1.1.9.1 Health Insurance – International Students

International Students (Non-Canadians or Non-Permanent Residents of Canada)

By Senate regulation, all international students (full-time, part-time, half-time, Additional Session, Thesis Evaluation, Non-Thesis Extension, Special, Exchange, and Visiting) and their accompanying dependants must participate in the University's compulsory International Student Health Insurance Plan (IHI). The University and the Quebec Ministry of Education require a copy of your proof of health insurance on file.

Website: www.ramq.gouv.qc.ca/en/pages/home.aspx

Important: If you are not eligible, in order to ensure adequate health insurance coverage you may enrol in the *group plan* offered through International Student Services for international students. **Please note that this option is available only during the first month of each new semester at McGill.**

Note for Continuing Studies: As a Continuing Studies student, you are not a member of SSMU or MCSS. Therefore, the coverage of the Students' Society's Health and Dental Plans is not applicable.

Note for Graduate and Postdoctoral Studies: Graduate students classed as Canadian full-time or Additional Session, Thesis Evaluation, Non-Thesis Extension, as well as postdoctoral candidates are automatically covered by their society's extended Health and Dental Plan (PGSS). Eligible students not charged automatically for insurance fees can choose to enrol themselves during the appropriate Change-of-Coverage period. For more information on what is covered by this plan, as well as enrolment, opt-out procedures, and deadlines, please refer to the latest information at studentcare.ca/rte/en/McGillUniversitygraduatestudentsPGSS_Home. Students without valid Canadian Medicare, please see [section 1.1.9.1: Health Insurance – International Students](#), or the **Canadians who have been residing outside of Canada** section above.

1.1.9.3 Special Medical Needs

If you have special medical needs, please book an appointment with Health Services to discuss how to manage your health while at McGill. Contact information for the **Downtown campus** is available at www.mcgill.ca/studenthealth/see-doctor, and for the **Macdonald campus** at <http://mcgill.ca/macdonald-studentservices/health-wellness/clinic>.

If you anticipate encountering ongoing barriers in the academic or physical environment due to disability, injury, or illness, please consult with the *Office for Students with Disabilities* to determine an appropriate Individualized Accommodation Plan. Appropriate medical documentation may be required, and can be discussed with an Access Advisor. Academic Accommodation planning and support is available to students at the downtown campus, as well as the Macdonald campus, and students in Continuing Studies. Please refer to www.mcgill.ca/osd for more information, or to book an appointment.

Note for Medicine and Dentistry: In addition, see www.mcgill.ca/thewelloffice.

1.2 Personal Information

Students must inform themselves of University rules and regulations and keep abreast of any changes that may occur. The *Personal Information* section of this publication contains important details pertaining to nominative information, legal documents, ID Cards, as well as other topics, and should be consulted periodically.

1.2.1 Updating Personal Information

It is important to keep your official records up to date, especially your mailing or billing address, because these are used by the University year round. If your address information on file is invalid, incomplete, or missing, the University will hold your mail. Once you have provided a valid address, the University will resume sending your mail.

You must update your address(es) and/or telephone number(s) and emergency contact information on Minerva (www.mcgill.ca/minerva) under the *Personal Menu*.

If you are away from campus and do not have access to the Internet, you can request changes by writing to your Student Affairs Office or to *Service Point*. Your written request must include your signature.

If you need to change important personal information that requires the University to verify official documents—such as a name or citizenship change, or correction of your birth date—refer to the instructions at www.mcgill.ca/student-records/personal-information/address. Macdonald campus students can request changes in person at the *Macdonald Campus Student Affairs Office*, Laird Hall, Room 106.

Note for Continuing Studies: If you need to change important personal information that requires the University to verify official documents, such as a change to your name or citizenship, or a correction of your birth date, you must go in person (as soon as possible) to the School of Continuing Studies Client Services Office. Such changes can only be made in person at the School of Continuing Studies, Client Services Office, 688 Sherbrooke Street West, Room 1199.

Note for Nursing: Students must register a Quebec address and telephone number on Minerva to meet OIIQ registration requirements.

1.2.2 Submitting Legal Documents

McGill requires documentation from you to confirm your legal status. The following sections describe the documents needed for your specific situation and how you should proceed.

1.2.2.1 Why Does McGill Collect Legal Documents from You?

Your tuition status at McGill will vary depending on your legal status in Canada. In order for us to determine your appropriate rate of tuition (Quebec, Canadian out-of-province, or international), we require documentation confirming your current status. We also require these documents to confirm your valid citizenship/immigration status. To find out which documents you must provide—and when they are required—refer to: [section 1.2.2.2: What Documents Does McGill Need from You?](#)

Some of the documents McGill requests of you help us obtain your **Permanent Code** from the Government of Quebec. This unique 12-character code is created by the Quebec Ministry of Education, and is obligatory for all students registered in a Quebec institution. If you have previously attended school in Quebec, you should already possess a Permanent Code; it can be found on your school report card or your CEGEP and/or university transcripts. If you do not already have a Permanent Code, we will request to have it created for you. Once it has been created, it will reflect on your unofficial transcript.

You can consult your tuition and legal status (including your Permanent Code) on Minerva (www.mcgill.ca/minerva). Select *Student Menu > Student Accounts Menu > View your Tuition and Legal Status*.

Note for Medicine: Students admitted to the Faculty of Medicine will be required to provide additional documentation for the purposes of admission and registration. Details are provided in the application instructions. For more information, see www.mcgill.ca/medadmissions/applying/elements.

- Note that you must provide your Permanent Code form and supporting documents according to the regulations explained in [section 1.2.2.2: What Documents Does McGill Need from You?](#) Please read this section carefully before submitting your registration package.
- Processing of registration packages will begin in February and registration will begin in March (see [section 3: Key Dates, Summer 2019](#)). Some courses fill up rapidly so you are advised to send your [Registration Package for Summer Studies](#) early.

Note: You are responsible for all courses in which you are registered unless you formally drop these courses online using Minerva before the deadline date. Neither notification of the course instructor nor discontinuing class attendance is sufficient (see [section 3: Key Dates, Summer 2019](#) for add/drop and withdrawal deadlines).

1.3.1 Course Information and Regulations

The University reserves the right to make changes without prior notice to the information contained in this publication, including the revision or cancellation of particular courses or programs.

At the time this publication was finalized, new courses and modifications to some existing courses were under consideration. Students preparing to register are advised to consult Class Schedule on the web at www.mcgill.ca/students/courses for the most up-to-date information on courses to be offered.

Not all courses listed are offered every year.

Note for Graduate Studies: Students are advised to also refer to [University Regulations & Resour](#)

These codes were implemented in September 2002, replacing the three-number Teaching Unit Codes previously used. A complete list of Teaching Unit Codes and their Subject Code equivalents can be found at www.mcgill.ca/student-records/transcripts/key in the section *Cross-walk of current subject codes to pre-2002 course numbers*.

The three numbers following the Subject Code refer to the course itself, with the first of these indicating the level of the course.

- Courses numbered at the 100, 200, 300, and 400 levels are intended for undergraduate students. In most programs, courses at the 300 and 400 levels are normally taken in the student's last two years.
- Courses at the 500 level are intended for qualified senior undergraduate students but are also open to graduate students.
- Courses at the 600 and 700 levels are intended for graduate students only.

Two additional characters (D1, D2, N1, N2, J1, J2, J3) at the end of the seven-character course number identifies multi-term courses.

1.3.1.3 Course Terminology

Prerequisite: Course A is prerequisite to course B if a satisfactory pass in course A is required for admission to course B.

Corequisite: Course A is corequisite to course B if course A must be taken concurrently with (or may have been taken prior to) course B.

Credits: The credit weight of each course is indicated in parentheses beside the course title. For D1 and D2 courses, the credit weight is indicated after the course number. For further information, refer to [University Regulations & Resources > Undergraduate > Student Records > section 1.5.2: Credit System](#).

1.3.1.3.1 Course Nomenclature in Program Descriptions

Required Courses: Mandatory courses that must be completed to fulfil the requirements of a program (e.g., major, minor, etc. at the undergraduate level or specific courses at the graduate), unless the student receives exemptions. Students have no choices among required courses.

Complementary Courses: Courses selected from a restricted list, a particular subject area, or a discipline. In some programs, students must include a number of these to meet program requirements. **Complementary courses are not electives.**

Elective Courses: Courses, in some cases, taken outside of a student's program of study that do not count toward the fulfilment of the specific program requirements. Some restrictions may apply, but students have the most choice in selecting elective courses. Some faculties also permit students to take elective courses using the Satisfactory/Unsatisfactory (S/U) Option. Undergraduate students should consult their faculty regulations concerning electives; graduate students require the approval of their Program Director and Enrolment Services.

1.3.2 Course Selection

Course descriptions for all faculties can be found at www.mcgill.ca/study/courses. We also encourage you to check www.mcgill.ca/summer/courseselection; in addition to descriptions for all courses, *Class Schedule* includes the days and times when courses are offered, names of instructors, class location, and remarks and comments. This information is subject to change and is updated as courses are added, rescheduled, or relocated. It is your responsibility to consult Class Schedule on Minerva at the time of registration, and again before classes begin to ensure that changes have not resulted in conflicts in your schedule.

Students should pay close attention to the following on Class Schedule and in this publication:

- course restrictions: for example, permission of the instructor required; enrolment limited, or limited to students in a particular program or year;
- course prerequisites, and/or corequisites: it is against University regulations to register for a course for which you have not completed all the prerequisites with a C or better;
- time at which each course section is given: do not register for course sections that have a time overlap; or
- departmental approval required: specified in the course description; and
- placement examination required: specified in the course description.

If you are currently a McGill student, please consult the *Undergraduate Programs, Courses and University Regulations* publication at www.mcgill.ca/study to check your course and program requirements and consult your faculty student affairs office for a list of Summer courses that are admissible for credit toward your degree. Other courses may be taken but may not count toward your degree requirements.

1.3.2.1 Departmental Approval

Some courses require that you first obtain departmental approval from the department offering the course before registering (for Education courses, contact the Student Affairs Office, Faculty of Education). A course requiring departmental approval will be listed as such in the . Departmental approval gives you the **permission to register**, but does not ensure a place in the course.

Since enrolment in these courses is on a first-come, first-served basis, you should register on Minerva as soon as you have the department's approval.

1.3.2.2 Summer Course Load for McGill, Visiting, and Special Students

The maximum number of credits you may take in the Summer term (May, June and July combined), as a McGill, Visiting, or Special Student, is 12 credits. You may take a maximum of two courses in Arts, Education, Engineering, Management, or Science, in any one Summer session (May, June, or July session). Please note that the schedule of lectures in Summer courses is very intensive and that two courses in one session is considered a very heavy workload. To register for more than two courses in Arts, Education, Engineering, Management, and Science—or more than one course in other faculties:

- **McGill students** must obtain written permission from their faculty;

- **Visiting students** must obtain written permission from both their home university and the faculty in which they are registered;
- **Special students** must obtain written permission from the faculty in which they are registered.

1.3.2.3 Course Load for Quebec Inter-University Transfer (IUT) Students

The maximum number of courses an IUT Student may take in one Summer term is 1 (one), regardless of credit weight. Permission to register for more than one course per term must be obtained from the McGill faculty in which the student is registering by using the BCI (*Bureau de coopération interuniversitaire*, previously known as CREPUQ) electronic IUT site at www.bci-qc.ca.

1.3.3 Course Changes

All students must use *Minerva* to make any changes to their course selection. You can use Minerva to add or drop courses at any time up to and including the fourth scheduled day of classes (which include lectures and laboratories). See the specific dates outlined in [section 3: Key Dates, Summer 2019](#).

Inter-University Transfer (IUT) students wishing to drop or withdraw from their course(s) should use Minerva; cancelling the course on BCI (*Bureau de coopération interuniversitaire*, previously known as CREPUQ) is not sufficient. If you want to take a different course you must reapply on the BCI site at www.bci-qc.ca/ and, upon approval, register for the course using Minerva.

You are responsible for all courses in which you are registered unless you formally drop the courses online using Minerva before the deadline date. **Neither notification of the course instructor nor discontinuing class attendance is sufficient.** Please see [section 1.4.6: Refunds](#)

- The Quebec universities concerned are not responsible for special arrangements in cases of examination or class schedule conflicts.
- Grades earned at the host university will not be included in your McGill grade point averages (GPA) or show on your McGill transcripts.
- If you are attending McGill as an Exchange student from outside Quebec, you are not eligible to take courses at another Quebec institution through the IUT agreement.
- Any grades received late from host universities may delay your graduation.

If you are a scholarship holder, you should consult with your Student Affairs Office and the scholarships coordinator concerning eligibility for continuation or renewal of your award(s).

You must initiate an online Quebec Inter-University Transfer (IUT) application to request the required authorizations at www.mcgill.ca/students/iut. You may find additional information posted on your faculty website.

1.3.6 Courses Taken under the Satisfactory/Unsatisfactory (S/U) Option

The principle of the Satisfactory/Unsatisfactory (S/U) option is to encourage you to take courses outside the area of your specialization with the view of enabling you to acquire knowledge and skills in a variety of fields.

Where permitted by faculty and program regulations, you may take one elective course per term to be graded actor

Note for Nursing: The S/U option is not available to B.N.I. and B.Sc.(N.) students for required courses.

Note for Physical and Occupational Therapy: The S/U option is not available to Physical and Occupational Therapy students.

1.3.7 Auditing of Courses

McGill does not permit auditing of courses.

Note for Continuing Studies: You can register for a Continuing Studies course and opt to have it "non-evaluated."

1.4 Fees

The information in this publication was updated in February 2019. **The University reserves the right to make changes without notice in the published scale of fees.**

Further information regarding fees can be found on the Student Accounts website:

www.mcgill.ca/student-accounts/tuition-fees/tuition-and-fees-tables-and-rates.

For information on financial support, see [University Regulations & Resources](#) > *Undergraduate* > : *Scholarships and Student Aid*.

Note for Graduate and Postdoctoral Studies: For information on financial support, see www.mcgill.ca/gps/funding.

1.4.1 Invoicing Information

Fees are assessed on a term-by-term basis.

Electronic billing is the official means of delivering fee statements to all McGill students. Your e-bill includes all charges to your account, including tuition, fees, health insurance, and other charges. The University generally produces e-bills at the beginning of the month and sends an email notification to your official McGill email address stating that your e-bill is available for viewing on Minerva (www.mcgill.ca/minerva). Charges or payments that occur after the statement date appear on the next month's statement, but you can view them immediately on the *Account Summary by Term* under the *Student Accounts Menu* on Minerva (this is the online dynamic account balance view).

Failure to check your McGill email on a regular basis in no way warrants the cancellation of interest charges and/or late payment fees. Refer to the Important Dates for Students website at www.mcgill.ca/importantdates for information on payment due dates.

1.4.2 Tuition Fees

Tuition rates are subject to change each academic year. Please access *Tuition and fees* at www.mcgill.ca/student-accounts/tuition-fees. The annual rates of tuition and fees are updated as soon as they are known.

Note: Students who are required to submit documentation and who do not do so by the stipulated deadlines (December 1 – Fall; April 1 – Winter; August 1 – Summer) are billed at the non-Quebec Canadian or the internst 1 – SI; 780.044 Tm(ges or pA2Ig0 g/F1 8.1 T.)Tj1 0 0.44 Tm(.mcgill780.044 T.299

Note: Visa-exempt foreign nationals who study in Canada for less than 6 months will require an Electronic Travel Authorization (eTA) to study in Canada. Exceptions include U.S. citizens and travellers with a valid visa. The Electronic Travel Authorization (eTA) is completed online. Please visit [Citizenship and Immigration Canada](#).

Exemptions from international tuition fees may be claimed by students in certain categories. Such students, if eligible, are then assessed at the Quebec student rate (certain categories may be assessed at the Canadian tuition rate). These categories, and the required documentation for each of them, may be viewed at www.mcgill.ca/legaldocuments. Further information regarding these reductions of International Tuition Fees by the Quebec government is available on the [Student Accounts](#) website under *Tuition & Fees > General Tuition and Fees Information > Tuition fee exemptions*. International students who already hold a valid International Student Fee Exemption may use it for Summer courses.

The University reserves the right to refuse course registrations in non-government-funded activities.

1.4.2.5 Acceptance of Fees vs. Academic Standing

Acceptance of fees by the University in no way guarantees that students will receive academic permission to pursue their studies. If it is subsequently determined that your academic standing does not permit you to continue, all fees paid in advance will be refunded.

For directions on requesting your refund online in Minerva, see www.mcgill.ca/student-accounts/your-account/requesting-refund.

1.4.3 Payment Procedures

Please see the Student Accounts website at www.mcgill.ca/student-accounts/your-account/payment for the various methods of payment available to students and their guests.

1.5.1 Academic Standing

You enter the University in Satisfactory Standing, and your Academic Standing is determined at the end of each term based on your faculty's regulations. Standing codes are generated in January for the Fall term, in May for the Winter term, and in September for the Summer term, and are displayed on your McGill official and unofficial transcripts. If you receive Unsatisfactory Standing, you must apply to your faculty for readmission. Consult the appropriate section of this publication for the regulations on Academic Standing for your faculty.

- [*section 1.5.1.1: Academic Standing: Desautels Faculty of Management*](#)
- [*section 1.5.1.2: Academic Standing: Faculty of Agricultural and Environmental Sciences*](#)
- [*section 1.5.1.3: Academic Standing: Faculties of*](#)

- if your CGPA falls between 1.50 and 1.99 and if you were previously in Satisfactory Standing;
- if your CGPA falls between 1.50 and 1.99 and your TGPA in Fall or Winter is 2.50 or higher, and if you were previously in probationary or Interim Unsatisfactory Standing;
- if you were previously in Unsatisfactory Readmitted Standing and have satisfied the relevant conditions specified in your letter of readmission, but your CGPA is still less than 2.00.

1.5.1.3.3 Unsatisfactory Readmitted Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in Unsatisfactory Readmitted Standing:

- you were previously in Unsatisfactory Standing and were readmitted by your Faculty or the Committee on Student Standing;
- you must meet the conditions specified in your letter of readmission to be allowed to continue in your program;
- you must carry a reduced load (maximum 14 credits per term) — a lower limit may be specified in your conditions of readmission;
- you should see your departmental adviser to discuss your course selection;
- you should see your Faculty adviser to discuss degree planning.

1.5.1.3.4 Unsatisfactory/Interim Unsatisfactory Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in Interim Unsatisfactory Standing (at the end of the Fall term):

- you may continue in your program;
- you must carry a reduced load (maximum 14 credits per term);
- you are strongly advised to consult an academic adviser, before withdrawal deadlines, about your course selection;
- you should see your Faculty adviser to discuss degree planning.

If you are in Unsatisfactory Standing:

- you have failed to meet the minimum standards set by the faculties;
- you may not continue in your program, and your registration will be cancelled.

You will be placed in Unsatisfactory Standing:

- if your CGPA falls or remains below 1.50;
- if your TGPA in the Fall or Winter falls below 2.50 and your CGPA is below 2.00 and if you were previously in Probationary, Unsatisfactory Readmitted, or Interim Unsatisfactory Standing;
- if you were previously in Unsatisfactory Standing and were readmitted by the Faculty or the Committee on Student Standing but have not satisfied the conditions specified in the letter of readmission.

Appeals for readmission by students in Unsatisfactory Standing must be received in their respective Faculties no later than the deadlines stated on their readmission websites. For **Arts**, see www.mcgill.ca/oasis/students/seeking-readmission. For **Science** (including B.A. & Sc.) see www.mcgill.ca/science/student/general/readmission. Readmission will be considered only when proof of extenuating circumstances that affected academic performance can be provided (e.g., medical or other documentation). If you are in Unsatisfactory Standing for the second time, you must withdraw permanently.

Normally, supplemental examinations are not permitted; however, if you are in Unsatisfactory Standing, you may appeal for permission to write a supplemental examination, clearly stating the reasons for special consideration and providing proof as appropriate.

Appeals for readmission or permission for supplemental examinations must be submitted to:

- Arts: Associate Dean (Student Affairs)
- Science and B.A. & Sc.: Director of Advising Services

Note for students in the Concurrent B.Sc.-B.Ed. Program: If you receive an F or J in any Education Field Experience course, you are placed in Unsatisfactory Standing. Although you may complete your term, you are required to withdraw from the Concurrent Sithdra

If your Standing changes to Unsatisfactory:

- you may ask for permission to continue in your program;
- you must make a request for readmission as soon as you are placed in Unsatisfactory Standing;
- you must provide proof of extenuating circumstances that affected your academic performance (e.g., medical or other documentation).

Requests for readmission following an Unsatisfactory Standing

If at any time, you were placed in Unsatisfactory Standing and were readmitted to the Faculty of EngaF

Note for Summer Studies: For Summer courses, a three-credit course usually indicates ten hours of lectures per week starting in either the May, June, or July session and spanning a maximum period of five weeks.

1.5.3 Grading and Grade Point Averages (GPA)

Note for Physical and Occupational Therapy: A grade of C+ is a minimum required passing grade for courses with the subject codes of OCC1, PHTH, and POTH.

Note: During the first week of lectures, each instructor will provide you with a written course outline. This information should include, where appropriate:

- whether there will be a final examination in the course;
- how term work will affect the final mark in the course;
- how term work will be distributed through the term;
- whether there will be a supplemental examination in the course, and if so, whether the supplemental exam will be worth 100% of the supplemental grade, or whether term work will be included in the supplemental grade (courses with formal final examinations *must* have supplementals);
- whether students with marks of D, F, J, or U will have the option of submitting additional work, and, if so, how the supplemental mark will be calculated with the extra work (applicable only to students in Science and B.A. & Sc.).

Note for Engineering: In the Faculty of Engineering, letter grades are assigned according to the grading scheme adopted by the professor in charge of a particular course. This may not correspond to grades indicated in the “Numerical Scale of Grades” column in *Grading and Grade Point Averages*. A grade of D indicates marginal performance which is acceptable only for Complementary Studies courses (i.e., Group A *Impact of Technology on Society* and Group B *Humanities and Social Sciences, Management Studies and Law*), Natural Science Complementary Courses (for Computer Engineering and Software Engineering students from CEGEP), and Elective Courses (for Mechanical Engineering students from CEGEP and for Architecture students). A grade of D is not acceptable for required (core) courses (including Year 0 (Freshman) math and science courses), technical complementary courses, laboratory complementary courses, or courses in any other category of the Engineering programs. Individual departments/schools will decide if a student with a D in a prerequisite course(s) may take the subsequent course.

Grades have the following designations:

A, A-	Very Good
B+, B, B-	Good
C+, C	Satisfactory
D	Conditional Pass
F	Fail

1.5.3.1 Grading and Grade Point Averages (GPA): Other Grades

You should direct any questions or problems with your record to your Student Affairs Office.

Note for the Faculties of Arts and Science (including B.A. & Sc.): Requests are made at [Service Point](#) (3415 McTavish Street). However, it is important that you also see a Faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. 1.5.6.1 Transcript of Academic Record: General Information

1.6 Examinations: General Information

Note: The University Exam Regulations governed by the University Student Assessment Policy are available at www.mcgill.ca/exams/regulations.

In addition to the University Student Assessment Policy (available on the [Secretariat website](http://www.mcgill.ca/exams/regulations)) and the general examination regulations listed at www.mcgill.ca/exams/regulations, you should also consult the faculty sections of this publication for particular regulations. You will be informed of the evaluation method used in each course by the end of the Course Change period.

Every student has a right to write term papers, examinations and theses in English or in French, except in courses where knowledge of a language is one of the objectives of the course.

You are not permitted to write an examination in any course unless you have fulfilled the requirements of the course to the satisfaction of the instructor and your Associate Dean or Director. Once you have presented yourself for an examination or test, you must submit all written work to the invigilator before leaving.

You must have your valid McGill student ID card with you to write an examination. Forgetfulness is not an acceptable excuse.

You are reminded that cheating in any examination is considered a serious offence that could lead to expulsion from the University. Students are not permitted to have in their possession, or to use, any unauthorized materials during an examination. This includes electronic devices such as cell phones, iPods, MP3 players, PDAs, smart watches, and other web-access devices. Unauthorized items found on the student or desk area during an exam will be confiscated and turned over to the Disciplinary Officer.

Responses on multiple-choice examinations are normally checked by the Exam Security Computer Monitoring Program. The program detects pairs of students with unusually similar answer patterns on multiple-choice examinations. Data generated by the program can be used as admissible evidence either to initiate or corroborate an investigation or a charge of cheating under Section 16 of the *Code of Student Conduct and Disciplinary Procedures*.

All students are responsible for familiarizing themselves with the University Student Assessment Policy (available on the [Secretariat website](http://www.mcgill.ca/exams/regulations)) and the *Code of Student Conduct and Disciplinary Procedures* (available at www.mcgill.ca/exams/regulations).

You can find information about issues related to academic integrity at www.mcgill.ca/students/srr/honest.

Note for Engineering Students: You should also refer to the Engineering website for more information at www.mcgill.ca/engineering/students/current-students/undergraduate/courses-registration/exams-assessment.

1.6.5 Final Examinations

Formal final examinations are held during an examination period at the end of the course term. The dates of the examination periods are listed at www.mcgill.ca/importantdates.

Important Note: You are advised not to make travel plans prior to the release of the Final Exam Schedule. Vacation plans *do not* constitute grounds for the deferral or re-scheduling of final exams.

Note for Summer Studies: All information pertaining to final exam conflicts can be found at www.mcgill.ca/summer/finalexams.

For more information, see www.mcgill.ca/students/advising.

It is the responsibility of the student to confirm the date, time, and place of the examination by checking examination schedules posted on www.mcgill.ca/exams. This information is not available by telephone. No student will be allowed to enter an examination later than one hour after it has started.

1.6.5.2 Deferred Examinations for Summer Term Courses

If, for serious reasons such as illness or family affliction, you have not written one or more examinations, you must submit a request for a deferral on Minerva.

If the request is approved, you may be granted the option of writing a deferred examination. In such cases, a grade of "L" will be entered on your record, to be replaced subsequently by the grade received in the deferred examination.

Students with permission to write a deferred examination (for courses administered by faculties outside of Engineering) should expect to write the deferral in mid-August concurrent with the Winter deferred exams. Please see www.mcgill.ca/students/exams/dates/supdefer for further details. For deferral application dates, please see www.mcgill.ca/students/exams/dates.

Please note that for courses administered by the Faculty of Education, deferred e

Exam reread fees apply; refer to the [Student Accounts](#) website for fee amounts and information.

For students pursuing a *Bachelor of Arts*, *Bachelor of Science*, or *Bachelor of Arts & Science*:

- Requests for a final exam reread must be made via [Service Point](#);
- It is strongly recommended, but not required, that you consult with the instructor of the course before requesting a reread of a final exam.

Students from outside the Faculties of Arts or Science who are taking a course administered by the Faculty of Arts or Science must submit final exam reread requests directly to the Student Affairs Office of their Faculty for approval.

Reassessments and rereads in courses not in the Faculties of Arts and Science are subject to the deadlines, rules, and regulations of their relevant faculties.

1.6.5.3.2 Rereads: Faculty of Engineering

You can request a formal reread of a final examination once you have discussed it with your instructor. You must complete a *Request for a Reread of a Final Exam* form and submit it to the Student Affairs Office, [Engineering Student Centre](#).

The following regulations apply:

- You may request rereads for only one course per term, unless you obtain permission from the Student Affairs Office, Engineering Student Centre.
- Grades may be either raised or lowered as the result of a reread.
- A fee for each reread will be assessed directly to your McGill account if the result remains the same or is lowered. If the grade is raised, there is no charge. Consult the Student Accounts website for the fee at www.mcgill.ca/student-accounts/tuition-fees/non-tuition-charges/other.

Reread application deadlines:

- Fall courses: last working day of March
- Winter courses: last working day of July
- Summer courses: last working day of November

Non-Engineering courses: Rereads in courses not in the Faculty of Engineering are subject to the deadlines, rules, and regulations of the relevant faculty.

1.6.6 Supplemental Examinations

There are no supplemental examinations for Summer courses.

In each case, McGill's residences are the perfect place to be during the summer in Montreal.

First-class shopping, restaurants, and museums are at your doorstep, with outdoor events and street festivals around every corner. The cobblestone streets and historic buildings of Old Montreal lie to the south, while to the north, Mount Royal invites you to go sunbathing, strolling, and picnicking. The sights and sounds of Montreal's many cultures are part of the vibrancy of the city.

In the traditional-style residences at **Royal Victoria College (RVC)**, you will enjoy the privacy of your own bedroom with a shared common bathroom on each floor. Card-operated laundry facilities and public telephones are accessible to everyone. In addition, summer students have access to a communal kitchen for cooking, with a limited number of utensils/pots/pans available on loan at the front desk.

Carrefour Sherbrooke (CS) offers hotel-style accommodation in McGill's residence located on Sherbrooke Street West, just steps from McGill's Downtown campus and the Golden Square Mile. 1.13.8 Student Governance

All students registered in an undergraduate program on the Downtown (McGill) campus are registered members of the accredited Students' Society of McGill University, more commonly known as SSMU. The SSMU is your representative on key issues inside and outside of the campus and will advocate for student priorities to both the McGill administration and government bodies. There are six elected executives of SSMU who represent all 22,000-plus undergrads on the Downtown campus. There is a *Legislative Council* that meets with representatives from faculty associations and other student groups around campus on a bi-weekly basis. This council of thirty-seven members meets to discuss student issues and how services are being provided to students.

SSMU operates over 250 clubs and runs 19 student services; for more information, see ssmu.ca/student-life/clubs-services-issg. SSMU provides a great deal of extra-curricular opportunities for students to balance a life of study with a life of involvement, and an opportunity to meet other students. The organization also provides event programming like freshman orientation (Orientation Week/Frosh), Activities Night, Faculty Olympics, community engagement opportunities, workshops, and concerts. Each faculty and each department also has organizations dedicated to providing extra-curricular involvement for their students.

Situated on the Downtown campus, SSMU operates a five-floor building including a student lounge, cafeteria, *campus bar*, and many multipurpose spaces namely for use by student groups, but also for McGill community members.

SSMU offices are located at 3600 McTavish Street, Suite 1200 and operate between the hours of 9:00 a.m. and 5:00 p.m. during the year.

For more information regarding student government at McGill you can *contact the SSMU* or visit their website at ssmu.ca.
