5.1.2 Faculty Programs

- *section 8.1.4: Bachelor of Music (B.Mus.) - Faculty Program Music (123 credits)*
- *section 8.1.5: Bachelor of Music (B.Mus.) - Faculty Program Music - Jazz (123 credits)*

These programs are designed to accommodate students who are interested in combining studies in music with studies in other disciplines; who are interested in a pattern of specialization not provided in the established major programs; or who are undecided about the area of music in which they wish to specialize.

All of the above B.Mus. programs normally require at least three years of study following completion of the Quebec Diploma of Collegial Studies or four years of study follo

- jazz.

5.1.6 M.Mus. Performance (Prerequisite courses)

Students wishing to prepare for the Master of Music in Performance should include, in their Bachelor of Music program, the courses listed under [section 8.2.15: Special Prerequisite Courses for M.Mus. in Performance](#).

5.1.7 M.Mus. Sound Recording (Prerequisite courses)

Students wishing to prepare for the Master of Music in Sound Recording should include, in their Bachelor of Music program, the courses listed under [section 8.1.6: Special Prerequisite Courses for M.Mus. in Sound Recording](#).

5.1.8 Master of Arts (M.A.)

The Master of Arts degree (M.A.) is available as a thesis option in Music Education, Music Technology, Musicology (with an option in Gender and Women's Studies), and Theory (with an option in Gender and Women's Studies) and as a non-thesis option in Music Education, Musicology, and Theory.

5.1.9 Licentiate in Music (L.Mus.)

The Licentiate in Music is offered in Performance and is designed for advanced instrumentalists, singers, and jazz performers who wish to concentrate on their practical subject while limiting their theoretical studies to basic areas in Music History, Music Theory, and Musicianship. This program normally requires three years of study. For more information, please see:

- [section 8.2.12: Licentiate in Music \(L.Mus.\) - Major Performance Piano \(93 credits\)](#);
- [section 8.2.13: Licentiate in Music \(L.Mus.\) - Major Performance \(All Instruments except Piano, Voice and Jazz\) \(93 cr](#)

The Schulich School of Music offers a range of prestigious scholarships based on academic and performance achievements. In any given year, 60 Schulich Scholars hold renewable **Schulich Scholarships** valued at \$6,000 (undergraduate) and \$11,000 (graduate). Renewable **Lloyd Carr-Harris String Scholarships**, valued between \$6,000 and \$18,000, are awarded to our most promising incoming string students. Additional scholarships and financial aid are available both through the Schulich School of Music and McGill University's [Student Aid Office](#).

While taking into account the stipulations of the individual awards, Schulich School of Music scholarships, awards, and prizes are given on the basis of a student's record for the academic session ending in April and are tenable during the next academic year beginning in September. Students must have successfully completed at least 27 credits (excluding summer courses and courses completed under the Satisfactory/Unsatisfactory option) in the academic year preceding the award and must register for full-time studies during the subsequent year, unless fewer credits are needed to complete the program. Students whose records contain outstanding incompletes or deferrals will not be considered. No application is required.

5.3 Summer Studies

Summer Studies offers courses starting in May, June, and July.

Students may take a maximum of 18 credits during the Summer session. Those wishing to take more than 6 credits in any one month must obtain the permission of a Program Adviser.

Information concerning course offerings and application forms may be obtained from the McGill [Summer Studies Office website](#), or by calling 514-398-5212.

5.4 Music Credit Options for Students in Other Faculties

The Schulich School of Music offers three groups of courses that may be taken for credit by students in other faculties.

The first group consists of Music Literature and Theory courses especially designed for students from other faculties who may not have taken formal studies in music but who wish to take elective courses in the cultural, historical, and theoretical aspects of music. These courses are generally offered with an MUAR prefix. Students enrolled in a B.Mus. or L.Mus. program cannot take MUAR courses and apply them as earned credits towards their program.

The second group is the sequence of courses in music theory, musicianship, music history, and music technology that are part of the Schulich School of Music undergraduate curriculum. Non-music students enrolled in a particular stream of a music minor have registration priority in that stream's respective courses, providing they have completed all the necessary prerequisites.

The third group of courses consists of selected music ensembles open, by audition, to students in other faculties.

For further details on these courses, please see [Faculty of Arts > Undergraduate > Browse Academic Units & Programs > : Music \(MUAR\)](#). Other music courses may be taken by qualified students from other faculties providing they obtain permission from the relevant department in the Schulich School of Music and from the Associate Dean of their own faculty.

5.5 McGill Conservatory

The McGill Conservatory, Community Program of the Schulich School of Music, offers instruction in piano, guitar, most orchestral instruments, and voice, as well as Theory and Ear Training from the elementary level.

6.3.9 Visiting Students

Individuals wishing to take courses at McGill for credit at another university may be admitted as Visiting Students provided they have the prerequisites for the course(s) concerned and have official permission from their home university.

6.4 Diploma Programs

6.4.1 L.Mus. (All Applicants)

For admission to the Licentiate program, the applicant must have completed secondary school. The applicant's music qualifications must be equivalent to McGill Conservatory Collegial II Instrument or Voice and Secondary V Theory/Ear Training. An entrance audition is required. This program is normally three years in length.

6.5 Music Placement Examinations

In order to determine their course levels, all new students must sit diagnostic placement examinations starting the week prior to the beginning of classes in the fall semester. Placement examinations take place only once a year.

For a precise schedule and exam descriptions, refer to the [Placement Exams](#).

For B.Mus. and L.Mus. students (except those in a jazz program):

Compulsory placement exams:

- Theory
- Musicianship (Ear Training)
- Keyboard Proficiency

Optional placement exam:

- Music History

For B.Mus. Jazz Performance, B.Mus. Faculty – Jazz concentration, and L.Mus. Jazz Performance students:

Compulsory placement exams:

- Jazz Ear Training
- Jazz Keyboard Proficiency (jazz piano and jazz guitar students are exempt from this placement exam. They will automatically receive exemption credits for jazz keyboard proficiency and will not be required to take substitute courses)
- Jazz Materials
- Theory (B.Mus. Faculty - Jazz concentration students only)

Optional placement exam:

- Jazz Music History

New students will receive the placement examination results during the mandatory advising session for new students. Exemption note(s) will be added to the transcripts for those who have been exempt from one or more course(s) via placement exams.

First-year students enrolled in the Bachelor of Music program who have completed the Quebec Diploma of Collegial Studies (Diplôme d'études collégiales) in a Music concentration or equivalent, or students transferring from other universities or colleges, and who have completed a course equivalent to Western Musical Traditions (MUHL 186) will be reviewed for exemption from this first-year music history course.

All jazz students who wish to be exempt from Jazz History Survey (MUJZ 187) must take a placement exam, even if they have completed a similar course in a college or university.

Students accepted into the Licentiate Diploma, who have completed the degree of Bachelor of Music at a Canadian or American university (or the equivalent elsewhere) within the preceding three (3) years, will not be required to sit the Music Placement Examinations and will be exempted from required Theory, Musicianship, and Music History, Literature, or Performance Practice courses. Should such students wish to avail themselves of the diagnostic service that the Music Placement Examinations provide, they may sit them; without, however, being bound by the recommendation generated from their results. Nevertheless, should great difficulties arise in a specific class because of lack of adequate preparation, the Chair of the Department of Music Research, upon the advice of the instructor, reserves the right to counsel the student to undertake studies at a lower level.

6.6 Readmission

Students in Satisfactory Standing, who have not been registered in the Schulich School of Music for one or two terms, may return to the program in which they were previously registered upon permission of the School. Those who have been out for longer than two consecutive terms may be readmitted upon permission of the School, subject to the student's previous record and current School limitations on enrolment.

Students seeking program readmission must submit a request in writing to the Music [Student Affairs Office](#), giving a summary of their activities during their absence. The deadlines to submit these requests are:

- **Winter session** – November 15
- **Summer session** – April 1
- **Fall session** – January 15 (students who must re-audition); or June 1 (no audition)

6.6.1 Re-auditioning

Students who *have not* completed their required practical examinations will be required to re-audition. Students who *have* completed their required practical examinations and are returning to fulfil academic courses are not required to re-audition. Students who are uncertain of the re-audition regulations are urged to contact the Music Student Affairs Office at studentaffairs.music@mcgill.ca.

6.7 Tuition Fees, Practical Instruction Fees, and Lesson Quotas

Note: The Music fees for the 2018–2019 academic year had not been set at the time this publication was finalized. The fees in this section refer to the 2017–2018 academic year.

General information on *Tuition* and *Other Fees* can be found in [University Regulations and Resources](#) > [Undergraduate](#) > [Fees](#) > [Tuition Fees](#). The University reserves the right to make changes without notice in the published scale of fees.

- For the Fall and Winter terms, students who were previously in Probationary, Readmitted Unsatisfactory, or Interim Unsatisfactory Standing will be placed in Unsatisfactory Standing if their TGPA falls below 2.50 and their CGPA is below 2.00.
- Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Academic and Student Affairs) who have not at least satisfied the conditions to attain Probationary Standing that were specified in the letter of readmission will be placed in Unsatisfactory Standing.

Incomplete Standings

Standing awaits deferred exam; must clear Ks, Ls, or Supplementals.

Students with Incomplete Standings in the Winter or Summer term may register for the Fall term, but their Standing must be resolved by the end of the Course Change Period for that term. Students whose Incomplete Standing changes to Satisfactory or Probationary may continue in their program. Students whose Standing changes to Unsatisfactory Standing may not continue in their program.

Students whose Standing changes to Unsatisfactory and who wish to ask for permission to continue in their program must make a request to the Associate Dean (Academic and Student Affairs) as soon as they are placed in Unsatisf

7.4.3 Additional Ensembles

Additional ensembles chosen by students in non-performance programs to reflect their particular interests may, with departmental approval, be applied as music and/or free elective credit. Students in performance may apply a maximum of four ensemble credits as complementary performance courses. Students electing an ensemble will normally be required to participate in the ensemble placement auditions and will be placed accordingly.

7.4.4 Assignments and Auditions

All students registered as full-time or part-time students in the Department of Performance must audition for a large ensemble in the beginning of the school year. (If a mid-year audition is offered for a particular year or ensemble, notice will be given to students.)

Auditions for large and small ensembles are mandatory for participation in the ensemble. Information on all auditions for ensembles can be found on the [ensembles website](#).

Students who cannot participate in the ensemble auditions at the times indicated on the website must contact the ensemble resource supervisor at least two (2) weeks before the date of the audition. The students must submit, in writing, reasons for their lack of availability and, if applicable, submit a recording of their audition materials prior to the day of the auditions. If students miss an audition with an accepted reason, but do not deliver the audition materials to the department, or if students miss an audition for reasons unacceptable to the Performance Department, they will not be allowed to audition and their assignment will be left entirely to the discretion of the Performance Department. The students may also be subject to grade penalties in the ensemble to which they are assigned.

Assignments for large and small ensembles are posted on the [Ensemble Resource Office website](#). Reassignments may be made from time to time during a term and will be communicated to students. Students registered in an instrumental program who are not assigned a large ensemble following the ensemble placement auditions should take a choral ensemble as their large ensemble.

7.4.5 Commitment

Ensembles are courses. Each student who has registered for an ensemble, or who has been assigned to an ensemble, has made a commitment to the ensemble and is required to be available to attend all rehearsals, concerts, performances, field trips, recordings, and other activities, which constitute the course requirements of that ensemble. If rehearsals outside of class meeting times occur, advance notice will be given. These additional rehearsals will be avoided when possible.

7.4.6 Failing Grade

A failing grade in any of the ensembles (large, small, complementary, or elective) obliges the student to make up the credit during a later semester. A subsequent failure in the same course may result in the student being required to withdraw from the program.

7.4.7 Request to be Excused from a Rehearsal

Students who cannot attend a rehearsal for a large ensemble are required to fill out an *Absence Request Form* as soon as they learn of their conflict. The students may be required to find a replacement for the rehearsal, in collaboration with the director.

Note: For Opera McGill policies, please contact opera@music.mcgill.ca.

How to submit a request to be absent from a rehearsal

Important: No permission is given to be excused from a rehearsal in the week (7 days) before a concert, including the dress rehearsal and the concert itself.

Absences or tardiness without an approved Absence Request Form (available at [sites.music.mcgill.ca/ensembles/absencer a large ensemble 174arkg times occur1 ed 13 Tense](https://sites.music.mcgill.ca/ensembles/absencer%20a%20large%20ensemble%20174arkg%20times%20occur1%20ed%2013%20Tense))

7.4.8 Preparation

If the director of an ensemble is not satisfied with the quality of the student's preparation for rehearsals, the director shall first warn the student. This warning shall be communicated by the director to the Ensemble Resource Supervisor and Area Chair, who shall inform the student in writing. If, in the Director's opinion, this lack of preparation continues, further action will be taken to remedy the situation.

For any particular performance, if—after a written warning to the student(s) with copies to the Ensemble Resource Supervisor, practical instruction teacher, Area Chair, and Department Chair—the director, in consultation with his/her sectional coaches, feels that the performance of a student or group of students will not meet a certain minimum standard established by the director, the director may cancel a student's participation in a performance.

7.4.9 Discipline

The director of an ensemble may recommend that a student withdraw from an ensemble for disciplinary reasons. A student asked to do so will be required to appear before the Department Chair, Area Chair, and director to show cause why he or she should not be required to withdraw.

Students who are required to withdraw from an ensemble for reasons of lack of preparation or discipline will be given a grade of F, which will be reflected in their grade point average (GPA).

7.4.10 Withdrawal

Withdrawal for any reason obliges the student to make up the credit(s) during a later semester.

7.4.11 Exemption from a Required Ensemble

In order to be given permission not to participate in a required ensemble for a term or part thereof, a student must meet one of the following four criteria:

1. The student must be a participant in a major national or international competition, or (in the case of voice students) be given a significant role with a recognized performing arts ensemble, and (in the case of all students) have completed the minimum number of required terms of the ensemble, and have the permission of:
 - his or her practical teacher;
 - the Area Chair;
 - the director of the ensemble; **or**
2. The student must have completed all program requirements except the final exam on his or her instrument; **or**
3. The student must have completed all musical requirements of his or her program, having only non-music and/or free electives remaining; **or**
4. The student must have a significant medical reason.

Note: Permission to not participate in a required or complementary ensemble for a term or part thereof is not an e

In such cases, transfer credit may be given as music and/or free elective credit for students in non-performance programs. Students in performance may apply a maximum of four credits as complementary performance courses.

7.4.14 Large Ensemble Extra Credits

Large ensemble credits accumulated above the minimum may be applied as music and/or free elective credits for students in non-performance programs.

The Schulich School of Music allows up to a maximum of 12 credits of English Second Language (ESL) courses, including academic writing courses for non-anglophones, to students whose primary language is not English and have studied fewer than five years in an English-language secondary institution. Placement tests are required for all ESL courses. For more information on placement tests, see www.mcgill.ca/mwc. Soon after the tests are evaluated, you will be issued a departmental approval for course registration.

7.9 Distance Education (Online) Courses

Students may take a maximum of six credits of non-Music elective courses taught through distance education toward their B.Mus. degree at McGill. Courses taught through distance education from institutions other than McGill will be approved as transfer credits under the following conditions:

- The course is given by a government-accredited, degree-granting institution acceptable to McGill.
- The course counts for credit toward degrees granted at the institution giving the course.
- Prior approval for the course is obtained from the Music Student Affairs Office.

7.10 Course Changes & Withdrawal

Students are permitted to change courses and/or sections of a course during the add/drop period in each term. This is referred to as the official Course Change period. Course and section changes are made by the student, using Minerva to access his/her record directly. Contact Music Student Affairs Office if you are unable to change a course or section. For more information, see [University Regulations and Resources](#) > Undergraduate > Registration > : [Course Change Period](#).

Late course change requests, including section changes, if approved, will be charged the applicable Late Course Change Fee. No charge will be made for late changes imposed by the Faculty. If students' registrations must be corrected after the Course Change period to bring their records into conformity with the courses they are actually taking, the students will be charged the late fee. For complete information on administrative fee charges and fines, please consult the [Student Accounts website](#).

Course Withdrawal

Students are permitted to withdraw from courses other than practical instruction or ensembles after the end of the Course Change period. In such cases, the student's mark in the course will be "W." Course withdrawals are also processed on Minerva, within permissible dates. For more information, consult [University Regulations and Resources](#) > Undergraduate > Registration > : [Cour](#)

- Students requesting a deferred examination in a **practical music examination** must contact the [Performance Department](#) directly to re-schedule the exam.

Supporting evidence such as an appropriate medical note is required. The supporting documents must be submitted to the [Music Student Affairs Office](#) no later than January 15 (for Fall courses) or May 15 (for Winter courses). For all exam deferral requests except for practical music examination, an L (deferred) will appear in place of a grade if the request is approved. The grade obtained in the deferred examination will replace the grade of L (deferred) on the official transcript.

Deferred examinations in academic courses without a final exam during the official exam period are given at the discretion of the instructor. A deferred examination in a Music practical examination will be held during the next examination period.

Deferred examinations in academic courses are normally held during the March study break for Fall term deferrals and in August for Winter Term deferrals. See the [Exams website](#) for more information. **It is the student's responsibility to check the date, time, and place of the deferred examination.**

A mark of L (deferred) not cleared by mid-May makes the student ineligible for in-course scholarships.

Students who are unable to write a deferred exam must contact the Music Student Affairs Office immediately to initiate a withdrawal from the deferred exam. Deferred examinations cannot be written at a later date. If the withdrawal is not approved, a final grade of J (absent) will be entered and will count as a zero in the TGPA/CGPA.

7.12.2 Supplementals

Supplemental examinations in Music academic courses may be given at the discretion of the instructor. A student who receives a mark below 30% in a course is not permitted to take a supplemental examination but must repeat the course.

7.12.3 Reassessments and Rereads

Students may request reassessments of term work or rereads of final exams. In either case, students should first consult the instructor for clarification on an assessment and to request a possible grade adjustment if deemed eligible. If a satisfactory conclusion cannot be reached, students may contact the Student Affairs Office (studentaffairs.music@mcgill.ca) in writing to apply for a reassessment. A formal re-evaluation will be conducted by a qualified and impartial evaluator. A fee may be charged for a reread or reassessment.

Students are subject to the following rules when applying for a reassessment or reread:

- Grades may either be raised or lowered as a result of a reread/reassessment; the final course grade following a reread/reassessment takes precedence, whether it is higher or lower.
- If the resulting grade remains the same or is lowered, a fee will be charged; consult the [Student Accounts website](#) for fee details.
- If the reread/reassessment leads to a higher grade, no fee will be charged.

Students must submit a reread/reassessment request by the following deadlines:

- March 31 of the subsequent year for fall courses
- July 31 of the same year for winter courses
- November 30 of the same year for summer courses

Note: No late applications for rereads/reassessments will be accepted.

7.13 Graduation Requirements

1. Completion of all courses and proficiency requirements as specified in the candidate's program. Students registered in two programs must fulfil all requirements for both programs. A minimum grade of C (or higher, depending on the program) must be achieved in all required courses, all complementary courses specified by course number, and all prerequisite or corequisite courses. A grade of D (non-continuation pass) is acceptable only in elective courses that are not prerequisite or corequisite to other required courses in the program.
2. Minimum cumulative grade point average of 2.00.
3. Completion of a minimum of credits in residence at McGill University (B.Mus.: 60 credits, L.Mus.: 48 credits).

For more information on applying to graduate, see www.mcgill.ca/graduation/applying.

7.13.1 Graduation Honours

For information on the designation of Dean's Honour List awarded at graduation, see [University Regulations and Resources](#) > Undergraduate > Graduation > Graduation Honours > : [Dean's Honour List](#).

For information on the designation of Distinction awarded at graduation, see [University Regulations and Resources](#) > Undergraduate > Graduation > Graduation Honours > : [Distinction](#).

Departments may recommend to the Faculty that students be awarded Outstanding Achievement in recognition of superior performance on an instrument or voice or in an academic discipline.

The **Department of Music Research** offers undergraduate degrees in Composition, Music Education, Music History, Theory, and the Faculty Program. The Department also offers Minors in Music History, Composition, Music Education, Music Entrepreneurship, Music Theory, and two Minors in the area of Music Technology.

The **Department of Performance** offers undergraduate degrees in Performance, Early Music Performance, and Jazz Performance; diploma programs in L.Mus.; and Minors in Conducting, Early Music Performance, Jazz Arranging and Composition, and Jazz Performance.

8.1 Department of Music Research: Composition; Music Education; Music History; Theory; Faculty Program

At both the undergraduate and graduate levels, the Department embraces the disciplines of Composition, Music Education, Music History, and Theory; and at the graduate level, Music Technology and Sound Recording. The philosophy of the Department is to encourage integration of the disciplines as much as possible within the learning process in each program of study: the development of basic musicianship, the absorption of the grammar and syntax of musical discourse, and the study of the world of ideas are understood as interconnected.

Major programs offer the student some focus with the flexibility to pursue other areas of interest. The Faculty program is intended to offer an option for individual and creative plans of study. All of the Department's programs give a solid grounding in analytic, synthetic, and writing skills that are useful preparation not only for the musical profession but also for professions as diverse as law, journalism, management, and librarianship.

The Music Education program combines an orientation towards a professional career in primary and secondary schools with sensitivity to broader intellectual frameworks against which teachers should understand their roles. This program is offered concurrently with the B.Ed., Music (see [section 8.3: B.Mus./B.Ed. Bachelor of Music and Bachelor of Education Concurrent Program](#)).

The Department also offers a Minor in Composition, a Minor in Music Education, a Minor in Music Entrepreneurship, a Minor in Music History, and a Minor in Music Theory to students who seek to place their work in a larger context, as well as a Minor in Musical Applications of Technology and a Minor in Musical Science and Technology to Music students and to students from other faculties.

For each program, all courses listed are REQUIRED courses unless otherwise indicated.

8.1.1 Bachelor of Music (B.Mus.) - Major Composition (124 credits)

The Bachelor of Music (B.Mus.); Major in Composition program offers students a solid grounding in the basics of classical music composition for instruments and voices, with or without electronics. This is achieved through lecture courses and tutorials (private composition lessons in the third and fourth years of the program). The study of topics related to music theory helps to hone students' compositional technique, while the study of topics related to music history helps to develop students' critical thinking skills. Free elective courses allow students either to focus on an area of secondary interest as a minor degree, or to pursue a broader range of course offerings, either within or outside the Schulich School of Music. To ensure consistent performance throughout their program, students are required to achieve a minimum grade of B- in courses given by the Composition Area.
