Tuesday, July 28 until and including Tuesday, September 1 with the payment of a late registration fee of \$50 (\$20 for Special Students).

New, Readmitted, and Returning Students (Fall): You may register late via Minerva from Wednesday, September 2 until Tuesday, September 15 with the payment of a late registration fee of \$100 (\$40 for Special Students).

3.2.3 Course Information and Regulations: Course Terminology

Prerequisite: course A is prerequisite to course B if a satisfactory pass in course A is required for admission to course B.

Corequisite: course A is corequisite to course B if course A must be taken concurrently with (or may have been taken prior to) course B.

Credits: the credit weight of each course is indicated in parentheses beside the course title. For D1 and D2 courses the credit weight is indicated after the course number. For further information refer to [section 5.2: Credit System](#).

Course Nomenclature in Program Descriptions

Required Courses: Courses that must be completed to fulfil the requirements of a major, minor, etc., unless the student receives exemptions. Students have no choices among required courses.

Complementary Courses: A set of alternative courses that can be taken to fulfil the requirements of a major, minor, etc. Students choose a specified number of courses from the set.

Elective Courses: Courses that do not count toward the fulfillment of the requirements of a major, minor, etc. They are often, but need not be, selected from outside a student's program of study. Some restrictions may apply, but students have the most choice in selecting elective courses. Some faculties also permit students to take elective courses using the satisfactory/unsatisfactory option. Consult your faculty regulations concerning elective courses.

3.2.4 Course Information and Regulations: Class Schedule

Class Schedule for the upcoming Fall and Winter terms normally becomes available in mid-March at www.mcgill.ca/courses. The Summer term schedule is normally published in January. Class Schedule includes the days and times when courses are offered, class locations, names of instructors, and related information. You can also access the Calendar entries of scheduled courses by clicking the CRN (course reference number) that appears with each course section shown in Class Schedule.

3.4 Quebec Inter-University Transfer Agreement: Visiting IUT Students

The Quebec Inter-University Transfer (IUT) agreement permits concurrent registration at McGill and another Quebec institution.

If you are a student at another Quebec university and you want to take courses at McGill using the Quebec Inter-University Transfer (IUT) agreement, you must initiate an online application to request the required authorizations at www.mcgill.ca/student-records/iut. If you drop your last Fall course **after** the end of August or drop your last Winter course **after** the end of December, you are considered to be withdrawn from the University. You must follow the procedures for readmission.

If you are registered in the Fall term, you may add and drop Winter term courses throughout the Fall term until the Winter term deadline for course change/late registration.

After the Course Change deadline, you may add courses only with written permission of the instructor, and the Associate Dean or Director of your faculty. A fee will be charged for each course you add.

3.7 Regulations Concerning Course Withdrawal

After the Course Change deadline in the Fall and Winter terms, there is a period of a few days during which you may withdraw, with a grade of W and full refund of course fees.

After the Withdrawal (with refund) deadline, there is a period during which withdrawal from a course will also result in a grade of W but no course fees will be refunded.

Courses that begin in the Fall Term

Deadline for withdrawal (grade of W) with refund:

- Sunday, September 20, 2009

Deadlines for withdrawal (grade of W) without refund:

- Single-term courses: Sunday, October 18, 2009
- Multi-term courses that begin in Fall term: Tuesday, January 19, 2010

Courses that begin in the Winter Term

Deadline for withdrawal (grade of W) with refund:

- Sunday, January 24, 2010

Deadline for withdrawal (grade of W) without refund:

- Single-term courses: Sunday, February 14, 2010
- Multi-term courses that begin in Winter term: Saturday, May 15, 2010*

*Note that if you are in multi-term courses with course numbers ending in N1 and N2 (course begins in the Winter term, skips the Summer term, and is completed in the subsequent Fall term) you may withdraw after May 15 and until the end of the Fall term Course Change period by contacting your faculty student affairs office.

After the withdrawal (without refund) deadline but before the end of term, and only under exceptional circumstances, you may be granted permission to withdraw from a course. Permission will not be granted merely because you are doing unsatisfactory work. A grade of W or WF, as appropriate, will appear on your transcript but will not be calculated in your GPA. For further information, consult your faculty student affairs office.

Note: To withdraw from required or complementary courses after the withdrawal (without refund) deadline, you may need to obtain permission from your adviser, and you must fill out and submit a course withdrawal form, available from your faculty student affairs office. Additional restrictions for Music courses are indicated in section on *Schulich School of Music* in the Undergraduate Programs Calendar, found at www.mcgill.ca/courses.

Note: It is solely your responsibility to initiate a course withdrawal by submitting a form to your student affairs office. Neither notification of the course instructor nor discontinuing class attendance is sufficient. The date on which you withdrew is entered on Minerva and is the official date of withdrawal, even if you had stopped attending lectures earlier.

Note: Fee refunds, if any, will be in accordance with [section 4.8: Fees and Withdrawal fr](#)

Student's Responsibility

It is solely your responsibility to initiate University withdrawal by submitting a form to your student affairs office. Neither notification of the course instructor nor discontinuing class attendance is sufficient. The date on which you dropped or withdrew from all courses is entered on Minerva and is the official date of withdrawal, even if you had stopped attending lectures earlier.

3.8.2 Regulations Concerning University Withdrawal: Deadlines for University Withdrawal

If you decide not to attend the term(s) in which you are registered, you must officially withdraw from the University within the deadlines indicated. See Withdrawal (W) deadline dates in [Important Dates 2009-10](#). If you drop your last Fall or Winter course by the end of the add/drop period of that term you are withdrawn from the University. To return to your studies you must follow the procedures for readmission.

To withdraw from the University by the deadlines indicated below, you must drop or withdraw from all courses on Minerva.

If you take a Summer Studies course to complete your graduation requirements at McGill, you will receive your degree at the Fall Convocation (normally held in November).

It is your responsibility to follow the University and faculty regulations. When registering, you must not exceed the maximum credits permitted by your faculty.

You cannot register for more than 12 credits (Management or Music students, 18 credits) during the summer, at McGill or at other universities, except by special permission of your Associate Dean or Director.

Quebec Inter-University Transfer (IUT) students may take in one summer term a maximum of 1 (one) course regardless of credit weight. Permission to register for more than one course per term must be obtained from the McGill faculty in which the student is registering by using the CREPUQ electronic IUT site at www.crepuq.qc.ca (see *section 3.4: Quebec Inter-University Transfer Agreement: Visiting IUT Students*).

4.4 Compulsory Fees

Rates are updated and available on the Student Accounts website, www.mcgill.ca/student-accounts/fees/compfees, as soon as they become available.

4.4.1 Student Services Fees

Student Service fees are governed by the Senate Committee on the Coordination of Student Services, a parity committee composed equally of students and University staff.

These fees are complemented by revenue from the Quebec government, the University, and numerous generous donors, to support the following programs and services: Student Health (including Dental), Mental Health, Counselling and Tutorial, Chaplaincy, Career Planning (CaPS), Student Aid and International Student Services, the Office for Students with Disabilities, First-Year Office (including the Francophone Assistant), Off-Campus Housing, and the First Peoples' House.

4.4.2 Athletics Fee

The Athletics fee covers athletics facilities, campus recreation such as intramurals, fitness and recreation courses, drop-in recreation, and intercollegiate sports at both the Downtown and Macdonald Campuses.

4.4.3 Student Society Fees

Student Society fees are collected on behalf of student organizations and are compulsory. These fees must be approved by the student body through fee referenda according to the constitutional rules of the association or society.

Students vote on changes to Student Society fees during the Spring referendum period.

For Canadian students, the Student Society fees include health and dental insurance. For international students, the Student Society fees include a dental insurance plan. International students are required to participate in the University's compulsory International Health Insurance (IHI) plan. For more information, please contact International Student Services: 514-398-6012.

Rates for the current year may be found at www.mcgill.ca/student-accounts/canadian_insurance.

4.5 Administrative Charges

The University charges a number of administrative fees to students which include:

Registration Charge - All students in courses and programs are assessed a registration fee.

Information Technology Charge - The purpose of the information technology fee is to enhance certain technology services provided to students as well as to provide training and support to students in the use of new technology.

Transcripts and Diploma Charge - The University charges a transcripts and diploma fee to all students which entitles you to order transcripts free of charge as well as covers the costs of your graduation.

Copyright Fee - All students in courses and programs are charged the copyright fee which covers the cost of the annual fee that all Quebec universities are required to pay to Copibec (a consortium that protects the interests of authors and editors) for the right to photocopy materials protected by copyright.

4.8 Fees and Withdrawal from the University

If you decide not to attend the term(s) in which you are registered, you must officially withdraw from the University in accordance with [section 3.8: Regulations Concerning University Withdrawal](#). **Otherwise, you are liable for all applicable tuition and other fees.**

If you use Minerva to drop your last course between September 1 and the end of the withdrawal period with full refund, you will be deemed withdrawn from the University. You are automatically charged a minimum charge of \$100 (increased to \$200 In Winter 2010) (or your registration deposit fee, whichever is higher) to cover administrative costs of registration.

If you stop attending classes without dropping y

Information for Registered Students

If you register for a term but still owe amounts from previous terms, you must either pay your account or make payment arrangements with the Student Accounts Office before the end of the course add/drop period. If you have financial difficulty, first contact the Student Aid Office (Brown Student Services Building, Room 3200; 514-398-6013) to discuss the possibility of obtaining financial aid.

If you fail to pay the previous term's fees or to make arrangements to settle your debt prior to the add/drop deadline, the University will cancel your registration in the current and subsequent terms.

Information for Students Who Are No Longer Registered

When students fail to settle their debt or reach a suitable payment arrangement, or fail to provide the Student Accounts Office with up-to-date contact information, the University refers these delinquent accounts to a collection agency. **If neither the University nor the collection agency is able to collect on the account, the University reserves the right to have the student reported to a credit bureau.** You should be aware that the University is entitled to use all legal means to obtain payment and that students are responsible for all costs associated with such actions.

Cancelling Registration for Non-Payment

In accordance with the fee policy stated in Overdue Accounts.

The Student Accounts Office will make all reasonable efforts to notify you if your account is delinquent, or if you owe more than \$100 from the previous term, before the University cancels your registration for non-payment. The cancellation is effective the last day of the add/drop period unless you settle the account or make payment arrangements with the University by then. If you pay or make payment arrangements with the Student Accounts Office after the add/drop deadline and you want the University to reinstate your registration for the current or subsequent term(s), you must complete the Request for Reinstatement form (www.mcgill.ca/files/student-accounts/RequestforReinstatementForm.pdf) and submit it to the Student Accounts Office, which will forward it to Enrolment Services for approval and processing. Your fee account will be charged \$150 (Reinstatement Penalty) for the processing of the re-enrollment.

4.9.2 Acceptance of Fees vs Academic Standing

Acceptance of fees by the University in no way guarantees that students will receive academic permission to pursue their studies. If it is subsequently determined that your academic standing does not permit you to continue, all fees paid in advance will be refunded by applying to the Student Accounts Office.

4.9.3 Fees for Students in Two Programs

Students in two programs normally are billed additional fees for their second program. Depending on the level of the two programs (e.g., one at the undergraduate versus one at the graduate level), you may incur both society and f

When a third party agrees to pay fees on behalf of a student, payment is recorded on the fee account, which reduces the balance the student must pay. The University reserves the right to insist upon payment.

$$\text{GPA} = \frac{\sum (\text{course credit} \times \text{grade points})}{\sum (\text{GPA course credits})}$$

The *term grade point average* (TGPA) is the GPA for a given term calculated using all the applicable courses at the same level in that term. The *cumulative grade point average* (CGPA) is the GPA calculated using your entire record of applicable courses at McGill at the same level; if you change levels, e.g., from undergraduate to graduate, the CGPA starts again.

This policy took effect in January 2003. Prior to January 2003, if your degree program had changed, e.g., from B.Sc. to B.A., the CGPA started again. For students with academic information prior to Fall 2002, who are registered in a different program or in a different level post-Fall 2002, the transcript displays a special message regarding the CGPA restarting.

If you repeat courses, all results are included in the GPA calculation. Therefore, grades of D or F continue to be used in the CGPA calculation even after you repeat the course or if you take a supplemental examination. Note that credits are only granted once for a repeated course regardless of the passing grade.

5.3.1 Grading and Grade Point Averages (GPA): Other Grades

J	—	unexcused absence (failed); the student is registered for a course but does not write the final examination or do other required work; calculated as a failure in the TGPA and CGPA.
K	—	incomplete; deadline extended for submission of work in a course.
KE or K*	—	further extension granted.
KF	—	failed to meet the extended deadline for submission of work in a course; calculated as a failure in TGPA and CGPA.
KK	—	completion requirement waived. Not calculated in TGPA or CGPA.
L	—	deferred examination.
LE or L*	—	permitted to defer examination for more than the normal period.
NR	—	no grade reported by the instructor (recorded by the Registrar).
P	—	pass; not calculated in TGPA or CGPA.
Q	—	course continued in next term (applicable only to courses taken pre-Fall 2002).
S	—	satisfactory; equivalent to C or better in an elective course; not calculated in TGPA or CGPA. (See section 3.5: Courses Taken under the Satisfactory/Unsatisfactory (S/U) Option)
U	—	unsatisfactory; equivalent to D or F in an elective course; not calculated in TGPA or CGPA. (See section 3.5: Courses Taken under the Satisfactory/Unsatisfactory (S/U) Option)
W	—	withdrew; a course dropped, with permission, after the Course Change deadline; not calculated in TGPA or CGPA.
WF	—	withdrew failing; a course dropped, with special permission in an exceptional case, after faculty deadline for withdrawal from course, the student's performance in the course at that stage being on the level of an F; not calculated in TGPA or CGPA. (Not used by Music.)
WL	—	faculty permission to withdraw from a deferred examination; not calculated in TGPA or CGPA.
NA or &&	—	grade not yet available.
W - or - -	—	no grade; student withdrew from the University, not calculated in TGPA or CGPA.

5.3.2 Grading and Grade Point Averages (GPA): Unexcused Absences

All students who miss a final exam are given a J grade. The student then has the following options:

1. Ask to be assigned a grade based only on the grades earned for the work submitted up to, but not including, the final exam.

The grade earned is calculated by adding the grades obtained on the individual pieces of work and a grade of 0 for the portion of the final grade allocated to the final exam. This option is not available if the professor stipulated in the course outline that the final exam is a required part of the evaluation.

2. Request a deferred exam, if the student has the appropriate reasons and documentation.

The student must request option a) no later than four months after the end of the examination period of the original course.

The student must request option b) by the faculty deadlines as indicated in the faculty sections of this Calendar.

Students wishing to appeal a J grade should write to their Associate Dean or Director.

5.4 Incomplete Courses

If the instructor decides there is sufficient reason to permit a delay in the submission of required term work, an extension of the deadline after the end of the course may be granted to the student. In this case, the instructor will submit a grade of K (incomplete).

Note: If the instructor submits a grade of K, he or she will also indicate the date by which the student must complete the work. Consult the faculty sections for maximum extensions.

Note: If the instructor submits a new grade within the deadline, both the new grade and the grade of K will appear on your verification forms and unofficial and advising transcript. However, the new grade will replace the K on your official transcript.

Note: If you do not complete the required work before the deadline, a grade of KF will be updated on your record. A KF denotes a failed course and is calculated in the TGPA and CGPA as an F.

Note: In exceptional circumstances, and with the approval of the Associate Dean or Director, the deadline may be extended further, in which case the grade of KE (further extension granted) appears. If you do not meet the extended deadline, a grade of KF will replace the KE.

Note for Music students: A Music student who has a mark of K not cleared in mid-May is ineligible for scholarships.

Note for Law students: In the Faculty of Law, permission to delay submission of required term work must be obtained from the Student Affairs Officer. It cannot be granted by the instructor. If, in the opinion of the Student Affairs Officer, there is sufficient reason to permit a delay in the submission of required term work, an extension of the deadline after the end of the course may be granted to the student. In this case, the instructor will submit a grade of K (incomplete). If an extension of the deadline is granted, the Student Affairs Officer will indicate the date by which the student must complete the work. If the instructor submits a new grade within the new deadline, both the new grade and the grade of K will appear

For universities outside Quebec, it is your responsibility to ensure that the host institution sends an official transcript to the student affairs office. You must submit all documents required for approval of your transfer of credits with your faculty at McGill within four months of completing your exchange program or study away. If you are studying at another Quebec university on an Inter-University Transfer (IUT) agreement, the host university sends your grade(s) to McGill automatically. For additional information, see [section 3.3: Quebec Inter-University Transfer Agreement: McGill Students](#).

Transcripts for transfer courses must meet the following deadlines:

Graduation Term	Convocation
April 30, if your term of graduation is Winter	Convocation in Spring
September 15, if your term of graduation is Summer	Convocation in Fall
January 15, if your term of graduation is Fall	Degree granted February, Convocation in Spring

Transcripts not received by the appropriate date are considered for the next graduation period only.

Note for Law students: In the Faculty of Law, a maximum of 15 transfer credits may be granted. To receive more than 15 transfer credits, you must obtain special permission from the Assistant Dean (Student Life and Learning).

5.6 Verification of Student Record

5.6.1 Verification of Student Records: Unofficial Transcripts

Subject to [section 5.7: Changes to Student Records after Normal Deadlines](#), you are responsible for verifying your academic record on Minerva using the unofficial transcript to ensure that you are registered in the proper courses, and that the correct program information and expected term of graduation appear on your record.

If you are graduating, verify your record on Minerva before the end of your final term to ensure that the correct expected graduation term appears on your unofficial transcript; if not, you may be overlooked for graduation. You should direct any questions or problems with your record to your student affairs office.

5.7 Changes to Student Records after Normal Deadlines

Student Record Changes

Student record changes include the following: course add or course drop, course withdrawal, university withdrawal, program change (including changing minors or concentrations).

Registrar Deadlines

Fall term - January 31

Winter term - June 1

Summer term - October 1

Before Registrar Deadlines

For record changes after the normal deadlines published in this publication, but before the Registrar deadlines listed in *Registrar Deadlines*, you must make a request in writing to your Associate Dean or Director, clearly explaining why you could not request the change before these dates. The Associate Dean or Director will review your request and make a decision. If your request is approved, the change is processed according to existing faculty and Enrolment Services student record procedures.

After Registrar Deadlines

The University does not normally consider a change requested after the Registrar deadlines listed *Registrar Deadlines*. In situations where there are "extraordinary personal" or "extraordinary academic" circumstances that could not have been foreseen prior to these deadlines, you may formally request a student record change from your Associate Dean or Director. If your Associate Dean or Director approves the request, the change will be processed according to faculty and Enrolment Services student-record procedures. For all changes other than grade changes, the faculty will file full documentation that supports the extraordinary circumstances with Enrolment Services.

Fee Assessment Consequences

When a change to your student record is made, the revised fee assessment appears on your next fee statement.

For Information on our current course numbering, see [section 3.2.1: Course Information and Regulations: Course Numbering](#).

6 Examinations

6.1 Examinations: General Information

In addition to the general examination policies listed here, you should consult the faculty sections of this publication for particular regulations. You will be informed by the end of the Course Change period of the evaluation method used in each course.

Every student has a right to write term papers, examinations and theses in English or in French except in courses where knowledge of a language is one of the objectives of the course.

You are not permitted to write an examination in any course unless you have fulfilled the requirements of the course to the satisfaction of the instructor and your Associate Dean or Director. Once you have presented yourself for an examination or test, you must submit all written work to the invigilator before leaving.

You must have your valid McGill student ID card with you to write an examination. Forgetfulness is not an acceptable excuse.

You are reminded that cheating in any examination is considered a serious offence that could lead to expulsion from the University. Students are not permitted to have in their possession, or to use, any unauthorized materials during an examination. This includes electronic devices such as cellphones, iPods, MP3 players, PDAs and other web-access devices. Unauthorized items found on the student or desk area during an exam will be confiscated and turned over to the Disciplinary Officer.

Responses on multiple-choice examinations are normally checked by the Exam Security Computer Monitoring Program. The program detects pairs of students with unusually similar answer patterns on multiple-choice examinations. Data generated by the program can be used as admissible evidence either to initiate or corroborate an investigation or a charge of cheating under Section 16 of the *Code of Student Conduct and Disciplinary Procedures*.

All students are responsible for knowing the University Examination Regulations and the *Code of Student Conduct and Disciplinary Procedures*. The regulations are normally posted during the examination period and are available at the following website: www.mcgill.ca/student-records/exam/regulations. Both may be obtained from your student affairs office.

You can find information about issues related to academic integrity at www.mcgill.ca/integrity.

Class Tests

Members of the teaching staff may give interim class tests from time to time.

Special Examination Facilities for the Disabled

a cot in a room

If you have a visual or other disability, consult the Coordinator, Office for Students with Disabilities, about the possibility of arranging special examination facilities.

Credit by Examination

In certain exceptional cases and in certain faculties, you can apply to the Associate Dean or Director to write a final examination in order to obtain credit in a course that you were not re

1. to protect students from excessive workloads;
2. to use the full 15-week term to maximum advantage.

Regulations

1. These regulations shall apply to undergraduate courses up to and including the 500 level that are evaluated by the use of written examinations. They shall not apply to clinical, field, laboratory, performance, and seminar courses, or to other courses that are evaluated solely by means of a design, paper, program, or project.
2. Written examinations (including take-home examinations) shall not be held during the last two weeks of scheduled classes during the F

6.2.4 Final Examinations: Reassessments and Rereads

In accordance with the *Charter of Students' Rights*, and subject to its stated conditions, you have the right to consult any written submission for which you have received a mark. You also have the right to discuss this submission with the examiner. If you want to have a formal final examination reread, you must apply in writing to your student affairs office (the Associate Dean, Student Affairs, in the Faculty of Agricultural and Environmental Sciences and in the Schulich School of Music). You should check with that office regarding application deadlines for formal rereads.

6.2.5 Examinations: Invigilation (Exams from Other Universities)

Upon request, McGill will act as proctor for exams from other universities or professional accreditation associations. Exams are scheduled on week days at 9:30 a.m., and cannot be scheduled on evenings, weekends, statutory holidays or McGill holidays. This service is limited to written exams.

The Cost

The cost for invigilation and administration is \$60.00 per student per exam to be returned in Canada; and \$70.00 per student per exam returned in the U.S. and \$80.00 for each International exam. Unless otherwise specified by the home institution, you are expected to pay in cash on the day of the exam.

Setting Up

Please confirm the exam date at least 2 weeks in advance of the scheduled exam and provide a telephone number and email address. The meeting point with the invigilator is at Enrolment Services - see address below.

Mailing address for exams

Exams and examination booklets, along with full instructions, should be sent to the address below well in advance of the scheduled exam. Once we receive them, we will confirm this via email with the student.

Note for transfer students: this designation may be withdrawn if your CGPA at another university or in another faculty at McGill is not comparable to the CGPA earned in your graduating faculty.

The minimum CGPA required to graduate is 2.00.

McGill Residences house approximately 2,500 undergraduate students in dormitories, apartments, and shared-facilities houses. McGill's dormitories are primarily for first-year students and feature full meal service. McGill's apartment-style residences and shared-facilities houses are mainly for first-year students who desire a more independent residence lifestyle.

Trained upper-year student leaders (Floor Fellows) and

12.1.1 Dormitory-style Residences

McGill has eight dormitory residences:

- The four co-ed Bishop Mountain Residences (Gardner, McConnell, Molson and Douglas Halls) are located on the slope of Mount Royal and overlook the campus.
- Royal Victoria College (RVC) is an all-women's residence located one block from the McGill gates.
- The co-ed New Residence Hall is located five short blocks from the campus.
- Dio and Prez Rez are co-ed dorms located directly across from the Milton Gates to campus.

Each residence has access to multiple cafeterias and provides compulsory full meal service for all dormitory residents.

Rooms at the Bishop Mountain Residences, Dio and Prez Rez and RVC are mostly single occupancy. New Residence Hall has mostly double rooms. Each student gets a bed, desk, chair, dresser, closet and small fridge (one fridge per double room).

In all halls, residents are responsible for the cleanliness of their rooms. Common bathrooms and showers are located on each floor, except in the New Residence Hall, where there is a private bathroom within each room. Each hall has a laundry room, including card-operated washers and dryers, and ironing facilities. All halls have a TV and recreation room, pay telephones, and a small storage area for suitcases, ski equipment, etc.

12.1.2 Apartment-style Residences

Solin Hall is a modern, award-winning apartment-style residence that has two-, three- and four-bedroom apartments. Located four Metro stops west of the main campus, Solin features large common areas (TV and games rooms) and a computer lab, and houses mostly first-year students. Each apartment has a living room, dining room, kitchen and bathroom(s), with basic furniture such as stove, fridge, table, chairs, sofa, lamps and drapes. Bedrooms have a bed, desk, chair and dresser. All apartments and public area floors are carpeted. Shopping areas are within walking distance. Limited indoor parking is available.

The Greenbriar Apartments residence is located one block from the campus. It houses mostly first-year undergraduate students in self-contained studio and double-occupancy, one-bedroom apartments. Apartment kitchens have a stove, fridge and sink, and bedrooms have a bed, desk, table, chairs, dresser and blinds.

Although these residences do not offer meal plans, they do offer a small storage area for suitcases, ski equipment, etc.

12.1.6 Student Government

Each hall has a Residence Council, elected at the start of the academic year. It is the job of the council to gather hall opinions, supervise financial affairs, and organize sports, recreational, and social activities within the residences. McGill's residences are run for the convenience and advantage of the students living in them.

Note: Non-resident students cannot stay overnight in any residence without permission of the Campus Housing Office.

12.2.4 Student Parking – Macdonald Campus

You need a permit to park a vehicle on Macdonald Campus, provided you observe the parking regulations and other applicable rules. You can obtain a permit from the Campus Security Office, Laird Hall, Room 101, during regular office hours.

giving occasional lectures in law within the Faculty of Arts since 1844. Due to this request, the Board of Governors of McGill formally established a program of instruction in law on July 15, 1848.

In 1852, the Governors decided to establish a separate Faculty of Law. When the new Faculty was formally constituted in 1853, William Badgley was appointed Dean.

Until the early 20th century, McGill remained predominantly a civil law faculty

The New McGill Curriculum

In 1998, the Faculty adopted a creative and challenging approach to legal education that prepares McGill graduates for careers that increasingly require knowledge of more than one legal system. Starting in first year, you are introduced to civil law and common law concepts and encouraged to compare and critically evaluate the two traditions. This unique curriculum is entirely different from the “three-plus-one” programs offered by other law faculties. McGill’s transsystemic method fosters not only outstanding analytical ability, but also critical reflection and openness to diverse approaches to legal problems.

The program’s structure ensures that you are well grounded in the fundamental legal concepts of the civil law and the common law, in courses specific to each tradition. The comparci

21 Faculty Governance and Academic Regulations

21.1 Faculty Council

As the delegate of the Senate of McGill University, the Faculty Council is the principal academic policy-making body within the Faculty of Law. It has either direct or advisory authority over all matters relating to undergraduate admissions, curriculum, examinations, graduate studies, library and staff appointments. The Faculty Council operates through a committee system and meets on average once per month during teaching terms.

Faculty Council is composed of all members of the full-time teaching staff and enough undergraduate and graduate students to constitute one-fifth of its total membership. When considering the admission, evaluation and standing of students, and when dealing with the recruitment and terms of contract of members of the academic staff, the Faculty Council is composed solely of members of the full-time teaching staff.

21.2 Outline of Academic Regulations

Academic standing is determined under a credit system as set out in the Faculty Academic Regulations contained in the *Registration Materials* published each academic year. This publication, which is posted on the Student Affairs Office website, <http://www.mcgill.ca/law-studies/courses>, prior to registration opening on Minerva in May, contains the detailed Regulations for the McGill Program. The Faculty is also governed by the University Code of Student Conduct and Disciplinary Procedures, found in McGill's *Student Handbook of Rights and Responsibilities*.

Academic Requirements

To be eligible for a Faculty degree, you must complete the required number of credits for that degree within five years of your initial registration in the program, unless you have been granted a leave of absence by the Dean or the Dean's delegate (Regulation 5), or unless you have received permission to pursue your degree on a part-time basis (Regulation 53).

You are not permitted to be enrolled concurrently in a Faculty of Law program and the professional training program of any Bar, whether this program consists of a course of lectures or a period of articling (Regulation 4).

Full-time students at the Faculty must register for at least 12 credits each term, with the exception of your final term, if fewer credits are required to obtain your degree (Regulation 3). You will not receive credit for any course taken to fulfil the requirements of any other degree (Regulation 10).

You should anticipate at least two hours of directed study for every hour of lecture. In addition, you are obliged to write essays, attend seminars, participate in the Legal Methodology Program, and fulfil all other Faculty requirements. You are expected to devote your whole time to your legal studies, and must not undertake other studies during the academic session without prior approval of the Dean or the Dean's delegate.

The Faculty generally follows the University Examination Regulations, and evaluates all students anonymously (Regulations 19 and 22). Examinations and other assignments may be written in either English or French. Examinations are set in the language in which a course is given, but may contain materials in either French or English (Regulation 20).

If you do not pass a session, you will be required to withdraw from the Faculty, subject to your right to apply for readmission to the Faculty (Regulations 49 and 50). See <http://www.mcgill.ca/law-studies/policies/standing/> for information regarding Academic Standing.

21.3 Changes in Regulations

This publication and the Faculty Regulations in force govern students registered in the Faculty of Law during the 2009–10 academic year. As well, you are subject to changes published in this publication from time to time within the Faculty before Fall registration.

These Regulations, and all others under which the curriculum is administered, are subject to change at any time.

22 Endowment Funds and Special Projects

Alan Aylesworth Macnaughton Endowment for Canadian Legal Materials - The late Senator Alan A. Macnaughton created an endowment for the McGill Law Library, the income to be used to buy legal materials. Senator Macnaughton was a Speaker of the House of Commons, Founder and Honorary Chairman of the Canadian World Wildlife Fund, Counsel at Martineau Walker, and a member of the Faculty of Law Advisory Board.

John P. Humphrey United Nations Collection Endowment - In 2003 the Law Library received a legacy of \$330,000 from the estate of John Peters Humphrey, B.Comm.(1925), B.A.(1927), B.C.L.(1929), Ph.D.(1945). The endowment is to purchase material on the United Nations, with a special emphasis on Human Rights.

A.H. Mettarlin Endowment - In 1987 the Law Library received a legacy of \$375,000 from the estate of Aaron H. Mettarlin, B.C.L.(1926), a leading notary in Montreal for over fifty years. The Mettarlin Endowment is used to purchase books and serials relating to the basic undergraduate collection in the Law Library.

Other Library Endowments - Annual gifts from graduates and friends of the Faculty contribute significantly to the development of the library collections. For example, as a 25th Anniversary Project the Class of 1969 raised funds to substantially expand the Library's network capabilities providing greater access to a variety of information in electronic form. In addition, the Library has received a number of special endowments over the years which include such funds as the F. R. Scott Endowment in Constitutional Law, the International Law Endowment Fund, the Law Library Serials Endowment, and the Marlene and Joel King Fund for Jewish Law.

22.1 Wainwright Fund

The Wainwright Fund was established in 1973 from a legacy to the Faculty by Arnold Wainwright, Q.C.(1879-1967), B.A.(1899), B.C.L.(1902), D.C.L.(1963).

This eminent Canadian advocate, who practised for over fifty years at the Bar of the Province of Quebec, had a long association with legal studies at McGill University. He obtained his Bachelor of Civil Law degree in 1902 and was awarded the Elizabeth Torrance Gold Medal and the Macdonald Travelling Scholarship. In 1909 he joined the teaching staff of the Faculty as a part-time Lecturer in Civil Law; in 1921 he was promoted to the rank of Professor. His merits as a teacher of the Civil Law for over twenty-five years were recognized by the University in 1934 when it named him, upon his retirement, Emeritus Professor. The degree of Doctor of Civil Law honoris causa was conferred upon him in 1963.

The bequest of the residue of his estate, now valued at over \$1,000,000, to McGill University for the use of the Faculty of Law made possible the founding of undergraduate scholarships in law, the enrichment of the Law Library, the creation of the Wainwright Fellowships, and the inauguration of the Wainwright Lectures. These have been organized to promote the scholarly study of law and, in particular, the Civil Law of Quebec, which always remained, throughout his long and distinguished career, the abiding interest of this generous friend and much valued colleague of the McGill Faculty of Law.

Wainwright Fellowships

Since the establishment of the Wainwright Fund, the Faculty has appointed a number of Wainwright Junior Fellows, many of whom are now holding professorial positions in Canadian law faculties. In 1986 the Faculty welcomed its first Wainwright Senior Research Fellow, the Honourable Albert Mayrand, retired Justice of the Quebec Court of Appeal. The current Senior Research Fellow is the Honourable Charles Gonthier, retired Justice of the Supreme Court of Canada. There are also two Wainwright Senior Fellows in residence at the Faculty: Madeleine Cantin-Cumyn and Adrian Popovici.

Wainwright Research Grants

Each year, the Wainwright Committee grant research funds to McGill professors for the purpose of hiring McGill law students as research assistants in the field of Civil Law.

Wainwright Lectures

Commencing in 1975 the Wainwright Committee has sponsored a series of scholarly lectures on the Civil Law

To date the Faculty has welcomed Boulton Junior Fellows from the United Kingdom, France, Australia, Japan, China and Canada. Former Fellows are now teaching law on three continents.

22.7 Endowed Lectures

In addition to the Boulton and Wainwright Lectures, the Faculty hosts two alumni lectures each year. Endowments from the Class of '75 and the Class of '77 on their 10th anniversary reunions fund public lectures by leading scholars each term. The inaugural Class of '75 Lecture was delivered in 1987 by Paul Craig of Oxford, and the initial Class of '77 Lecture was delivered in 1988 by Martha Minow of Harvard. The Alan Aylesworth Macnaughton Lecture Sponsorship Fund sponsors, at least once every two years, a lecture on a subject of general interest to the public or student body. This fund was endowed thanks to a gift from Alan A. Macnaughton, Q.C., B.A. '26, B.C.L. '29, LL.D. '92.

22.8 International Human Rights Law Program

The International Human Rights Law Program seeks to continue the legacy of former McGill professors and deans Percy Corbett, John Humphrey, F. R. Scott and Maxwell Cohen. Its goal is to provide focus to research and scholarship in human rights law at the Faculty through the Centre for Human Rights and Legal Pluralism, which operates a network of teaching, course concentration, research, publication, advocacy training, public education, seminars, public lectures and symposia, and the graduate program in human rights law.

The Program co-sponsors four Human Rights Lectureships of international reputation. The lectureships honour persons who have shown by word and deed how one person can make a difference, and are given by individuals who have helped to advance the cause of human rights and human dignity. Lecturers have included Natan Sharansky, who inaugurated the Lectureship in his name; John Humphrey, who inaugurated the John Humphrey Lectureship in Human Rights on the eve of the 40th anniversary of the Universal Declaration of Human Rights; Nobel Peace Laureate Elie Wiesel, who inaugurated the Raoul Wallenberg Lectureship in Human Rights; and Madame Justice Claire L'Heureux-Dubé of the Supreme Court of Canada who inaugurated the René Cassin Lectureship in Human Rights. The distinguished lecturers who have given the lectureships include Father Robert Drinan, Javier Perez de Cuellar, Alan M. Dershowitz, Richard Goldstone, Martha Minow, Bernard Kouchner, Beverly McLachlin, Stephen Lewis and Philippe Kirsh.

22.9 McGill Law Journal/Revue de droit de McGill

The *McGill Law Journal* (MLJ), founded in 1952, is a professional journal published by students of the Faculty of Law. Its purpose is to promote the study of the law in Canada and to help in the understanding of the civil law and common law systems. It publishes articles in both French and English.

The Journal also publishes the *Canadian Guide to Legal Citation*, which has been adopted by many leading legal periodicals in several countries. Each year it also organizes the McGill Law Journal Alumni Lecture. The McGill Law Journal Trust funds both these activities.

22.10 McGill Journal of Law and Health/Revue de droit & santé de McGill

The *McGill Journal of Law and Health* (MJLH), formerly the McGill Health Law Publication (MHLP), is a student-run, on-line endeavour sponsored by the Faculty of Law at McGill University. The MJLH is an interdisciplinary project consisting of a peer-reviewed anthology featuring scholarly contributions by renowned academics and practitioners alongside an organic on-line database—a resource of recent developments in the field of health law. Both components aim to inform the vital public debate surrounding health, public policy and ethics and to critically explore the nexus of health and law in a transsystemic framework. The MJLH is an open-access journal that is available on our website <http://mjhl.mcgill.ca> free of charge, and is available on Quicklaw, WestlaweCarswell, and HeinOnline.

22.11 McGill International Journal of Sustainable Development Law and Policy/Revue internationale de droit et politique du développement durable de McGill

The *McGill International Journal of Sustainable Development Law and Policy* (JSDLP) provides a forum in which the world's leading scholars exchange ideas on the intersection between law, development, the environment, economics, and society. Over the past quarter-century, determining how to enrich our world in a more sustainable fashion has become an imperative, especially given the impact of development on the environment and human rights. Despite this pressing need for new ideas, there are few outlets for informed and focused commentary on sustainability, particularly in Canada. In response to this void, students at the Faculty of Law of McGill University have established the JSDLP, a student-run, peer-reviewed academic journal.

22.12 Visiting Scholars Program

The Faculty invites several distinguished legal scholars to spend a few days at McGill to participate in the intellectual life of the Faculty and to present at least one major address. Recent visitors from leading Canadian, American, English and French law faculties have included Professors Ernest Weinrib of the University of Toronto; Alain Prujiner of Laval; Sally Falk Moore thanks to a gift from g7.0 86.08 Tr71 0 316.080 1 116.34Sh 0 1 342.996 415.2Tm(alk MoorVruji871.622

In 1994, the Faculty inaugurated the McGill Lecture in Jurisprudence and Public Policy. The first two distinguished speakers were Professors Ronald Dworkin and Luc Ferry.

22.14 Annie Macdonald Langstaff Workshops

These workshops provide a forum for the presentation of scholarly research and practical insights by academics, judges, lawyers and community activists on legal issues relating to inequality, social diversity and access to justice. They are named in honour of Annie Macdonald Langstaff, who, despite being the first woman to graduate from the McGill University Faculty of Law in 1914, was denied the right to practise law in Quebec because of her gender.

Opened in 1998, the Library is a state-of-the-art facility with a collection of over 185,000 volumes of statutes, regulations, law reports, treatises, journals, and other legal material. In addition to Canadian law, the collection focuses on air and space law, comparative law, private and public international law, human rights law, jurisprudence and international trade law. 28 Research Centres

Three research institutes are affiliated to the Faculty of Law: the Institute of Comparative Law (ICL); the Institute of Air and Space Law (IASL); and the Institute for European Studies (IES).

The Faculty of Law also supports five semi-independent research centres:

- the Centre for Human Rights & Legal Pluralism;
- the Centre for Intellectual Property Policy;
- the Centre for Medicine, Ethics and Law, co-sponsored with the Faculties of Medicine and Religious Studies;
- the Centre for Research of Air and Space Law;

28.2 Centre for Intellectual Property Policy

This Centre was founded in 2003 under the auspices of the Faculty of Law. The goal of the Centre is to explore new perspectives on intellectual property. Researchers affiliated with the Centre come from a variety of disciplines such as law, management, philosophy, ethics, science, and economics. They study how governments, researchers and industry manage new and old technologies, and balance the concerns of technology users, technology creators and citizens. The Centre also regularly holds conferences and workshops on a variety of topics related to intellectual property and innovation.

28.3 Centre for Medicine, Ethics and Law

This Centre was founded in 1986 by the faculties of Medicine, Religious Studies and Law, with subsequent participation by the Department of Philosophy. Its mission is to undertake and promote transdisciplinary research, teaching and community involvement in a broad field that includes health law and bioethics. The Centre's members are involved in a wide variety of activities including clinical and research ethics consultations to McGill teaching hospitals, governments and other institutions. Graduate students can undertake their Master's studies in law through the Master's Specialization in Bioethics in which Centre members, from the participating faculties including the Faculty of Law, act as thesis supervisors.

28.4 Centre for Research of Air and Space Law

This Centre is the principal research and educational outreach arm of McGill's Institute of Air and Space Law (established in 1951), which provides the core degree-granting educational program. The Centre for Research of Air and Space Law produces research, publishes books and other literature, and offers educational products around the world. Since its birth, the Centre has published numerous monographic studies, symposia proceedings, reports and books, and has produced workshops, seminars and conferences in Montreal and various international venues. In recent years, Centre researchers have undertaken studies addressing the following topics:

- International Aviation Policy
- Peaceful and Military Uses of Outer Space
- Assessing Outer Space Security
- Outer Space Resources
- Governance of Commercialized Air Navigation Services
- International Air Carrier Liability

Since 1976, the Centre for Research of Air and Space Law has published the *Annals of Air and Space Law*, a specialized journal devoted to promoting scholarship in the field of air and space law. Published every year as a hard-cover book, the *Annals of Air and Space Law* is among the premier periodicals in its field. The Centre has also published several other books and reports in recent years, and held seminars and conferences in Montreal, Bogota, Dubai, Macau, New Delhi, Brussels and Abu Dhabi.

28.5 Research Centre of Private and Comparative Law

The Centre of Private and Comparative Law was founded in 1975 to promote research in the field of private law from a jurilinguistic and comparative perspective. The Centre has produced historical and critical editions of the Civil Codes and a multi-volume Treatise of Quebec Civil Law. The Centre has also published a series of volumes making up the Private Law Dictionary / Dictionnaire de droit privé, along with associated bilingual lexicons; these are world-renowned authorities on the vocabulary of the civil law in English and French. The Centre sponsors the Civil Law Workshops at the Faculty which are designed to explore the foundations of the civil law tradition. It also serves as the focus for research relating to the Faculty's ground-breaking program of transsystemic legal education.

29 Overview of Undergraduate Degrees Offered

29.1 The McGill B.C.L./LL.B. programs

The Faculty of Law's unique integrated programs leads to graduation with both civil law and common law degrees (B.CL./LL.B.).

McGill Law students are introduced to "transsystemic" teaching in the first year of the programs; fundamental concepts of the civil law and common law traditions are studied within a single course. This unique method of instruction fosters analytical ability, critical reflection and openness to diverse approaches

to legal problems. Students in the McGill programs must complete 105 credits. Most students take three-and-a-half or four years to complete the programs.

and French, and a number of upper-year courses are offered in one language only. While examination questions are set in the language in which a course is given, any examination may contain extensive passages in either French or English.

In order to get a sense of the level of reading comprehension that is expected of McGill Law students, candidates are encouraged to visit the website of the [Supreme Court of Canada](#) and to read judgments in English and in French.

Candidates intending to proceed to the Bar of Quebec or the Board of Notaries of Quebec should carefully review

in a given year. A mature applicant is normally expected to have completed CEGEP or two years (60 credits) of university studies. Mature applicants who are regarded as potentially admissible following a review of their file are required to attend an interview.

Mature candidates who will have graduated with a Diploma of Collegial Studies (D.C.S.) from a CEGEP during the same calendar year as that of registration, must apply under the CEGEP category.

In addition to all official post-secondary transcripts, mature applicants are required to submit a detailed resumé of their non-academic experience along with letters of assessment from persons who are familiar with their academic potential. The candidate should seek to demonstrate his or her ability to meet the demands of law studies, to reason and analyze, and to express him- or herself well both orally and in writing.

30.2.6.3 CEGEP and Quebec French Baccalaureate Applicants

Candidates may apply on the basis of a Diploma of Collegial Studies (D.C.S.) from a CEGEP, or a Quebec French Baccalaureate (Q.F.B.). This category includes candidates who will have completed up to one year of university studies in addition to the D.C.S. or Q.F.B. at the time of registration, and mature candidates who will have graduated with a D.C.S. from a CEGEP or Q.F.B. during the same calendar year as that of registration.

Candidates who will have completed a French Baccalaureate or an International Baccalaureate Diploma outside the province of Quebec, must have completed a minimum of two years of full-time university studies (60 credits), at the time of registration, to be eligible to apply to our program.

30.2.6.4 Advanced Standing Students

Applicants who hold a law degree from a Canadian or foreign university recognized by McGill must apply for admission to the B.C.L./LL.B. program under the Advanced Standing category, unless applying under the Comité des équivalences category (see [section 30.2.6.6: Comité des équivalences](#)). There are a limited number of places available for Advanced Standing applicants. Applications are evaluated using the same criteria as applications to the first year of the B.C.L./LL.B. program, with particular attention to performance in law studies.

Successful applicants must complete a minimum of 75 credits at McGill and undertake the integrated B.C.L./LL.B. program. It is not possible to obtain either the B.C.L. or the LL.B. degree on its own. The Associate Dean (Academic) determines equivalences for previous studies.

Note: Advanced-standing candidates applying from the French educational system must have obtained a license (licence en droit) in order to be eligible; candidates holding only a D.E.U.G. are not eligible.

30.2.6.5 Transfer Students

Students who have successfully completed at least one full year of studies in an undergraduate program at another Canadian law faculty may apply for admission as a Transfer Student. There are a limited number of places available for Transfer Students. Transfer applications are evaluated according to the criteria for admission to the first year of the B.C.L./LL.B. program. Particular attention is paid to performance in law studies and reasons for requesting a transfer.

Successful Transfer applicants must complete a minimum of 75 credits at McGill. The Associate Dean (Academic) determines credit for previous studies. In most cases, Transfer Students will be required to take the transsystemic first-year courses – Contractual Obligations and Extra-Contractual Obligations/Torts – in order to meet McGill's degree requirements. Candidates will not receive credit for courses in obligations, contract or tort taken during a first year completed at another faculty.

- Transfer students should forward official transcripts of Winter term results as soon as they become available. Transfer applications cannot be evaluated without these results.
- Candidates who have completed a certificate in law are not eligible to apply under the Transfer category, but must apply to the degree program.
- Students who are not in good standing or who have been required to withdraw at the end of their first year at another Canadian law faculty are not eligible to transfer to McGill.

30.2.6.6 Comité des équivalences

The Faculty accepts applications from candidates who hold a law degree from a Canadian or foreign university and who are seeking to fulfil the requirements of the *Comité des équivalences* of the *Barreau du Québec* or of the *Chambre des notaires*, in order to practice in Quebec. Successful applicants must have the final decision of the *Comité des équivalences* or the *Chambre des notaires* in hand at the time of registration.

- This is a **non-degree program**: students wishing to obtain the B.C.L./LL.B. degrees should apply under the [section 30.2.6.4: Advanced Standing Students](#) category.
- The Faculty does not consider candidates applying to fulfill the requirements of the National Committee on Accreditation.
- Courses taken by *Comité des équivalences* / *Chambre des notaires* Students cannot be credited toward a McGill law degree.

30.2.6.7 Visiting Students (Letters of Permission)

Students who have completed two years of studies at another law faculty who wish, for academic or personal reasons, to spend a term or a year at McGill may be admitted as a Visiting Student. In order to be admitted as a Visiting Student, a candidate should have completed at least two years of study at another law school and obtained a letter of permission from their home university. The Faculty endeavours to accommodate qualified students who are in good standing in their own faculties, where student numbers at McGill permit.

Students from other law faculties who would like to attend McGill as a Visiting Student must apply through the Admissions Office. The Assistant Dean (Student Life and Learning) makes decisions on these applications. Accepted students must arrange their academic program with the Associate Dean (Academic). Courses taken by Visiting Students cannot be credited toward a McGill law degree.

30.2.6.8 Incoming Exchange Students

Students registered in degree programs in law at universities that have an official exchange agreement with McGill University or with the Faculty of Law may apply as Exchange Students. In addition, McGill participates in a number of exchange programs through CREPUQ (la Conférence des Recteurs et Principaux des Universités du Québec). *McGill's exchange partners* are listed on McGill University's website.

Students participating in an exchange must fill out the on-line application form. There is no application fee for these candidates.

Exchange Students are selected and officially nominated by their home universities. Please note that home university internal application deadlines may vary. McGill considers applicants on an individual basis; the minimum entrance requirement is generally a cumulative B average or its equivalent. Decisions on applications for exchange are made by the Assistant Dean (Student Life and Learning). Admission decisions on exchange applications are final; there is no appeal process.

The Faculty has a limited number of places for Exchange Students, and entrance into courses which have enrolment limits or require the permission of the instructor is not guaranteed.

Note: Courses taken by Exchange Students cannot be credited toward a McGill law degree.

30.2.6.9 Special Students

The Faculty will exceptionally permit a limited number of candidates not actively pursuing a law degree to apply as Special Students. Students registered in other universities, and candidates not actively pursuing a university degree, may apply to take certain courses within the Faculty.

Special Student status will be granted to applicants who provide compelling academic or professional reasons for taking law courses and who successfully demonstrate the capacity to undertake the requirements of the requested course(s). Status will be granted only where sufficient course space is available.

Special Students are limited to a maximum of 6 credits per term, and to 12 credits in total.

Important information about this category:

- McGill students registered in a faculty other than law, who, for exceptional reasons related to their program of study, wish to enroll in a Faculty of Law course, must obtain the permission of the Associate Dean (Academic) and the course instructor. Such students need not fill out the online application. The "Application to register in law courses for McGill Students" is available on the [Law Student Affairs Office](#) website.
- Courses taken by Special Students will not be credited toward a McGill law degree.
- Students wishing to obtain a McGill law degree and students recently refused admission to a degree program in the Faculty of Law will not be admitted as Special Students.
- The Faculty does not consider Special Student applications from candidates seeking to fulfill the requirements of the National Committee on Accreditation.

Your referees should enclose the signed letter in an envelope, seal the flap of the envelope, **and sign their name across the flap**. The referee should then return the envelope to the applicant, who will then send it to the Law Admissions Office. Referees may also forward letters directly to the Law Admissions Office.

Letters may be sent electronically (*via e-mail*) and will be accepted if sent by University Career Centres, Electronic Portfolio Management Companies and other document storage services. Letters sent electronically must meet the following conditions:

1. The e-mail communicating the electronic letter must be sent from a valid institutional or corporate e-mail address (domain). Electronic letters sent from public domain addresses such as Hotmail, Gail, Yahoo Mail or Videotron cannot be accepted.
2. The electronic letters must be specific as to which program the student has applied and include information that would aid an admissions committee in making an informed decision.
3. The electronic letter must be dated and must not be more than 12 months old.
4. The referee must indicate his/her position and full contact information at the institution.
5. Electronic letters sent from a Career Centre or Portfolio Management Company must state that the letters are confidential.

Letters of reference must be written on official letterhead. If this is not possible, the reason(s) should be indicated by the referee in the letter of reference. For hard-copy letters submitted on official electronic letterhead with an electronic signature, the letter must conform to conditions 1) through 5) (above) and must also be sent in an envelope sealed by the referee.

1. The Admissions Office does not accept letters of reference by fax.
2. If the letter does not meet our requirements, the message "**Contact us!**" will be posted on Minerva.
3. While two letters of reference are required, the file of a candidate who indicates three referees will be considered incomplete until all three letters of reference have been submitted to the Admissions Office. A candidate who indicates three referees must advise the *Faculty of Law Admissions Office* **in writing** if they subsequently decide that they would like their candidacy to be considered on the basis of two references.

30.2.8.5 Law School Admission Test (LSAT)

Applicants are not required to take the LSAT. However, if a candidate has taken or will be taking the LSAT, the score will be reviewed by the Admissions Committee. Applicants who have taken or will be taking the test **must** report the date(s) of sitting(s) and provide their LSAT identification number in the appropriate places on the application. They must do so irrespective of whether the LSAT may, in their own estimation, strengthen or weaken their candidacy.

Consequences of Failure to Disclose

The Faculty of Law may revoke an offer of admission or cancel an application at any time for material misrepresentation, including omissions, in an application. Although the LSAT is not a mandatory element in an application for admission, every applicant who has taken or will be taking it must disclose the result and failure to do so is a material misrepresentation. The Admissions Office conducts random verifications for LSAT scores throughout the admissions process and a systematic verification with respect to candidates who receive an offer of admission. These verifications have, in the past, resulted in the revocation of offers of admission.

Processing of LSAT Results

The Admissions Office obtains test results directly from the Law School Admission Services. Applicants whose service with the Law School Admissions Council has expired must reactivate their service in order to enable the Admissions Office to obtain their LSAT score.

We recommend that candidates write the LSAT by December of the year prior to the year for which they seek admission. Candidates who register for the December LSAT should be aware that consideration of their file will be delayed until receipt of the score. Candidates who register for the February LSAT risk that, by the time the Committee reviews their application, there will no longer be places to offer, even if the Committee wishes to admit a student.

McGill University does not administer the LSAT. Applicants who wish to register for the LSAT must do so directly with *Law School Admission Services*.

The full listing of bilateral partners can be found at www.mcgill.ca/studyabroad.

31.1.1 CRÉPUQ Exchanges

32.4 B.C.L. and LL.B. with Major Concentration - International Human Rights and Development (123 credits)

The B.C.L. and LL.B. with a major concentration is open to all students enrolled in the Faculty of Law.

The Major Concentration in International Human Rights and Development is articulated around a synthetic skill-set driven by the transversal theme "International Human Rights and Development" and inspired by an interdisciplinary approach.

Law and non-law courses are combined with the practical experience acquired during an internship. The required writing of an independent essay allows students to integrate the various academic and clinical strands of the major program, and, more broadly, of legal learning.

The major concentration is a 36-credit program. Students are permitted to include within their 105 credits for the B.C.L. and LL.B. 18 credits toward their major concentration. The remaining 18 credits needed for the major concentration are added on top of the 105 credits for the Law degrees for a total of 123 credits.

Graduate students in Law at McGill have one thing in common: a sharp curiosity to explore ideas and projects in an en

The Institute of Comparative Law

The Institute operates within the Faculty of Law as a centre of comparative legal studies. It accommodates national, international and transnational studies, and encourages openness to diverse legal cultures in teaching and research. The Institute offers the degrees of Master of Laws (LL.M.) and Doctor of Civil Law (D.C.L.), and a Graduate Certificate in Comparative Law.

36 Graduate Admission Requirements

General

The Graduate Admissions Committee of the Faculty of Law reviews applications and makes recommendations regarding admission to Graduate and Postdoctoral Studies (GPS), which makes the final admissions decisions.

For information and application forms, please consult the Faculty website www.mcgill.ca/law-admissions/graduates/admissions or contact the Graduate Programs Office in Law, McGill University at the address in the *Location* section of this publication, or via email at <mailto:grad.law@mcgill.ca>, and telephone 514-398-6635.

Language Requirement

Graduate-level courses are generally offered in English, and English-language abilities must be demonstrated for admission. In order to communicate fully with all law students at McGill, and to understand all course materials, the ability to speak and read French is an asset. At McGill's Faculty of Law, all students may choose to write essays, examinations and theses in English or French.

Applicants to graduate studies whose mother tongue is not English and who have not completed an undergraduate or graduate degree from a recognized foreign institution where English is the language of instruction or from a recognized Canadian or American (English or French) institution, must submit documented proof of competency in oral and written English. **Before acceptance**, appropriate exam results must be submitted directly from the TOEFL, IELTS, MELAB, ESOL, or EDEXCEL Offices. An institutional version of the TOEFL is not acceptable. F

Review of the completed Master's thesis is normally part of the admission decision-making process. Exceptionally, a candidate with a non-thesis masters' degree with an outstanding file may be admitted to the doctoral program.

Master's Degrees

Candidates for admission to the LL.M. program must hold a Bachelor of Laws (LL.B.) degree, or its equivalent, with at least Upper Second Class honours or the equivalent of 3.0/4.0 cumulative grade point average. However, this standing does not guarantee admission; the Graduate Admissions Committee weighs the entire file, including the applicant's references and the quality of the research proposal.

For thesis programs, the Committee must consider the availability of a supervisor. If a supervisor is not available in the applicant's preferred field of study, the applicant may be refused admission or offered admission pending a field-of-study change.

LL.M. Interdisciplinary Options in Environment and European Studies

The Environmental Studies Option is a cross-disciplinary option offered in conjunction with the School of Environment within the LL.M. (Thesis or Non-Thesis) providing students with an appreciation of the role of science in informing decision-making in the environment sector, and the influence that political, socio-economic and ethical judgments have.

The European Studies Option (ESO) is a cross-disciplinary program offered as an option within existing LL.M. Thesis Program. This option is open to students whose work is focused on Europe, in particular on issues relating to European integration, broadly understood.

LL.M. Specialization in Bioethics

The Master's Specialization in Bioethics is an interdisciplinary program that emphasizes both the conceptual and practical aspects of Bioethics with students applying through the Faculties of Law, Medicine, Religious Studies and the Department of Philosophy. Students entering through Law are bound by the requirements of the Faculty of Law's LL.M. program (thesis option).

It is a course work program that is particularly appropriate for students with a strong professional orientation. The Graduate Certificate is awarded after at least one term of residence in the Faculty and upon completion of a minimum of 15 academic credits of la
