## 1 General Policies and Information

You must inform yourself of University rules and regulations and keep abreast of any changes that may occur. The *General Policies and Information* section of this publication contains important details required by you during your studies at McGill and should be periodically consulted, along with other sections and related publications.

---

### 1.1 Authorization, Acknowledgement, and Consent

When applying for admission to the University, you are bound by and agree to observe all statutes, rules, regulations, and policies at McGill University and the faculty or faculties to which you may be accepted and registered in, including policies contained in the University calendars and related fee documents. Your obligation as a student begins with your registration and ends in accordance with the University's statutes, rules, regulations, and policies.

You should verify all information or statements provided with your application. Incorrect or false information may jeopardize your admission. The University reserves the right to revoke an admission that is granted based on incorrect or false information in an application or supporting documents.

---

### 1.2 Student Rights and Responsibilities

The *Handbook on Student Rights and Responsibilities* is produced jointly by the Office of the Dean of Students and the University Secretariat. It contains regulations and policies governing your rights and responsibilities as a student at McGill, and is available at [www.mcgill.ca/students/srr](http://www.mcgill.ca/students/srr).

Further details regarding your rights and responsibilities are also available at [www.mcgill.ca/students/srr](http://www.mcgill.ca/students/srr), which you may log your rights and responsibilities.

---

Responses on multiple-choice exams are normally checked by the Exam Security Computer Monitoring program. The program detects pairs of students with unusually similar answer patterns on multiple-choice exams. Data generated by this program can be used as admissible evidence in an investigation of cheating under Article 16 of the *Code of Student Conduct and Disciplinary Procedures*.

The Office of the Dean of Students administers the academic integrity process as described in the *Handbook on Student Rights and Responsibilities*.

**Note:** All newly-admitted undergraduate students must complete a **mandatory online academic integrity tutorial** in their first semester, accessed through [Minerva](#) > *Student Menu* > *Academic Integrity Tutorial* or a registration "hold" will be placed on their record. Prior to Fall 2018, the tutorial was completed in myCourses via the course AAAA 100, but as of Fall 2018 the tutorial must be completed in Minerva. For more information, see [www.mcgill.ca/students/srr/honest/students/test](http://www.mcgill.ca/students/srr/honest/students/test).

**Note for Graduate and Postdoctoral Studies:** Graduate students must complete a **mandatory online academic integrity tutorial** accessed through [Minerva](#) > *Student Menu* > *Academic Integrity Tutorial*. All newly-admitted graduate students must complete the tutorial within their first semester or a registration "hold" will be placed on their record. For more information, see [www.mcgill.ca/students/srr/honest/students/test](http://www.mcgill.ca/students/srr/honest/students/test).

## 2.2 Submitting Legal Documents

McGill requires documentation from you to confirm your legal status. The following sections describe the documents needed for your specific situation and how you should proceed.

### 2.2.1 Why Does McGill Collect Legal Documents from You?

Your tuition status at McGill will vary depending on your legal status in Canada. In order for us to determine your appropriate rate of tuition (Quebec, Canadian out-of-province, or international), we require documentation confirming your current status. We also require these documents to confirm your valid citizenship/immigration status. To find out which documents you must provide—and when they are required—refer to: [section 2.2.2: What Documents Does McGill Need from You?](#)

Some of the documents McGill requests of you help us obtain your **Permanent Code** from the Government of Quebec. This unique 12-character code is created by the Quebec Ministry of Education, and is obligatory for all students registered in a Quebec institution. If you have previously attended school in Quebec, you should already possess a Permanent Code; it can be found on your school report card or your CEGEP and/or university transcripts. If you do not already have a Permanent Code, we will request to have it created for you. Once it has been created, it will reflect on your unofficial transcript.

You can consult your tuition and legal status (including your Permanent Code) on [minerva](#). Select *Student Menu* > *Student Accounts Menu* > *View your Tuition and Legal Status*.

## 2.4 Legal Name

This is the name that will appear on your degree, diploma, or certificate upon graduation, and on your e-bills, tax receipts, and official transcript. It is also used by the Government of Quebec to create a Permanent Code.

All students are registered under their legal name as it appears in one of the following documents:

1. Canadian birth certificate or citizenship certificate.
2. Canadian Immigration Record of Landing, (IMM 1000 or IMM 5292 or IMM 5688 and Permanent Residence card.)
3. Canadian Immigration Study or Work Permit.
4. Certificate of Acceptance of Quebec (CAQ.)
5. International passport (**Note:** If you possess Canadian citizenship, a Canadian citizenship card or certificate is required as a Canadian passport is not acceptable.)
6. Letter from international student's consulate or embassy in Canada.
7. Marriage certificate issued outside of Quebec (translated into English or French by a sworn officer if in another language). *Note that Quebec marriage certificates are only acceptable if issued prior to 1984.*
8. Certificate of Name Change issued by the Quebec *Directeur de l'état civil* or applicable force in any Canadian Province.

In the case of a variation in the spelling of the name among these documents, the University will use the name on the document that appears first on the above list.

Should McGill require a copy of one of the documents listed about, both or all sides of the document must be copied and presented.

### 2.4.1 Preferred First Name

Your preferred first name is a name by which you are normally addressed, and is different from your legal first name. The Preferred First Name Procedure enables students to use an alternate preferred first name for certain purposes while studying at McGill.

**Students who wish to use a preferred first name should enter this information into Minerva as soon as possible in order to ensure that their pr**

### **3.1.2 Registration for Full-Time McGill Degree Students Taking Continuing Studies Courses**

If you are a full-time McGill degree student, you can use Minerva to register for a Continuing Studies course. If you are currently in a McGill degree program and want to take a Continuing Studies course for credit toward your program, you must obtain authorization from your faculty.

If you are currently in a McGill degree program and want to take a Continuing Studies course for interest or personal development, you can register using Minerva. With the exception of some Professional Development courses and some Faculty Partnerships and Summer Studies short courses, workshops, and seminars, these courses will appear on your official transcript but will not count toward the completion of your degree requirements.

**Note:**

## International Students

In addition to the above, international students should bring:

1. A completed Study Plan

**Note:** Once accepted into a program, School of Continuing Studies students will be provided with a Study Plan, outlining the appropriate sequence of courses which will enable them to complete their program within the time frame specified by the immigration authorities. For more information, please contact Client Services at 514-398-6200 or send an email to [info.conted@mcgill.ca](mailto:info.conted@mcgill.ca).

2. A Study Permit and Certificate of Acceptance of Quebec (CAQ), or other proof of immigration status (see [section 2.2.1: Why Does McGill Collect Legal Documents from You?](#))
3. Valid passport
4. Your Health Insurance Number (If not purchased, you must do so at the Brown Student Services Building, 3600 McTavish, before registration.)

## Registration for Short Courses, Seminars, and Workshops

### 3.3.2 Course Withdrawals and Refunds

Once registered for a course, you are responsible for the fees. If you decide not to follow the course, you must officially withdraw.

Simply not attending classes or informing the instructor does not constitute an official withdrawal.

#### 3.3.2.1 How to Change (Add/Drop/Withdraw) a Course

##### 3.3.2.1.1 How to Add/Drop a Course

You can add or drop a course in one of two ways:

- Online using *Minerva* (*Registration Menu*)
- In person by completing a “Course Change Form” available at [www.mcgill.ca/continuingstudies/current-students/registration/add-change-or-drop-course](http://www.mcgill.ca/continuingstudies/current-students/registration/add-change-or-drop-course) and bringing it to the Client Services Office

You can change sections, add, and drop courses only during the add/drop period. You will be charged a \$20 administrative fee for each course dropped. Refer to the *Important Dates Supplement* for specific add/drop dates. Courses dropped before and during the Late Registration and add/drop period will not show on your record.

##### 3.3.2.1.2 How to Withdraw From a Course – Grade of “W”

You can withdraw from a course in one of two ways:

- Online using *Minerva* (*Registration Menu*)
- In person by completing a “Request for Course Withdrawal Form” available at [www.mcgill.ca/continuingstudies/current-students/registration/course-withdrawal](http://www.mcgill.ca/continuingstudies/current-students/registration/course-withdrawal) and bringing it to the Client Services Office

There are two withdrawal periods for the Fall and Winter terms; one with a refund and one without a refund.

It is very important that you take note of the deadlines for obtaining a refund.

If you miss the fee refund deadline, you are responsible for all course fees. During both withdrawal periods, you may withdraw from course(s) using *Minerva*. You will be given a grade of “W,” which does not affect your CGPA. Failure to officially withdraw will result in a grade of “J” (incomplete/failure), which counts as “0” in GPA calculations.

Official registration and withdrawal dates are published before the start of each term. Refer to the *Important Dates Supplement* for specific dates.

#### 3.3.2.2 Minerva Registration Schedule 2019–2020

Registration		
	Fall	Winter
Returning students	June 11 to September 3	October 3 to January 6
Newly admitted students	June 18 to September 3	October 10 to January 6
Returning (Independent) Special Students	June 18 to September 3	October 10 to January 6

  

Late Registration and Add/Drop Period		
	Fall	Winter
All students except for those in non-credit <i>Professional Development</i> and <i>Faculty Partnerships</i> and <i>Summer Studies</i> courses	September 4–17	January 7–21

#### 3.3.2.3 Effective Date for Refunds

It is solely your responsibility to initiate a course change (i.e., add/drop/withdrawal) by submitting a form to your student affairs office. Neither notification of the course instructor nor discontinuing class attendance is sufficient.

The effective date for refunds will be the date on which the official Course Change Form was completed or the date the change was made on *Minerva*.

Refunds are not automatically issued as a result of course changes. You must specifically request a refund in writing; otherwise, any amount owing to you as a result of a course withdrawal or overpayment will be credited to your fee account.

**Note:** Special rules for refunds will apply for courses of 10 sessions or less or for courses of a specialized nature. For specific details, contact the academic area.

If you are a full-time McGill degree student registered in a Continuing Studies course, the Continuing Studies course change deadlines do not apply.

To make a request for a refund, log into [Minerva](#) and follow the *Student Accounts* menu.

If you withdraw from your only course, your McGill ID card must also be returned since it is the property of McGill University.

### 3.3.3 Auditing of Courses

McGill does not permit auditing of courses.

**Note for Continuing Studies:** You can register for a Continuing Studies course and opt to have it "non-evaluated."

## 3.4 Class Schedule

*Class Schedule* for the upcoming Fall and Winter terms normally becomes available in March prior to the opening of advising. The Summer term schedule is normally published in early February. Class Schedule includes the days and times when courses are offered, class locations, names of instructors, and related information. You can also access the details of scheduled courses by clicking the course reference number (CRN) that appears with each course section shown in Class Schedule.

You should make a note of any preregistration requirements for a course, such as placement tests or departmental approval/permission required.

Class Schedule information is subject to change and is updated as courses are added, cancelled, rescheduled, or relocated. It is your responsibility to consult Class Schedule at the time of registration, and again before classes begin, to ensure that changes in the schedule have not caused conflicts in your schedule.

Once you have selected some courses from the Class Schedule, try *Visual Schedule Builder* (VSB) to view your possible class schedules in an easy-to-read weekly schedule format. Please note that you cannot use Visual Schedule Builder to register but you can copy your choice of course reference numbers (CRNs) from VSB to have handy for registration in Minerva.

Please note that the last day of classes in a term varies according to a course's schedule pattern (e.g., Mon-Wed-Fri, Tues-Thurs, Monday only, etc.). You may verify these details at [www.mcgill.ca/importantdates/key-dates](http://www.mcgill.ca/importantdates/key-dates).

**Note for Health Sciences:** For information, you should refer to your Faculty/School section in this publication.

**Note for Medicine:** This section is not applicable to M.D.,C.M. students; see [www.mcgill.ca/ugme](http://www.mcgill.ca/ugme).

---

## 3.5 Late Registration

You can register late provided there are spaces available in the course after the regular registration period. The late registration period is indicated in the **Important Dates Supplement** at [www.mcgill.ca/continuingstudies/registration](http://www.mcgill.ca/continuingstudies/registration) or in *School of Continuing Studies > Getting Started > Key Dates, 2019–2020*. You will be charged a late registration fee whether you registered on Minerva or in person; exact fee amounts are available on the *Student Accounts website*.

---

## 3.6 Registration in Courses Administered by Other Faculties

You may, under exceptional circumstances, receive permission to register in a course administered by another faculty for credit toward your program. The number of courses you can take is limited and is subject to approval by the faculty.

You will not be able to register for these courses on Minerva.

If you are a student at another Quebec university and you want to take courses at McGill using the Quebec Inter-University Transfer (IUT) agreement, you must initiate an online application to request the required authorizations at [www.mcgill.ca/students/iut](http://www.mcgill.ca/students/iut). You should also refer to your home university website for regulations on the number of credits allowed, as well as the policies for transferring the credits.

**Note:** Once the Quebec Inter-University Transfer (IUT) application is approved by both the home and host universities, you remain responsible for registering in the approved course. At McGill, you have to register on Minerva ([www.mcgill.ca/minerva](http://www.mcgill.ca/minerva)). You will be informed via email of the necessary registration steps once your application has been approved. **You must allow sufficient time to complete and submit your electronic application, because you are responsible for adhering to all of McGill's registration deadlines.** If you decide later to drop or withdraw from the approved course(s), you will need to drop or withdraw from the course on Minerva **and** submit this change to the online Quebec Inter-University Transfer (IUT) application.

**Note for Engineering:** Courses administered by the Faculty of Engineering that are offered in the Summer term are open to McGill students only.

**Note for Continuing Studies:** If you are a Visiting IUT Student and your application has been approved, you must register in-person, by appointment only (see [University Regulations & Resources](#) > [Continuing Studies](#) > [Registration for Continuing Studies Students](#) > [Other Ways to Register](#) > [section 3.2.1: In-Person Registration](#)).

McGill will automatically submit your grades for any completed courses to your home university.

## 4 Fees for Continuing Studies Students

The University reserves the right to make changes without notice in the published scale of fees. Please consult the Student Accounts website at [www.mcgill.ca/student-accounts/tuition-fees](http://www.mcgill.ca/student-accounts/tuition-fees). The University will publish this schedule as soon as the fees for the 2019–2020 academic year are announced.

The School of Continuing Studies is not responsible for any fees payable to an external association or institute.

---

### 4.1 Access to Fee Information

You can view your *Account Summary by Term* on [Minerva](#). The Fall 2019 term fees will be accessible in mid-July.

---

### 4.2 Billings and Due Dates for Continuing Studies Students

#### Invoicing of Fees

Fees are assessed on a term-by-term basis.

Electronic billing is the official means of delivering fee statements to all McGill students. Your e-bill includes all charges to your account, including tuition, fees, health insurance, and other charges. The University generally produces e-bills at the beginning of the month and sends an email notification to your official McGill email address stating that your e-bill is available for viewing on Minerva. Charges or payments that occur after the statement date appear on the next month's statement, but you can view them immediately on the *Account Summary by Term* under the *Student Accounts Menu* on Minerva (this is the online dynamic account balance view).

Failure to check email on a regular basis *in no way warrants* the cancellation of interest charges and/or late payment fees. Refer to the Student Accounts website at [www.mcgill.ca/student-accounts](http://www.mcgill.ca/student-accounts) for information on payment due dates.

#### Late Payment Fees

If you have an outstanding balance greater than \$100 on your account at the end of October (end of February for the Winter term), you are charged a late payment fee according to the fee schedule found in [section 4.5: Other Fees for Continuing Studies Students](#).

---

#### 4.2.1 Payment Procedures

2. The MACES fee does not apply to students who are already members of the undergraduate or graduate campus level society (*SSMU*, *PGSS*, or *MCSS*), except in certain cases where the student is in more than one program. For further information about MACES, see [section 13.8: Student Governance: McGill](#)

**\* Note:** Please note that the \$45 fee for returned cheques and pre-authorized debit payments is in addition to the value of the amount debited for the returned item in question. For transactions in Canadian dollars, the amount debited is the same as the amount paid. For transactions in other currencies, including pre-authorized debit payments in US dollars, accounts will be debited at the exchange rate charged by the bank to the University. This sometimes represents a significant difference from the amount originally paid, depending on the rate of exchange on the date of the return.

## 4.6 Other Policies Related to Fees

The following sections describe other fee-related policies that may apply to your account.

## 4.6.1 Overdue Accounts

All tuition and fees assessed by the University must be paid in full or arrangements must be made to settle the debt.

Students' accounts are considered **delinquent** if they are not paid in full within 60 days after the bill is issued. McGill places a financial hold on these accounts, preventing students from obtaining official academic transcripts and from accessing Minerva for any registration functions.

**Interest:** Interest is charged on overdue balances at the monthly rate of 1.24%, multiplied by the balance outstanding at the end of the month (14.88% annually). The rate is evaluated each Spring, and then is set for the following academic year. See [www.mcgill.ca/student-accounts/your-account/deadlines-and-penalties/overdue](http://www.mcgill.ca/student-accounts/your-account/deadlines-and-penalties/overdue) for more information.

**Note:** You should regularly verify your account balance on *Minerva*.

The University has no obligation to issue any transcript of record, award any diploma, or re-register a student if you do not pay your tuition fees, library fees, residence fees, or loans by their due date.

### 4.6.1.1 Information for Registered Students

If you register for a term, but still owe amounts from previous terms, you must either pay your previous term account balance or make payment arrangements with the Student Accounts Office before the end of the course add/drop period. If you have financial difficulty, first contact the Student Aid Office to discuss the possibility of obtaining financial aid:

Brown Student Services Building  
3600 rue McTavish, Room 3200  
Montreal QC H3A 0G3  
Telephone: 514-398-6013  
Email: [student.aid@mcgill.ca](mailto:student.aid@mcgill.ca)  
Website: [www.mcgill.ca/studentaid](http://www.mcgill.ca/studentaid)

If you fail to pay the previous term's fees or to make arrangements to settle your debt prior to the add/drop deadline, the University will cancel your registration in the current and subsequent terms.

### 4.6.1.2 Information for Students who are no Longer Registered

When students fail to settle their debt or reach a suitable payment arrangement, or fail to provide the Student Accounts Office with up-to-date contact information, the University refers these delinquent accounts to a collection agency. **If neither the University nor the collection agency is able to collect on the account, the University reserves the right to have the student reported to a credit bureau.** You should be aware that the University is entitled to use all legal means to obtain payment and that students are responsible for all costs associated with such actions.

### 4.6.1.3 Cancelling Registration for Non-Payment of Previous Terms

In accordance with the fee policy stated in [section 4.6.1: Overdue Accounts](#), before the University cancels your current and subsequent term registration(s), the Student Accounts Office will make all reasonable efforts to notify you if your account is delinquent, or if you owe more than \$100 from the previous term. The cancellation is effective the last day of the add/drop period unless you settle the account or make payment arrangements with the University by then. If you pay or make payment arrangements with the Student Accounts Office after the add/drop deadline and you want the University to reinstate your registration for the current or subsequent term(s), you must complete the [Request for Reinstatement](#) form (available at [www.mcgill.ca/student-accounts/forms](http://www.mcgill.ca/student-accounts/forms)) and submit it to the Student Accounts Office, which will forward it to Enrolment Services for approval and processing. Your fee account will be charged a Reinstatement Penalty for the processing of the re-enrolment; exact fee amounts and further details are available on the [Student Accounts](#) website.

## 4.6.2 Acceptance of Fees vs. Academic Standing

Acceptance of fees by the University in no way guarantees that students will receive academic permission to pursue their studies. If it is subsequently determined that 8d1 40128.562 Tm(r 228.562 Tm38cid)Ts6.2

#### **4.6.4 Deferred Fee Payment for Continuing Studies Students**

##### **Students with Sponsors**

If your fees will be paid by an outside agency such as the Department of Veterans Affairs, CIDA, a foreign government, or your University department (i.e., teaching assistants or demonstrators), you must have written proof of this sponsorship. Your sponsor must confirm the conditions of their sponsorship in writing on company letterhead to the University. This allows the University to initiate a contract with your sponsor and effect the payment to your fee account. You need to notify the University at least one month before the beginning of the term in which the contract takes effect. For more information and the required forms, see [www.mcgill.ca/student-accounts/parents-and-sponsors/third-party-sponsorship](http://www.mcgill.ca/student-accounts/parents-and-sponsors/third-party-sponsorship).

When a third party agrees to pay fees on your behalf, payment is recorded on your fee account, which reduces the balance you must pay. The Uni

## 5 Student Records

Students must inform themselves of University rules and regulations and keep abreast of any changes that may occur. The *Student Records* section of this publication contains important details pertaining to academic standing, grading and grade point averages (GPA), and transcripts, as well as other topics, and should be periodically consulted.

### 5.1 Academic Standing

You enter the University in Satisfactory Standing, and your Academic Standing is determined at the end of each term based on your faculty's regulations. Standing codes are generated in January for the Fall term, in May for the Winter term, and in September for the Summer term, and are displayed on your McGill official and unofficial transcripts. If you receive Unsatisfactory Standing, you must apply to your faculty for readmission. Consult the appropriate section of this publication for the regulations on Academic Standing for your faculty.

- You must withdraw from the Faculty of Engineering for a minimum of one term.

For more information about Academic Standing, see [www.mcgill.ca/engineering/students/undergraduate/advising-programs/academic-standing](http://www.mcgill.ca/engineering/students/undergraduate/advising-programs/academic-standing).

**Note:** Credit for multi-term courses (courses with the suffixes: D1, D2; N1, N2; J1, J2, J3) is granted only after successful completion of all components in the specified time frame. For example, a student would have to take D1 and D2 components in consecutive terms and successfully complete them both in order to obtain credit.

**Note for Agricultural and Environmental Sciences, and Science:** As a guideline, a one-credit course would represent approximately 45 hours total work per course. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials, and problem periods as well as personal study hours.

**Note for Engineering:** One credit normally represents three hours total work per week. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials, and problem periods as well as personal study hours. As a guide, the average number of hours per week of course activities is indicated in the course listing in a note underneath the course description. For example, (3-1-5) indicates a course consisting of three lecture hours per week, one hour of tutorial or lab, and five hours of personal study per week.

**Note for Summer Studies:** For Summer courses, a three-credit course usually indicates ten hours of lectures per week starting in either the May, June, or July session and spanning a maximum period of five weeks.

### 5.2.1 Continuing Education Units (CE units)

Some courses at the School of Continuing Studies carry a Continuing Education Unit (CEU) rating. These courses do not normally count toward the fulfillment of a credit program.

A Continuing Education Unit is a measure of the number of hours of participation—contact and/or study—in an organized Continuing Education activity. One CE unit represents ten hours of participation.

## 5.3 Grading and Grade Point Averages (GPA) for Continuing Studies

Courses can be graded either by letter grades or in percentages, but the official grade in each course is the letter grade. Where appropriate, a class average appears on transcripts expressed as the letter grade most representative of the class performance.

Since Fall 2002, the University has only used letter grades on transcripts and verification forms.

**For undergraduate courses,** Grades A through C represent satisfactory passes, D a conditional (non-continuation) pass, and F a failure. Certain courses have been approved for Pass/Fail (P/F) grading.

**For graduate level courses,** Grades A through B- represent satisfactory passes. Students must obtain a B- or better in courses to fulfil program requirements.

You cannot register in a course for which you have not passed all the prerequisite courses with a grade of C or better at the undergraduate level and B- or better at the graduate level, except by written permission of the Director. Certain programs have further requirements. Students should refer to the program regulations in the appropriate academic area of this Calendar.

## Graduate Grading

A	4.0	85–100%
A-	3.7	80–84%
B+	3.3	75–79%
B	3.0	70–74%
B-	2.7	65–69%
F (Fail)	0	0–64%
P		Pass

The University assigns grade points to letter grades according to the table above. Your Academic Standing is determined by a grade point average (GPA), which is calculated by dividing the sum of the course credit, times the grade points by the total course GPA credits. The result is not rounded up to the nearest decimal point.

GPA credits are the credits of courses with grades that are assigned grade points.

$$\text{GPA} = \frac{\Sigma (\text{course credit} \times \text{grade points})}{\Sigma (\text{GPA course credits})}$$

## 5.7 Non-Evaluated Work for Continuing Studies Students

If you are attending a course that has an evaluation process (such as an examination or other criteria), you may choose not to be evaluated. To do this, you must complete the required form at: [www.mcgill.ca/continuingstudies/current-students/student-records/grades/non-evaluated-work-ne-grades](http://www.mcgill.ca/continuingstudies/current-students/student-records/grades/non-evaluated-work-ne-grades), prior to the start of the third lecture. Submitting this request will result in a grade of NE on your academic record. Under no circumstances will a course with a grade of NE (No Evaluation) count toward a certificate, diploma, or degree program. Note that only courses administered by Continuing Studies can have a grade of NE.

If you are taking a general interest course (non-program) that does not have an evaluation process, you may request to be evaluated by completing a form prior to the start of the third lecture. You can find the form at: [www.mcgill.ca/continuingstudies/current-students/student-records/grades/non-evaluated-work-ne-grades](http://www.mcgill.ca/continuingstudies/current-students/student-records/grades/non-evaluated-work-ne-grades). Note that this option does not apply to short courses, workshops, and seminars not included on the McGill transcript.

## 5.8 Changes to Student Records after Normal Deadlines

### 5.8.1 Student Record Changes

Student record changes include the following: course add or course drop, course withdrawal, university withdrawal, program change (including changing majors or concentrations), status change (i.e., leave of absence, exchange, or term away). They also include changes to tuition status based on the submission of legal documents.

### 5.8.2 Registrar Deadlines

Fall term – January 31  
Winter term – June 1  
Summer term – October 1

### 5.8.3 Before Registrar Deadlines

For record changes after the normal deadlines published in this publication, but before the [section 5.8.2: Registrar Deadlines](#), you must make a request in writing to your Associate Dean or Director, clearly explaining why you could not request the change before these dates. The Associate Dean or Director will review your request and make a decision. If your request is approved, the change is processed according to existing faculty and Enrolment Services student record procedures.

**Note for the Faculties of Arts and Science (including B.A. & Sc.):** Requests are made at [Service Point](#) (3415 McTavish). However, it is important that you also see a faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see [www.mcgill.ca/students/advising](http://www.mcgill.ca/students/advising).

### 5.8.4 After Registrar Deadlines

The University does not normally consider a change requested after the [section 5.8.2: Registrar Deadlines](#) have passed. In situations where there are extraordinary personal or extraordinary academic circumstances that could not have been foreseen prior to these deadlines, you may formally request a student record change from your Associate Dean or Director. If your Associate Dean or Director approves the request, the change will be processed according to faculty and Enrolment Services student record procedures. You may be assessed a fee for a change requested after Registrar deadlines. For all changes other than grade changes, the faculty will file full documentation that supports the e

### **5.8.6 Student's Citizenship and/or Immigration or Fee Exemption Status**

Note that your faculty/school or Graduate and Postdoctoral Studies does not handle changes related to your citizenship and/or immigration or fee exemption status; see [section 2.2.1: Why Does McGill Collect Legal Documents from You?](#) You may be assessed a fee for a change requested after the submission deadline.

### **5.9 Letters of Attestation for Continuing Studies Students**

**Note for Continuing Studies Students:** You should consult the academic sections of this publication for particular regulations.

---

## **6.1 Class Tests**

Members of the teaching staff may give interim class tests from time to time.

---

## **6.2 Examination Facilities for Students with Disabilities**

If you have a permanent or temporary disability, consult the Coordinator, Office for Students with Disabilities, about the possibility of arranging special examination facilities. For more information, see:

8. The principles enunciated in these regulations shall be applied, appropriately modified, to courses given during the summer, to other courses of less than a 13-week duration, and to courses in the Faculties of Law, Medicine, Dentistry, and Education that do not follow the normal University Timetable.
9. Individual faculties may propose variations in these regulations to the Academic Policy and Planning Committee in order to meet their special needs.

**Note for Continuing Studies:** Regulation 9 is not applicable to Continuing Studies students.

10. These regulations, and any variations to them, shall be made known to students by each faculty.

**Note for Continuing Studies:** Regulation 10 is not applicable to Continuing Studies students.

**Instructors are not permitted to grant any special treatment regarding examinations to any student.** Students who believe there are circumstances that might justify making special examination arrangements for them or that might legitimately be taken into account in evaluating their performance should apply to the Associate Dean or Director of their faculty.

**It is the responsibility of the student to confirm the date, time, and place of the examination by checking examination schedules posted on notice boards on campus and at [www.mcgill.ca/students](http://www.mcgill.ca/students).** This information is not available by telephone. No student will be allowed to enter an examination later than one hour after it has started.

**Note for Continuing Studies:** Students should consult [www.mcgill.ca/continuingstudies/exams](http://www.mcgill.ca/continuingstudies/exams).

#### 6.4.2 Deferred Examinations for Continuing Studies Students

If, for serious reasons such as illness or family affliction, you have not written one or more examinations, you may receive the permission of your Faculty Client Services Office upon providing supporting documentation to defer the examination to the next supplemental examination period, except in the Faculty of Engineering (where students write the examination the next time the course is given); see *University Regulations and Resources > Undergraduate > Examinations: General Information > Final Examinations > : Deferred Examinations: Faculty of Engineering*. You should be aware that the University will only defer examinations for compelling reasons, verified and accepted by the Client Services Office. You must provide supporting evidence such as an appropriate medical report, and you must inform the Client Services Office as soon as possible to explain why you missed the examination.

**Note for Continuing Studies:** There is no supplemental examination schedule.

You must **apply for deferred examinations on *Minerva*** if you are in one of the following faculties and schools:

- Agricultural and Environmental Sciences, incl. Human Nutrition
- Arts, incl. Information Studies, Religious Studies, and Social Work
- Continuing Studies
- Education
- Engineering
- Physical and Occupational Therapy
- Science, incl. Computer Science

If you do not belong to one of the above faculties, consult your faculty for application procedures.

The **final application deadline for deferred examinations** is **January 15** (for Fall term courses), and **May 15** (for Winter term courses and courses that span the Fall and Winter terms) for the following faculties and schools:

- Agricultural and Environmental Sciences, incl. Human Nutrition
- Arts, incl. Information Studies, Religious Studies, and Social Work
- Continuing Studies
- Education
- Management
- Science, incl. Computer Science

If your request is approved, an L will appear in place of a grade in those courses. The grade you obtain on the deferred examination will replace the grade of L on your official transcript.

If you receive a grade of D, F, J, or U in a course after a deferred examination, no supplemental examinations will be available. You must either re-register in the same course the following term or in an approved course substitute.

If you are not granted deferred status, you will receive a grade of J in the course, which will count as a failure in the TGPA and CGPou must either re-reA and CGP

If you have already written an examination, you cannot later request for the exam to be deferred. You should consult your Client Services Office regarding the availability of supplemental examinations.

#### 6.4.3 Examination Conflicts for Continuing Studies Students

If you have an examination conflict, you must complete an “**Examination Conflict Form**” and return it to the *Client Services Office* for approval at least 20 days before the start of the examination schedule. The form must be accompanied by supporting documentation, and there is a \$32.25 fee (non-refundable) for rescheduling an examination. Only under exceptional circumstances are examinations rescheduled. You can find the form at [www.mcgill.ca/continuingstudies/current-students/exams/exam-conflicts-and-deferrals](http://www.mcgill.ca/continuingstudies/current-students/exams/exam-conflicts-and-deferrals).

#### 6.4.4 Supplemental Examinations

To write a supplemental examination for a course, you must submit a request on Minerva ([www.mcgill.ca/minerva](http://www.mcgill.ca/minerva)) by going to *Student Menu > Student Records Menu > Supplemental Exam Application*.

The following rules and conditions apply:

- You must be in Satisfactory or Probationary Standing;
- You must have received a final grade of D, F, J, or U in the course;
- A non-refundable fee for each supplemental exam application is assessed at the time of application and charged directly to your McGill account; consult the Student Accounts website for the fee at [www.mcgill.ca/student-accounts/tuition-fees/non-tuition-charges/other](http://www.mcgill.ca/student-accounts/tuition-fees/non-tuition-charges/other);
- Only one supplemental examination is allowed in a course;
- Supplemental examinations are available for most courses given in the Faculties of Arts, Science, Education, Religious Studies, and the School of Social Work;
- Supplemental examinations are not available for courses administered by Agricultural and En

Supplemental examinations are **not** available for the following Engineering courses: CHEM 233, COMP 208, EPSC 221, MATH 262, MATH 263, MATH 264, MATH 270, MATH 271, MATH 363, MATH 381, and PHYS 271. These courses are offered by the Faculty of Science, but administered by the Faculty of Engineering. If you are not sure which courses offer supplemental examinations, please contact the [Engineering Student Centre](#).

**Note for the Faculty of Law:** Regular supplemental examinations are available to a student who has failed a course, but who is not required to withdraw from the Faculty. Regular supplemental examinations may be written in up to two courses that do not exceed a total of seven credits together, or in any one course even if it exceeds seven credits. Supplemental examinations are written at the Law Faculty in the month of August. For more information, see [Supplemental Examinations](http://www.mcgill.ca/law-studies/courses/exams) at [www.mcgill.ca/law-studies/courses/exams](http://www.mcgill.ca/law-studies/courses/exams).

## 6.4.5 Reassessment and Reread Policy for Continuing Studies Students

In accordance with the [Charter of Students' Rights](#) (available at [www.mcgill.ca/students/srr/policies-student-rights-and-responsibilities](http://www.mcgill.ca/students/srr/policies-student-rights-and-responsibilities)), and subject to the conditions stated therein, students have the right to consult any written submission for which they have received a mark and the right to receive an explanation from the instructor or, as the case may be, the examiner.

Students also have a right to an impartial and competent reread of any written assignment completed during the course of the semester, as well as final exams. However, it is strongly recommended that students meet with the course instructor before requesting a third-party reread.

Reassessments in courses not offered by the School of Continuing Studies (SCS) are subject to the deadlines, rules, and regulations of the relevant Faculty.

Students are required to keep any material, in its wholeness and original form, as it was returned to them. A reassessment request will be refused if the relevant material is not provided in support of the request.

Grades received for course components other than written work or examinations, such as presentations and/or participation marks, are not subject to the procedures noted below. Students should meet with the instructor to address any concerns regarding these forms of assessment.

SCS recognizes four types of reassessment:

- [section 6.4.5.1: Reassessment of an Assignment or a Mid-term by the Instructor](#)
- [section 6.4.5.2: Reread of an Assignment or a Mid-term Exam by a Third Party](#)
- [section 6.4.5.3: Reread of a Final Exam by a Third Party](#)
- [section 6.4.5.4: Mark Verification](#)

### 6.4.5.1 Reassessment of an Assignment or a Mid-term by the Instructor

This type of reassessment applies to written assignments such as papers, quizzes, and mid-term exams completed during the term. Please also refer to [section 6.4.5.3: Reread of a Final Exam by a Third Party](#).

Reassessment of a group-written assignment requires the consent of all members of the group.

Requests for a review of a specific assignment **must be made directly to the instructor within 10 working days\* of the date of return of the graded material**. Requests received after this deadline will not be considered. Results of the reassessment will normally be completed within 20 working days\* of the receipt of the request. The grade may be increased, lowered, or remain the same. Whether the reassessed grade is higher or lower, it takes precedence over the original grade.

For English and French Intensive Language Programs, requests for a review of a specific assignment **must be made directly to the instructor within 3 working days\* of the date of return of the graded material**. Requests received after this deadline will not be considered. Results of the reassessment will normally be completed within 5 working days\* of the receipt of the request. The grade may be increased, lowered, or remain the same. Whether the reassessed grade is higher or lower, it takes precedence over the original grade.

\* "Working days" means Monday through Friday.

### 6.4.5.2 Reread of an Assignment or a Mid-term Exam by a Third Party

This type of reassessment applies to written assignments such as papers, quizzes, and mid-term exams completed during the term. Please also refer to [section 6.4.5.3: Reread of a Final Exam by a Third Party](#).

#### **6.4.5.3 Reread of a Final Exam by a Third Party**

It is strongly recommended, though not required, that students meet with the course instructor before requesting a reread of a final exam.

Requests for a reread of a final exam are administered by the Student Affairs Office in the *SCS Client Services* unit; exact fee amounts and details are available on the *Student Accounts website*.

Students must **apply in writing** by the following deadlines:

- **September 30** for courses offered in the Spring/Summer term
- **January 30** for courses offered in the Fall term
- **May 30** for courses offered in the Winter term

For English and French Intensive Language Programs, students must **apply in writing** by the following deadline:

- **2 working days\*** from the date when final e

Graduate students should refer to their faculty under [Faculties & Schools](#) > [Graduate](#) > [Program Requirements](#) for information on minimum residency requirements for graduate programs. This information is listed for each faculty, so you can also access it through your faculty's graduate pages.

**Note for Continuing Studies:** Minimum Residency Requirement (Continuing Studies):

- You must successfully complete a minimum of 21 McGill credits (excluding pre-requisites and co-requisites) in order to obtain a McGill undergraduate certificate. For specific information refer to your department section of this publication.
- Students completing a second undergraduate certificate at McGill must successfully complete a minimum of 21 McGill credits (excluding prerequisites and corequisites) in order to obtain their certificate. You should check with your adviser for any conditions applicable to the McGill credits required toward your certificate.

## 7.1 Apply to Graduate

**Most undergraduate students and non-thesis graduate students (master's, certificates, diplomas) must use [Minerva](#) to apply to graduate** (go to [Student Records](#) > [Apply for Graduation for Your Primary Curriculum](#)). It is your responsibility to inform McGill of your intention to graduate. You need a minimum residency requirement of 60 credits at McGill to qualify for a McGill undergraduate degree. For more information, see [section 7: Graduation](#). The minimum CGPA required to graduate is 2.00, and you must be in Satisfactory Standing.

The Application for Graduation is available on Minerva when you register for your final year (e.g., U3 or U4), except if you are in the Faculty of Medicine or Faculty of Dentistry, where you are automatically flagged for graduation in your final year. For more information on how to apply on Minerva, go to [www.mcgill.ca/graduation/applying](http://www.mcgill.ca/graduation/applying).

Once you apply to graduate, you are authorizing the University to include your name in the convocation program and send your name and email to the academic regalia supplier. If you want your name to be omitted from this publication or withheld from the regalia supplier, you must complete an [Opposition Form](#) by March 15 for Spring convocation, and September 15 for Fall convocation.

### 7.1.1 Deadlines

- **Fall term graduation** (courses completed in December; transcript will indicate “Degree Granted” in February; Spring convocation): You must apply on Minerva by the end of November.
- **Winter term graduation** (courses completed in April; transcript will indicate “Degree Granted” in May; Spring convocation): You must apply on Minerva by the end of February.
- **Summer term graduation** (courses completed by August; transcript will indicate “Degree Granted” in October; Fall convocation): You must apply on Minerva by the end of March.

If you miss one of these deadlines, contact your Faculty Student Affairs Office immediately.

**Note for the Faculties of Arts and Science (including B.A. & Sc.):** Requests are made at [Service Point](#) (3415 McTavish Street). However, it is important that you also see a Faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies.

## 7.7 Aegrotat Standing and Degree at McGill University

Aegrotat standing is awarded in rare cases where a student, based on serious medical or similar evidence, is unable to complete course requirements within a reasonable time, or at all.

At McGill, this designation is currently applied toward the end of a student's degree program resulting in the awarding of an aegrotat degree. An aegrotat indicator of 'Y' at graduation signifies that a student was awarded such a degree. An aegrotat degree is awarded only to students in good standing who have been unable to complete their degree due to special circumstances. Information on this degree designation is included only in the convocation program, and not on the transcript.

Aegrotat standing is rarely granted at McGill University. A formal request must be submitted to the Dean of the faculty in which the student is registered during the graduating year. The approval of the Dean and the Deputy Provost, Student Life and Learning, is necessary to grant this status.

## 8 Advising and the University Mission

The Mission Statement of the University expresses the commitment to offer students the *best education available*. An essential component of this is the advising process. Academic advising takes place in many ways and locations at McGill, so it is important that you learn about the different : [Types of Advising and Advisers](#) and how they can help you reach your goals. You should also consult the advising information provided on your Faculty's website (: [Contact Information for Student Affairs Offices](#)) and on the [Academic Advising website](#).

---

### 8.1 The Role of the Student in Advising

Your active participation in the advising process is essential for accessing the full range of academic opportunities during your studies. You must be proactive in seeking meetings with various advisers, professors, and counsellors to ensure that you receive the advice you need to formulate a personal plan of study and to meet your academic goals. While advisers are there to provide you with guidance, you are ultimately responsible for meeting your degree or diploma requirements. It is your responsibility to learn the rules and regulations of the University, your faculty, and your program. With your cooperation, advisers and counsellors will assist you throughout your undergraduate studies.

The McGill University Archives (MUA) acquires, preserves, and makes available to students, faculty, staff and researchers (including the general public) more than 30,000 metres of records dating from 1797 to the present. These records document McGill University faculty, research, alumni, and student organizations, and certain Montreal-based organizations. Archived media include:

The MUA acquires private records to complement its collection of the University's documentary heritage and to support University research goals. The MUA manages the University's corporate memory and information assets through its records management program. This program manages the lifecycle of administrative records and protects vital evidence of University functions and activities according to federal and Quebec archives and records legislation, in addition to professional standards.

The MUA Reading Room is open Monday to Friday, from 10:00 a.m. to 6:00 p.m.; however, appointments are recommended. The MUA website features virtual exhibitions, tools to search the MUA holdings, and a large bank of digitized images.
