## 1.1 General Policies and Information

You must inform yourself of University rules and regulations and keep abreast of any changes that may occur. The *General Policies and Information* section of this document contains important details needed by you during your studies at McGill and should be periodically consulted, along with other sections and related publications.

### 1.1.1 Authorization, Acknowledgement, and Consent

When applying for admission to the University, you are bound by and agree to observe all statutes, rules, regulations, and policies at McGill University and the faculty or faculties to which you may be accepted and registered in, including policies contained in the University calendars and related fee documents. Your obligation as a student begins with your registration and ends in accordance with the University's statutes, rules, regulations, and policies.

You should verify all information or statements provided with your application. Incorrect or false information may jeopardize your admission. The University reserves the right to revoke

Responses on multiple-choice exams are normally checked by the Exam Security Computer Monitoring program. The program detects pairs of students with unusually similar answer patterns on multiple-choice exams. Data generated by this program can be used as admissible evidence in an investigation of cheating under Article 17 of the *Code of Student Conduct and Disciplinary Procedures*.

The Office of the Dean of Students administers the academic integrity process as described in the *Student Rights and Responsibilities*.

**Note:** All newly-admitted undergraduate and graduate students must complete a **mandatory online academic integrity tutorial** in their first semester, accessed through [Minerva](#) > *Student Menu* > *Academic Integrity Tutorial* or a registration "hold" will be placed on their record. Prior to Fall 2018, undergraduate students completed the tutorial in myCourses via the course AAAA 100, but as of Fall 2018 the tutorial must be completed in Minerva. For more information, see [mcgill.ca/students/srr/honest/students/test](http://mcgill.ca/students/srr/honest/students/test).

to a McGill professor, researcher or graduate student, strictly for research or teaching purposes; and to a University teaching/affiliated hospital or health centre to which you apply/or join for residency or rotations.

In addition to the above, **if you are a candidate for admission to the Schulich School of Music, you will be asked to consent** to the use of your name and images in public recognition of academic achievement and in the advertising and audio and video recording of student ensemble concerts for distribution using different media and formats.

At the time of application, you will be asked to **authorize the University** to:

- collect and maintain your personal information for the purpose of administering your University admissions and student record files;
- obtain copies of your transcripts from the *Ministère de l'Éducation et de l'Enseignement supérieur*; the Ontario Universities' Application Centre; and/or the British Columbia Ministry of Education;
- make inquiries to and obtain personal information from the *Ministère de l'Immigration, de la Francisation et de l'Intégration*; Immigration, Refugees and Citizenship Canada; and/or the *Régie de l'assurance maladie du Québec* to verify the validity of your immigration or health insurance status;
- validate with the *Ministère de l'Éducation et de l'Enseignement supérieur* information regarding your citizenship and previous institution attended, if necessary and as required in order to manage the admissions process and to determine your tuition fees;
- verify any information or statement provided as part of your application; and
- contact you through the McGill Alumni Association and University offices that maintain contact with McGill students, alumni, and friends for the purpose of providing University updates and opportunities for direct support to the University, including fundraising and making available special offers such groups may benefit from.

At the time of application, you will be asked to **acknowledge**

### 1.1.7.3 Use of Cloud Services

McGill's *Cloud Directive* governs your usage of cloud services—programs and apps delivered over the Internet. McGill has approved cloud apps and solutions that are available for your use while at McGill. However, you will need to choose your apps wisely as not all apps are safe, and they will not all adequately protect sensitive data (either your own or McGill's).

To learn how to safely use cloud apps and solutions, please refer to the [Cloud Services Page](#).

### 1.1.7.4 Two-Factor Authentication (2FA)

All student, faculty, and staff accounts are protected with *two-factor authentication (2FA)*, an additional security measure that requires a secondary method of authentication (e.g., acknowledging a prompt or entering a code sent to your mobile device via a mobile app) when signing into many McGill systems. 2FA makes it much harder for cybercriminals to access your account and your personal information, even if they obtain your password. 2FA is required for all higher education institutions in Canada.

Find out more about 2FA at [mcgill.ca/2fa](http://mcgill.ca/2fa).

### 1.1.7.5 Email Communication

All students are assigned a McGill email address (usually in the form of *firstname.lastname@mail.mcgill.ca*) and are given a McGill email mailbox. It is your responsibility to monitor your McGill email regularly because this is the official means of communication between McGill University and its students. Ensure that you read and act upon the emails in a timely fashion.

To access your McGill email, go to the Microsoft Office website and sign in with your McGill username and password.

**Note:** Confirm your McGill email address or set your McGill password on *Minerva*, under the *Personal Menu*. You can also change or reset your McGill password by following the instructions on the [McGill Password Reset Checklist](#).

If you have another email account using an external service provider (such as Gmail, Hotmail, Yahoo, etc.), please review the "[Options for dealing with multiple email services](#)" article on the IT Knowledge Base.

For more information, visit the [Policy on E-mail Communication with Students](#), available on the [Secretariat website](#).

### 1.1.7.6 Secure your Journey

IT policies and directives identify measures required to ensure the security and integrity of data and systems you use throughout your student journey. Find out about best practices and cybersecurity steps you can take at [mcgill.ca/cybersafe](http://mcgill.ca/cybersafe).

## 1.1.8 Non-Smoking Policy

*Quebec law* prohibits smoking in public buildings. Smoking on University Property is permitted only within outdoor Designated Smoking Areas. Smoking is prohibited outside any Designated Smoking Area on University Property. For more information, see [mcgill.ca/ehs/policies-and-safety-committees/policies/mcgill-smoking-policy](http://mcgill.ca/ehs/policies-and-safety-committees/policies/mcgill-smoking-policy) and [mcgill.ca/secretariat/policies-and-regulations](http://mcgill.ca/secretariat/policies-and-regulations).

**Note:** For the purposes of the Tobacco Control Act, "smoking" also covers the use of an electronic cigarette or of any other device of that nature; "tobacco" also includes the following accessories: cigarette tubes, rolling paper and filters, pipes, including their components, and cigarette holders. Please consult [Chapter L-6.2 - Tobacco Control Act](#), for further information.

## 1.1.9 Policy Concerning Cannabis

McGill University has adopted a *Policy Concerning Alcohol, Cannabis and Other Drugs*. This policy applies to all McGill students, faculty, staff and visitors on the Downtown and Macdonald campuses, the Gault Nature Reserve, and spaces leased by the University. The policy only permits the consumption of cannabis for medical reasons, accompanied by a valid medical certificate, under certain conditions. However, all consumption of cannabis for recreational use is prohibited on University property.

For further details on this policy please refer to the [Policy Concerning Alcohol, Cannabis and Other Drugs](#).

## 1.1.10 Student Health & Insurance

Learn more about health insurance, your requirements as a student, and services offered for special medical needs in the following sections.

### 1.1.10.1 Health Insurance – International Students

#### International Students (Non-Canadians or Non-Permanent Residents of Canada)

By Senate regulation, all international students (full-time, part-time, half-time, Additional Session, Thesis Evaluation, Non-Thesis Extension, Special, Exchange, and Visiting) and their accompanying dependants must participate in the University's compulsory International Student Health Insurance Plan (IHI). The University, the Quebec Ministry of Education, and the Canadian Immigration Authorities require a copy of your proof of health insurance on file. Take note, that minors (less than 18 years of age) are now *eligible* to apply for the provincial coverage in Quebec, Régie de l'assurance maladie du Québec (RAMQ).

For details on the IHI plan and information concerning rates, consult the [ISS website](#).

**Students covered by private health insurance are not exempt from the McGill plan.** However, you may be eligible for an [exemption](#) by meeting certain criteria. **Exemption requests must be made on Minerva under the International Student Health Insurance Coverage Form.** Supporting documents for your exemption request should be scanned and emailed to [ISS](#) by [certain deadlines](#), indicating in the body of the email your name, McGill ID number, and exemption request.

**Exemptions are valid for one year only and must be renewed each subsequent academic year.**

All inquiries related to McGill's International Health Insurance Plan must be directed to International Student Services:

**International Health Insurance**

Telephone: 514-398-4349

Email: [international.health@mcgill.ca](mailto:international.health@mcgill.ca)

Website: [mcgill.ca/internationalstudents/health](http://mcgill.ca/internationalstudents/health)

**Note for Continuing Studies:** International students who are enrolled in **credit** courses at School of Continuing Studies are also billed IHI and should also refer to the [Office of International Student Services](#) website for information on health insurance.

### 1.1.10.2 Health Insurance – Canadian Citizens and Permanent Residents

#### Canadians residing in Canada

All undergraduate and graduate (classed as Canadian full-time or Additional Session, Thesis Evaluation, Non-Thesis Extension, as well as Postdoctoral candidates) students beginning in the Fall term will be automatically enrolled in the applicable Students' Society's (SSMU, MCSS, or PGSS) supplemental Health and Dental Plans. Your supplemental health plan is only valid if you have provincial healthcare or have opted-in to the International Health Insurance Plan. For details on fees, change of coverage dates, and what is covered by the plans, refer to [www.studentcare.ca](http://www.studentcare.ca), or contact:

Studentcare/*Alliance pour la santé étudiante au Québec* (ASEQ)

Telephone: 514-789-8775 or 1-866-795-4435 (Monday to Friday, 9 a.m. to 5 p.m.)

Website: [www.studentcare.ca](http://www.studentcare.ca)

If you are a Canadian student from **outside Quebec**, you should check with your provincial medicare office to ensure that you have valid provincial health coverage while studying at McGill.

#### Canadians who have been residing outside of Canada

If you are a Canadian student who has been living abroad, you may not be eligible for provincial health insurance coverage. To verify your [eligibility](#) for the Quebec provincial health plan, contact:

## 1.2 Personal Information

You must inform yourself of University rules and regulations and keep abreast of any changes that may occur. The *Personal Information* section of this publication contains important details pertaining to nominative information, legal documents, and ID cards, as well as other topics, and should be consulted periodically.

### 1.2.1 Updating Personal Information

It is important to keep your McGill record up to date with your personal information, especially a mailing or billing address, as these are used by the University year-round. Upon initial registration, students are prompted to provide this information. Every six months thereafter, students are prompted to update this information as needed.

You must update your address(es) and/or telephone number(s) and emergency contact information on *Minerva* under the Personal Menu.

If you need to change important personal information that requires the University to verify official documents—such as a name change, gender, or a correction of your birth date—refer to the instructions at [mcgill.ca/student-records/personal-information/name-gender](http://mcgill.ca/student-records/personal-information/name-gender). Macdonald Campus students can request changes in person at the *Macdonald Campus Student Affairs Office*, Laird Hall, Room 106.

**Note for Continuing Studies:** If you need to change important personal information that requires the University to verify official documents, such as a change to your name, gender, citizenship, or a correction of your birth date, you must go in person (as soon as possible) to the School of Continuing Studies Client Services Office. Such changes can only be made in person at the School of Continuing Studies, Client Services Office, 688 Sherbrooke Street West, Room 1199.

**Note for Nursing:** A Quebec address and telephone number are required for Nursing students on *Minerva* to meet OIIQ registration requirements.

### 1.2.2 Submitting Legal Documents

McGill requires documentation from you to confirm your legal status. The following sections describe the documents needed for your specific situation and how you should proceed.

#### 1.2.2.1 Why Does McGill Collect Legal Documents from You?

Your tuition status at McGill will vary depending on your legal status in Canada. In order to determine your appropriate rate of tuition (Quebec, Canadian out-of-province, or international), we require documentation confirming your current status. We also require these documents to confirm your valid citizenship/immigration status. To find out which documents you must provide and when they are required, refer to [section 1.2.2.2: What Documents Does McGill Need from You?](#)

Some of the documents McGill requests of you help us obtain your **Permanent Code** from the Government of Quebec. This unique 12-character code is created by the Quebec Ministry of Education and is obligatory for all students registered in a Quebec institution. If you have previously attended school in Quebec, you should already possess a Permanent Code; it can be found on your school report card or your CEGEP and/or university transcripts. If you do not already have a Permanent Code, we will request to have it created for you. Once it has been created, it will reflect on your unofficial transcript.

You can consult your tuition and legal status (including your Permanent Code) on *Minerva*. Select *Student Menu > Student Accounts Menu > View your Tuition and Legal Status*.

**Note for Medicine and Health Sciences:** Once admitted to the Faculty, you will be required to provide additional documentation for the purposes of admission and registration. Details are provided in the application instructions. For more information, see [mcgill.ca/medadmissions/applying/elements](http://mcgill.ca/medadmissions/applying/elements).

## STUDENT TYPE

## REGISTRATION PROCEDURE

- After the online Inter-University Transfer form is approved by your home university and McGill, you must register in the approved course(s) on Minerva.
- Go to [mcgill.ca/students/courses/add/register](https://mcgill.ca/students/courses/add/register) and follow instructions on how to register. View your class schedule on *Minerva* to ensure you are correctly registered.

**Note:** The online IUT form is only an approval process and does not signify that you will be registered in the course.

### C) A Visiting Student from a university outside Quebec is:

- One who is currently registered in a degree or diploma program at another university. You may take Summer courses at McGill for credit at your home university. After you have selected the courses that you would like to take for university credit, obtain written permission from the Registrar or other responsible authority at your home university. This letter of permission should state the course(s) and number of credits that may be taken and must accompany the documentation sent to McGill.

### D) A Special Student is:

- One who has received either a conditional or final letter of acceptance to a McGill undergraduate degree or diploma program.
- Anyone who is not currently registered in a degree or diploma program either at McGill or elsewhere.
- One who is graduating from McGill University in the month of June 2024.

**Note:** If you have received a final acceptance to a McGill undergraduate degree or diploma program for Fall 2024 and have confirmed your acceptance, please see the registration procedures for student-type A) McGill students above.

### Registration for Visiting Students from universities outside Quebec and for all Special Students:

- Before registering for courses on Minerva, you must have a McGill record. You must first fill out and submit a Registration Package for Summer 2024, available for download at [mcgill.ca/summer/future-students/registering](https://mcgill.ca/summer/future-students/registering).

**Note:** There is a \$50 processing fee, payable online when you upload your Registration Package or in person at Service Point on campus.

**Note:** McGill students who have a Winter 2024 graduation term on their record will only need to complete the online form entitled *Authorization for Change of Program - Graduating Students* available at [mcgill.ca/students/records/forms](https://mcgill.ca/students/records/forms).

- Once your registration package has been processed, you will receive an email with your McGill ID number and instructions on how to register using *Minerva*. These instructions are also available at: [mcgill.ca/students/courses/add/register](https://mcgill.ca/students/courses/add/register).
- Note that you must provide your Permanent Code form and supporting documents according to the regulations explained in [section 1.2.2.2: What Documents Does McGill Need from You?](#) Please read this section carefully before submitting your registration package.
- Processing of registration packages will begin in February and registration will begin in March (see [section 3: Key Dates, Summer 2024](#)). Some courses fill up rapidly so you are advised to send your *Registration Package for Summer Studies* early.

**Note:** You are responsible for all courses in which you are registered unless you formally drop these courses online using Minerva before the deadline date. Neither notification of the course instructor nor discontinuing class attendance is sufficient (see [section 3: Key Dates, Summer 2024](#) for add/drop and withdrawal deadlines).

At the time this publication was finalized, new courses and modifications to some existing courses were under consideration. Students preparing to register are advised to consult [Class Schedule](#) and refer to [mcgill.ca/students/courses](https://mcgill.ca/students/courses) for the most up-to-date information on courses to be offered.

Not all courses listed are offered every year.

**Note for Graduate Studies:** You are advised to also refer to [University Regulations & Resources](#) > Graduate > Regulations > : [Registration](#) and [Student Records](#).

**Note for Health Sciences:** For information, you should refer to your Faculty/School section in this publication.

### 1.3.1.1 Class Schedule

The *class schedule* for the upcoming Fall and Winter terms normally becomes available in April prior to the opening of advising. The Summer term schedule is normally published in early February. The class schedule includes the days and times when courses are offered, class locations, names of instructors, and related information. You can also access the details of scheduled courses by clicking the course reference number (CRN) that appears with each course section shown in the class schedule.

You should make a note of any preregistration requirements for a course, such as placement tests or departmental approval/permission required.

Class schedule information is subject to change and is updated as courses are added, cancelled, rescheduled, or relocated. It is your responsibility to consult the class schedule at the time of registration, and again before classes begin, to ensure that changes in the schedule have not caused conflicts in your schedule.

Once you have selected some courses from the class schedule, try *Visual Schedule Builder* (VSB) to view your possible class schedules in an easy-to-read weekly schedule format. Please note that you cannot use Visual Schedule Builder to register but you can copy your choice of course reference numbers (CRNs) from VSB to have handy for registration in Minerva.

Please note that the last day of classes in a term varies according to a course's schedule pattern (e.g., Mon-Wed-Fri, Tues-Thurs, Monday only, etc.). You may verify these details at [mcgill.ca/importantdates/key-dates](http://mcgill.ca/importantdates/key-dates).

**Note for Health Sciences:** For information, you should refer to your Faculty/School section in this publication.

**Note for Medicine:** This section is not applicable to M.D.,C.M. students; see [mcgill.ca/ugme](http://mcgill.ca/ugme).

### 1.3.1.2 Course Numbering

Each McGill course is assigned a unique seven-character course “number”.

**The first four characters** (subject code) refer to the unit offering the course.

These codes were implemented in September 2002, replacing the three-number teaching unit codes previously used. A complete list of teaching unit codes and their subject code equivalents can be found at [mcgill.ca/student-records/transcripts/key](http://mcgill.ca/student-records/transcripts/key) in the section *Cross-walk of current subject codes to pre-2002 course numbers*.

**The three numbers following the subject code** refer to the course itself, with the first of these indicating the level of the course.

- Courses numbered at the 100, 200, 300, and 400 levels are intended for undergraduate students. In most programs, courses at the 300 and 400 levels are normally taken in your last two years.
- Courses at the 500 level are intended for qualified senior undergraduate students but are also open to graduate students.
- Courses at the 600 and 700 levels are intended for graduate students only.

**Two additional characters** (D1, D2, N1, N2, J1, J2, J3) at the end of the seven-character course number identify multi-term courses.

### 1.3.1.3 Course Terminology

**Prerequisite:** Course A is prerequisite to course B if a satisfactory pass in course A is required for admission to course B.

**Corequisite:** Course A is corequisite to course B if course A must be taken concurrently with (or may have been taken prior to) course B.

**Credits:** The credit weight of each course is indicated in parentheses beside the course title. For D1 and D2 courses, the credit weight is indicated after the course number. For further information, refer to [University Regulations & Resources > Undergraduate > Student Records > section 1.5.2: Credit System](#).

#### 1.3.1.3.1 Course Nomenclature in Program Descriptions

**Required Courses:** Mandatory courses that must be completed to fulfil the requirements of a program (e.g., major, minor, etc. at the undergraduate level or specific courses at the graduate level), unless the student receives exemptions. Students have no choices among required courses.

**Complementary Courses:** Courses selected from a restricted list, a particular subject area, or a discipline. In some programs, students must include a number of these to meet program requirements. **Complementary courses are not electives.**

**Elective Courses:** Courses, in some cases, taken outside of a student's program of study that do not count toward the fulfilment of the specific program requirements. Some restrictions may apply, but students have the most choice in selecting elective courses. Some faculties also permit students to take elective courses using the Satisfactory/Unsatisfactory (S/U) Option. Undergraduate students should consult their faculty regulations concerning electives; graduate students require the approval of their Program Director and Enrolment Services.

## 1.3.2 Course Selection

Course descriptions for all faculties can be found at [mcgill.ca/study/courses/search](http://mcgill.ca/study/courses/search). We also encourage you to check [mcgill.ca/summer/courseselection](http://mcgill.ca/summer/courseselection); in addition to descriptions for all courses, *Class Schedule* includes the days and times when courses are offered, names of instructors, class location, and remarks and comments. This information is subject to change and is updated as courses are added, rescheduled, or relocated. It is your responsibility to consult the Class Schedule on Minerva at the time of registration, and again

- *course restrictions*: departmental approval required, permission from the instructor required, enrolment limited, enrolment reserved for students in a particular program or year, etc.;
- *course prerequisites and/or corequisites*: students must have completed all prerequisites for a course with a grade of C or better to be eligible to register for that course;
- *time at which each course section is given*: do not register for course sections that have a time overlap;
- *placement examination required*: this is specified in the course description.

If you are currently a McGill student, please consult the Undered

### 1.3.4 Your Responsibility

While departmental and faculty advisors and staff will provide advice and guidance (see the [Academic Advising](#) page), you have ultimate responsibility for:

- the completeness and correctness of your course selection and registration;
- compliance with the completion of the course requirements;
- observance of regulations and deadlines as outlined in the Summer Studies eCalendar.

### 1.3.5 Quebec Inter-University Transfer Agreement

#### 1.3.5.1 Quebec Inter-University Transfer Agreement: McGill Students

The Quebec Inter-University Transfer (IUT) agreement permits concurrent registration at McGill and another Quebec institution.

If you are a regular McGill undergraduate or graduate degree, diploma, or certificate student, you may register, with your faculty's permission, at any Quebec university for 3—or in some cases 6—credits per term in addition to your registration at McGill. You may also obtain permission to complete a full term (i.e., 12 to 15 credits) at another Quebec university. Your combined registration may not, however, exceed the total number of credits you are permitted to complete in a given term. These courses, subject to faculty regulations, will be recognized by McGill for the degree that you are registered for, up to the limit imposed by the residency requirements of the program. Normally, you must complete a minimum residency requirement of 60 credits at McGill in order to qualify for a McGill degree (you should check with your faculty). This privilege will be granted if there are valid academic reasons.

If you want to take advantage of this agreement, consult your Student Affairs Office for details. Note that this agreement is subject to the following conditions:

- The Quebec universities concerned may, at their discretion, refuse the registration of a student for any of their courses.
- You must complete your faculty and program requirements.
- You are responsible for ensuring that the McGill Class Schedule permits you to take these courses without conflict.
- The Quebec universities concerned are not responsible for special arrangements in cases of examination or class schedule conflicts.
- Grades earned at the host university will not be included in your McGill grade point averages (GPA) or show on your McGill transcripts.
- If you are attending McGill as an Exchange student from outside Quebec, you are not eligible to

If you are a student at another Quebec university and wish to take courses at McGill using the Quebec Inter-University Transfer (IUT) agreement, you must initiate an online application to request the required authorizations at [mcgill.ca/students/iut](http://mcgill.ca/students/iut). You should also refer to your home university website for regulations on the number of credits allo

- B.Sc.(Arch.) students may use the S/U option for elective courses taken outside the School of Architecture. You cannot use the S/U option for courses in any other category of the Architecture program. If you choose not to use the S/U option, a grade of D is acceptable as a pass for these elective courses.
- You cannot use the S/U option for courses that are taken to satisfy a minor.

**Note for Law:**

- The S/U option is available for Law and non-Law electives and Law complementary courses within the BCL/JD. program.
- The S/U option is limited to one course in the BCL/JD. program for a maximum of 4 credits.
- Students are not permitted to choose the S/U option for required courses.
- The S/U option is not permitted for courses that are taken to satisfy a minor.

**Note for Management:** The S/U option is not available on Minerva for Management students. Requests for the S/U option can only be made during the official add/drop period. Please contact the BCom Office ([mcgill.ca/desautels/programs/bcom/contact-us](https://mcgill.ca/desautels/programs/bcom/contact-us)) for details on the conditions that apply.

**Note for the M.D.,C.M. program:** The M.D.,C.M. program functions on a pass/fail system. Your final grade for each course is recorded on your university transcript as S *satisfactory* (pass) or U *unsatisfactory* (fail). See : [Assessment System](#) for further details.

**Note for Schulich School of Music:** Music students may use the S/U option for elective courses taken outside the Schulich School of Music (non-music courses). Please note that the S/U option is not permitted for courses that are taken to satisfy a major or a minor.

**Note for Nursing:** The S/U option is not available to B.N.I. and B.Sc.(N.) students for required courses.

**Note for Physical and Occupational Therapy:** The S/U option is not available to Physical and Occupational Therapy students.

For further information, contact your departmental advisor or Student Affairs Office, as appropriate.

### 1.3.7 Auditing of Courses

McGill does not permit auditing of courses.

**Note for Continuing Studies:** You can register for a Continuing Studies course and opt to have it "non-evaluated".

## 1.4 Fees

The information in this publication was updated in January 2024. The University reserves the right to make changes without notice in the published scale of fees.

Further information regarding fees can be found on the Student Accounts website: [mcgill.ca/student-accounts/tuition-fees/tuition-and-fees-tables-and-rates](https://mcgill.ca/student-accounts/tuition-fees/tuition-and-fees-tables-and-rates).

For information on financial support, see [University Regulations & Resources](#) > Undergraduate > : [Scholarships and Student Aid](#).

**Note for Graduate and Postdoctoral Studies:** For information on financial support, see [mcgill.ca/gps/funding](https://mcgill.ca/gps/funding).

### 1.4.1 Access to Fee Information

You can view your *Account Summary by Term* on [Minerva](#). The Summer term fees will be accessible at the end of March.

#### 1.4.1.1 Guest Access on Minerva

You may choose to give access privileges to a guest on Minerva. These privileges include viewing e-bills/account summaries, tax receipts, and e-payment.

The [mcgill.ca/student-accounts/parents-and-sponsors/guest-access](https://mcgill.ca/student-accounts/parents-and-sponsors/guest-access) web page describes how to set up this access. You must provide certain information about the individual to whom you wish to grant access to your fee-related information. The guest will be contacted by email and provided with a link to use within a designated time period.

You can revoke guest access privileges at any time.

Note that [Service Point](#) staff may respond to questions from your authorized guest regarding the information to which they have been given access.

If you do not want to give a guest access privileges to Minerva, you can enter an "Alternate Student Billing" email address on Minerva to which Student Accounts will send a copy of the monthly e-bill notification.

You should not share your PIN (personal identification number) with anyone, including a guest on Minerva. *Guest Access* allows your guest to view your account information without knowing your PIN.

#### 1.4.2 Invoicing Information

Fees are assessed on a term-by-term basis.

Electronic billing is the official means of delivering fee statements to all McGill students. Your e-bill includes all charges to your account, including tuition, fees, health insurance, and other charges. The University generally produces e-bills at the beginning of the month and sends an email notification to your official McGill email address stating that your e-bill is available for viewing on Minerva ([www.mcgill.ca/minerva](http://www.mcgill.ca/minerva)). Charges or payments that occur after the statement date appear on the next month's statement, but you can view them immediately on the *Account Summary by Term* under the *Student Accounts Menu* on Minerva (this is the online dynamic account balance view).

Failure to check your McGill email on a regular basis in no way warrants the cancellation of interest charges and/or late payment fees. Refer to the Important Dates for Students website at [www.mcgill.ca/importantdates](http://www.mcgill.ca/importantdates) for information on payment due dates.

#### 1.4.3 Payment Procedures

Please see the Student Accounts website at [mcgill.ca/student-accounts/your-account/payment](http://mcgill.ca/student-accounts/your-account/payment) for the various methods of payment available to students and their guests.

#### 1.4.4 Tuition Fees

**Tuition rates are subject to change each academic year.** Please access *Tuition and fees* at [mcgill.ca/student-accounts/tuition-fees](http://mcgill.ca/student-accounts/tuition-fees). The annual rates of tuition and fees are updated as soon as they are known.

**Note:** Students who are required to submit documentation and who do not do so by the stipulated deadlines (December 1 – Fall; April 1 – Winter; August 1 – Summer) are billed at the non-Quebec Canadian or the international rate, depending on the documentation submitted. Students who are not automatically granted a fee deferral based on the University's evaluation of their personal information at admission, and who expect their fee residency status to change within the term—contingent on appropriate supporting documentation—must contact either [Service Point](#) or ion—must contact either

Certain faculties or departments may charge additional fees such as the Arts Information Technology Charge, Course Package Copyright Charges, etc. Students requiring a replacement ID card are required to pay \$25 for the card.

#### 1.4.4.4 Administrative Charges

The University assesses a number of administrative charges to students, which include:

**Registration Charge** – All students in courses and programs are assessed a registration charge.

**Information Technology Charge** – The purpose of the information technology charge is to enhance certain technological services provided to students as well as to provide training and support to students in the use of new technologies.

**Transcripts and Diploma Charge** – The University assesses a transcripts and diploma charge to all students. This entitles currently enrolled students to order transcripts free of charge and covers the costs of producing diplomas and some of the costs associated with convocation ceremonies. Students who attend their convocation may be responsible for some additional costs. A fee per official transcript is applicable if you have not been registered at McGill in the last 12 months. Please see [mcgill.ca/student-records/transcripts](http://mcgill.ca/student-records/transcripts) for further information.

**Copyright Fee** – All students in courses and programs are charged a copyright compliance fee. This fee covers the cost of using material protected by copyright. It is levied to comply with all Quebec and Canadian copyright laws.

**General Administrative Charge** – This fee originated from increases in ancillary fees that were allowed by the Quebec Government. The University complies with the Quebec government's regulation on administrative fee increases by applying the same indexation factor that the government applies to tuition to this charge. A portion of the amount continues to be directed to Athletics (except in the School of Continuing Studies).

For further information about administrative charges, see [mcgill.ca/student-accounts/tuition-fees/non-tuition-charges/society-services-and-administrative-fees](http://mcgill.ca/student-accounts/tuition-fees/non-tuition-charges/society-services-and-administrative-fees).

#### 1.4.4.5 Overdue Accounts

All tuition and fees assessed by the University must be paid in full or arrangements must be made to settle the debt.

Students' accounts are considered delinquent if they are not paid in full within 60 days after the bill is issued. McGill places a financial hold on these accounts, preventing students from obtaining official academic transcripts and from accessing Minerva for any registration functions. In the event that a student's account has a hold preventing registration or the release of transcripts, the University may require a guaranteed form of payment, for instance, a certified cheque or money order. Certain financial holds prevent the release of diplomas. Other financial holds can affect access to non-registration functions, for example Meal Plan Top-Ups.

**Interest:** Interest is charged on overdue balances at the monthly rate of 1.24% (14.88% annually), multiplied by the balance outstanding after the due date (within 2–3 days). The rate is evaluated each Spring, and then it is set for the following academic year. See [mcgill.ca/student-accounts/your-account/deadlines-and-penalties/overdue](http://mcgill.ca/student-accounts/your-account/deadlines-and-penalties/overdue) for more information.

**Note:** You should regularly verify your account balance on Minerva.

The University has no obligation to issue any transcript of record, award any diploma, or re-register you as a student if you do not pay your tuition fees, library fees, residence fees, or loans by their due date.

##### 1.4.4.5.1 Information for Registered Students

If you register for a term but still owe amounts from previous terms, you must either pay your previous term account balance or make payment arrangements with the Student Accounts Office before the end of the course add/drop period. If you have financial difficulty, first contact the **Student Aid Office** to discuss the possibility of obtaining financial aid:

Brown Student Services Building  
3600 rue McTavish, Room 3200  
Montreal QC H3A 0G3

Telephone: 514-398-6013  
Email: [student.aid@mcgill.ca](mailto:student.aid@mcgill.ca)  
Website: [mcgill.ca/studentaid](http://mcgill.ca/studentaid)

If you fail to pay the previous term's fees or to make arrangements to settle your debt prior to the add/drop deadline, the University will cancel your registration in the current and subsequent terms.

##### 1.4.4.5.2 Information for Students Who Are No Longer Registered

When students fail to settle their debt or reach a suitable payment arrangement, or fail to provide the Student Accounts Office with up-to-date contact information, the University refers these delinquent accounts to a collection agency. **If neither the University nor the collection agency is able to collect on the account, the University reserves the right to have the student reported to a credit bureau.** You should be aware that the University is entitled to 1450.4U.385 2

#### **1.4.4.10.3 External Scholarships**

You may also receive external scholarships from other organizations, outside agencies, parents' employers, or community groups. These awards are typically sent directly to the University. You should provide the Student Accounts Office with a letter from the external body indicating the details and requirements of how the scholarship funds should be distributed, including any conditions for the award. If such information is not specified, the amount of the scholarship will be split into two terms and will be credited to your account as soon as you have registered, with the second instalment credited the first working day in January, whiecirin

## 1.5.1 Academic Standing

When you first start your program, and in your first term, you are deemed to be in Satisfactory Standing. At the end of each term, after final grades have been submitted, your academic standing in your program is determined based on your grade point average (GPA) calculations in the current and previous terms and your faculty's regulations.

Academic Standing codes are generated in January for the Fall term, in May for the Winter term, and in September for the Summer term, and are displayed on your McGill official and unofficial transcripts. If you receive Unsatisfactory Standing, you may not continue in your program, register for any future terms and must apply for readmission to your faculty. Note that readmission is not automatic or guaranteed. Consult the appropriate section of this publication for the regulations on Academic Standing for your faculty.

- [section 1.5.1.7: Academic Standing: School of Continuing Studies](#)
- [section 1.5.1.8: Academic Standing: Schulich School of Music](#)

### 1.5.1.1 Academic Standing: Desautels Faculty of Management

BCom students, see [Desautels Faculty of Management > Undergraduate > BCom Degree Requirements > : Academic Standing](#).

### 1.5.1.2 Academic Standing: Faculty of Agricultural and Environmental Sciences

Agricultural and Environmental Sciences students, see [Faculty of Agricultural and Environmental Sciences > Undergraduate > About the Faculty of Agricultural and Environmental Sciences, including School of Human Nutrition \(Undergraduate\) > Faculty Information and Regulations > : Academic Standing](#).

Farm Management and Technology students, see [Faculty of Agricultural and Environmental Sciences > Undergraduate > Farm Management and Technology Program > : Academic Rules and Information – FMT](#).

### 1.5.1.3 Academic Standing: Faculties of Arts and Science (including B.A. & Sc.)

Your Academic Standing is based primarily on your cumulative grade point average (CGPA) but may also be affected by your term grade point average (TGPA). The Standing in each term determines if you are allowed to continue your studies in the next term, and if any conditions will be attached to your registration.

Decisions about Academic Standing in the Fall term are based only on grades that are avanoQ7p.derThe Stand51h tudiIsbdiIsbdiIsbdi0t1Tfn6201 Tm(anoQ7p.der)Tj1 0

- you may ask for permission to continue in your program;
- you must make a request for readmission as soon as you are placed in Unsatisfactory Standing;
- you must provide proof of extenuating circumstances that affected your academic performance (e.g., medical or other documentation).

Requests for readmission following an Unsatisfactory Standing must be submitted to:

- Arts: Associate Dean (Student Affairs)
- Science and B.A. & Sc.: Associate Dean, Student Affairs, Science

If your Standing is still incomplete by the end of course change period, you should immediately consult with your faculty Student Affairs Office.

At the end of the Winter term, if you have a mark of K or L, you will be placed in the appropriate Standing in June, if the outstanding mark in the course will not affect your Standing. Otherwise, Standing decisions will be made only once incomplete marks have been cleared. For more information about incomplete grades, please refer to [University Re](#)

If you are in Unsatisfactory Standing for the first time, the regulations below apply.

#### Students in Interim Unsatisfactory Standing after the Fall term:

You may continue with your studies under the following conditions:

- You must reduce your credit load to a maximum of 13 credits per term and must obtain, at the end of the term, either a CGPA of 2.00 or greater or a TGPA of 2.50 or greater.
- If you have a TGPA of 2.50 or greater, but your CGPA is less than 2.00, you may continue with your studies but will remain in Probationary Standing until you obtain a CGPA of 2.00 or greater.
- If you do not obtain either the TGPA or CGPA noted above, you will be placed in Unsatisfactory Standing.
- You must consult a faculty or departmental advisor before withdrawal deadlines concerning your course selection.

#### Students in Unsatisfactory Standing after the Winter term:

- You must withdraw from the Faculty of Engineering for a minimum of one term.

For more information about Academic Standing, see [mcgill.ca/engineering/students/undergraduate/advising-programs/academic-standing](https://mcgill.ca/engineering/students/undergraduate/advising-programs/academic-standing).

#### 1.5.1.6 Academic Standing: Faculty of Law

If you do not obtain a sessional grade point average (GPA at the end of Fall and Winter terms combined) of at least 1.50, you will be required to withdraw from the Faculty. If your sessional GPA is between 1.50 and 1.99, you will be permitted to continue with your program, but you must obtain a subsequent sessional GPA of 2.50 or a Cumulative GPA (CGPA) of 2.00. You must have a CGPA of 2.00 to be considered for graduation. Students who are required to withdraw from the Faculty may be authorized to continue in their program by the Faculty Admissions Committee if there are exceptional reasons for the required withdrawal.

#### 1.5.1.7 Academic Standing: School of Continuing Studies

If you are in Unsatisfactory Standing, you must apply to the Appeals Committee of your academic area.

#### 1.5.1.8 Academic Standing: Schulich School of Music

Music students, see [Schulich School of Music > Undergraduate > Academic Information > : Academic Policies in the Schulich School of Music](#).

#### 1.5.1.9 Academic Standing for Degree Students Registered in the Summer Term

If you are in Unsatisfactory Standing, you may register for Summer courses but will be blocked from Fall term registration unless you have been readmitted by your faculty. Consult the student affairs office of your faculty for more information ([mcgill.ca/students/advising/advvisordirectory](https://mcgill.ca/students/advising/advvisordirectory)).

If you are graduating at the end of the Winter 2024 term, you can still register in Summer courses, but you will be classified as a Special Student. Please fill out the *Authorization for Change of Program - Graduating Students* form available at [mcgill.ca/students/records/forms](https://mcgill.ca/students/records/forms).

**Note:** You cannot graduate at the end of the Summer 2024 term and attend the Spring 2024 convocation. If you complete your degree requirements during Summer 2024, you will be granted your degree at the Fall 2024 convocation.

## 1.5.2 Credit System

The faculties listed in this publication use the credit system, where each course is assigned a credit rating reflecting the number of weekly contact hours. In general, a three-credit course indicates three hours of lectures per week for one term, but this does not apply to all faculties. Laboratory contact hours usually count for fewer credits. Credits also reflect the amount of effort required of you and generally assume two hours of personal study for each contact hour.

The credit weight of each course is indicated in parentheses beside the course title.

**Note:** One credit equals about 45 hours of work. This may be a combination of lecture, laboratory, tutorial, and conference time plus personal study hours. Personal study hours may include required activities, group activities, time spent doing assignments, and preparing and reviewing for a course. All synchronous activities should be held within the time the course is scheduled per the *Minerva Class Schedule*. Credit hours normally do not require a set number of synchronous hours, allowing for flexibility in course design and scheduling options. However, some programs, such as those with accreditation requirements, may require a minimum of synchronous contact hours.

**Note:** Credit for multi-term courses (courses with the suffixes: D1, D2; N1, N2; J1, J2, J3) is granted only after successful completion of all components in the specified time frame. For example, a student would have to take D1 and D2 components in consecutive terms and successfully complete them both in order to obtain credit.

**Note for Agricultural and Environmental Sciences, and Science:** As a guideline, a one-credit course would represent approximately 45 hours of total work per course. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials, and problem periods as well as personal study hours.

**Note for Engineering:** One credit normally represents three hours total work per week. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials, and problem periods as well as personal study hours. As a guide, the average number of hours

per week of course activities is indicated in the course listing underneath the course description. For example, (3-1-5) indicates a course consisting of three lecture hours per week, one hour of tutorial or lab, and five hours of personal study per week.

**Note for Summer Studies:** For Summer courses, a three-credit course usually indicates ten hours of lectures per week starting in either the May,

$$\text{GPA} = \frac{\sum (\text{course credit} \times \text{grade points})}{\sum (\text{GPA course credits})}$$

The *term grade point average* (TGPA) is the GPA for a given term calculated using all the applicable courses at the same level in that term. The *cumulative grade point average* (CGPA) is the GPA calculated using your entire record of applicable courses at McGill at the same level; if you change levels, e.g., from undergraduate to graduate, the CGPA starts again.

This policy took effect in January 2003. Prior to January 2003, if your degree program had changed—e.g., from B.Sc. to B.A.—the CGPA calculation restarted again. For students with academic information prior to Fall 2002, who are registered in a different program or in a different level post-Fall 2002, the transcript displays a special message regarding the CGPA restarting.

If you repeat courses, all final grades are included in the GPA calculation. Therefore, grades of D or F continue to be used in the CGPA calculation even after you repeat the course or if you take a supplemental examination. Note that credits are only granted once for a repeated course regardless of the passing grade.

You must obtain a minimum CGPA of 2.00 to be considered for graduation with a McGill degree.

**Note:** During the first week of lectures, each instructor will provide a syllabus. The syllabus will include information regarding the course and the instructor's contact information.

## Other Grades

**Note for Music:** Option 1 is not available to students in the Schulich School of Music.

You must request option 1 no later than four months after the end of the examination period of the original course.

You must request option 2 by the faculty deadlines as indicated in [University Regulations & Resources](#) > Undergraduate > Examinations: General Information > Final Examinations > : [Final Examinations: Deferred Examinations](#).

You must request option 3 by the faculty deadlines as indicated at [mcgill.ca/exams](http://mcgill.ca/exams).

#### **1.5.5.4 After Registrar Deadlines**

The University does not normally consider a change requested after the [section 1.5.5.2: Registrar Deadlines](#) have passed. In situations where there are extraordinary personal or extraordinary academic circumstances that could not have been foreseen prior to these deadlines, you may formally request a student record change from your Associate Dean or Director. If your Associate Dean or Director approves the request, the change will be processed according to faculty and Enrolment Services student record procedures. You may be assessed a fee for a change requested after Registrar deadlines. For all changes other than grade changes, the faculty will file full documentation that supports the extraordinary circumstances with Enrolment Services.

**Note:** Proxy requests will be accepted only with written authorization.

#### 1.5.6.4 Course Numbering on the Transcript

Prior to September 2002, course numbers had seven-character designations beginning with a three-number code indicating the teaching unit/department. The next three digits specified the course, with the first of these indicating its level. The final character was a letter indicating the term, or terms, during which the course was offered. For example:

107-200A = Philosophy (107) course (200) in Fall term (A);

301-202B = Architecture (301) course (202) in Winter term (B);

154-230D = Economics (154) course (230) extending for two terms, Fall and Winter (D).

A list of the former teaching unit codes and their subject code equivalents is available at [mcgill.ca/student-records/transcripts/key](http://mcgill.ca/student-records/transcripts/key).

In addition to the University Student Assessment Policy (available on the [Secretariat website](#)) and the general examination regulations listed at [mcgill.ca/exams/regulations](http://mcgill.ca/exams/regulations), you should also consult the faculty sections of this publication for particular regulations. You will be informed of the evaluation method used in each course by the end of the Course add/drop period.

As per the [section 1.1.3: McGill Language policy](#), every student has a right to write papers, examinations and theses in English or in French, except in courses where knowledge of a language is one of the objectives of the course.

You are not permitted to write an in person or online examination in any course unless you have fulfilled the requirements of the course to the satisfaction of the instructor and your Associate Dean or Director. For an in person examination or test, you must submit all written work to the invigilator or instructor before leaving.

As per the exam regulations, you must have your valid McGill student ID card with you to write an in person examination. If you have lost your McGill ID, please provide a govpleitearit46.4 Tm(v)Tjjectionsofrnment(v)Tu

**Note for Continuing Studies Students:** You should consult the academic sections of this publication for particular regulations.

### 1.6.1 Examination Accommodations for Students registered with the Office for Student Accessibility & Achievement

Students registered with the Office for Student Accessibility & Achievement with an active accommodation plan may register for accommodations for all tests, quizzes, exams, and finals. For more information see: [mcgill.ca/osd/student-resources/forms/exam-sign](https://mcgill.ca/osd/student-resources/forms/exam-sign).

### 1.6.2 Credit by Examination

In certain exceptional cases and in certain faculties, you can apply to the Associate Dean or Director to write a final examination in order to obtain credit in a course that you were not registered in. This is possible only in those courses where there is no other assessment except the final examination.

### 1.6.3 Faculty of Engineering Policy on Use of Calculators in Faculty Tests and Examinations

The use of calculators during tests and examinations is at the discretion of the course instructor. If a calculator is permitted in the examination, you are required to use one of the following calculators:

- CASIO fx-100MS
- CASIO fx-115MS
- CASIO fx-260
- CASIO fx-300MSPlus
- CASIO fx-570MS
- CASIO fx-991MS
- CASIO fx-992S
- SHARP EL-510
- SHARP EL-520
- SHARP EL-531
- SHARP EL-546 (all extensions are acceptable for SHARP calculators)
- TI-30XIIS

No other calculators will be permitted, regardless of their level of sophistication, unless otherwise stated by the examiner. **Non-regulation calculators will be removed and no replacement calculator will be provided.** You are expected to own one of the above-listed Faculty of Engineering Standard Calculators.

For more information, see [mcgill.ca/engineering/students/current-students/undergraduate/courses-registration/exams-assessment/faculty-standard-calculators](https://mcgill.ca/engineering/students/current-students/undergraduate/courses-registration/exams-assessment/faculty-standard-calculators).

### 1.6.4 Final Examinations

Final examinations in regularly scheduled courses are held during the final examination period at the end of the term. The format of the final exams can be either online or in person, depending on the situation. The dates of the final examination periods are listed at [mcgill.ca/exams](https://mcgill.ca/exams).

**Important Note:** You are advised not to make travel plans prior to the release of the Final Exam Schedule. Vacation plans *do not* constitute grounds for the deferral or re-scheduling of final exams.

**Note for Summer Studies:** All information pertaining to final exam conflicts can be found at [mcgill.ca/summer/finalexams](https://mcgill.ca/summer/finalexams).

In some courses there is no final examination; your final grade in these courses is determined by different forms of assessment(s) indicated in the course outline. During the first week of class, students will be provided with a course outline, which along with other details, will include the types of assessment to be used in the course and the weight accorded to each assessment.

#### 1.6.4.1 Final Examinations: University Regulations Concerning Final Examinations

##### 1.6.4.1.1 Preamble

The objectives of these regulations are as follows:

1. to protect students from excessive workloads;
2. to use the entire term to maximum advantage.

- Students in undergraduate faculties, except in the Faculty of Arts or the Faculty of Science, must contact their Student Affairs Office to determine the process to request a formal reread; see : [Contact Information for Faculty & School Student Affairs Offices](#);

**OR**

- Students in the Faculty of Arts or the Faculty of Science must submit a [Final Exam Reread Request](#).

Students must consult their faculty Student Affairs Office or their faculty/school website for the most up-to-date information on exam rereads in their specific faculty/school.

The deadlines to submit a formal reread for undergraduate courses are:

- March 31 for courses in the Fall term
- September 30 for courses in the Winter and Summer terms

**1.6.4.3.1 Reassessments and Rereads: Faculties of Arts and Science (including B.A. & Sc.)**

There are two recognized types of impartial reviews: reassessments and rereads:

- reassessment of coursework completed during the term (term papers, mid-terms, assignments, quizzes, etc.)
- reread of a final exam

In both cases, rather than correct and grade the work again, reviewers assess the **appropriateness** of the original grade based, for example, on the application of the grading key to the student's work. If a grade is deemed unfair, it is changed, whether the new grade is higher or lower than the original, i.e., the reviewer's grade takes precedence over the original grade.

**1.6.4.3.1.1 Reassessment of Coursework**

These reassessments are administered and conducted solely by the units involved according to procedures specified by the units and made available to staff and students. Requests for such reassessments must be made within 10 working days after the graded material(s) has been made available for students to view. Reassessments should normally be completed within 20 working days of the request.

**1.6.4.3.1.2 Rereads of Final Examinations**

Deadlines to request final exam rereads:

- **March 31** for courses in the Fall term
- **September 30** for courses in the Winter and Summer terms

Exam reread fees apply; refer to the [Student Accounts](#) website for fee amounts and information.

For students pursuing a *Bachelor of Arts*, *Bachelor of Science*, or *Bachelor of Arts & Science*:

- Requests for a final exam reread must be made via [Service Point](#);
- It is strongly recommended, but not required, that you consult with the instructor of the course before requesting a reread of a final exam.

Students from outside the Faculties of Arts or Science taking a course administered by them must submit final exam reread requests directly to the Student Affairs Office of their Faculty for Approval.

Reassessments and rereads in courses not in the Faculties of Arts and Science are subject to the deadlines, rules, and regulations of their relevant faculties.

**1.6.4.3.2 Rereads: Faculty of Engineering**

You can request a formal reread of a final examination once you have discussed it with your instructor. You must complete a *Reassessment of a Grade and Reread webform* and submit it to the Student Affairs Office, [Engineering Student Centre](#).

The following regulations apply:

- Grades may be either raised or lowered as the result of a reread.
- A fee for each reread will be assessed directly to your McGill account if the result remains the same or is lowered. If the grade is raised, there is no charge. Consult the Student Accounts website for the fee at [mcgill.ca/student-accounts/tuition-fees/non-tuition-charges/other](http://mcgill.ca/student-accounts/tuition-fees/non-tuition-charges/other).

**Reread application deadlines:**

- Fall courses: last working day of (acu 1e172.51e1is3applf 58.3 Tm(e)k.r)Tj1 0 0 1 in the

### 1.12.6 Lyman Entomological Museum and Research Laboratory

Located on the Macdonald Campus, this institution is the insect collection and systematic entomology laboratory of McGill University. The collection houses 2.8 million specimens of insects and other arthropods, making it the second-largest insect collection in Canada, and the largest university insect collection in the country. The Lyman Museum is not generally open to the public since its main functions are research and teaching, not exhibitions. However, tours are available by appointment to interested parties.

Telephone: 514-398-7914

Website: [mcgill.ca/historicalcollections/departmental/lyman](http://mcgill.ca/historicalcollections/departmental/lyman)

### 1.12.7 Other Historical Collections

In addition to the McGill museums, there are other collections and exhibits of a specialized nature curated by McGill's **Heritage Advisory Committee**.

McGill began accumulating cultural property by virtue of acquisition or donation even before the university itself was established. At the Montreal Medical Institute, which became McGill's Faculty of Medicine and Health Sciences, specimens were collected and used as teaching tools as early as 1822. Articles published about early collections gained international recognition for faculty members such as Andrew Fernando Holmes and Sir William Dawson. Their collections and others had a major influence on building McGill's reputation as a learned institution.

### 1.13.8 Student Governance

All students registered in an undergraduate program on the Downtown Campus are registered members of the accredited Students' Society of McGill University, more commonly known as SSMU. The SSMU is your representative on key issues inside and outside of the campus and will advocate for student priorities to both the McGill administration and government bodies. There are six elected executives of SSMU who represent all 22,000-plus undergrads on the Downtown Campus. There is a *Legislative Council* that meets with representatives from faculty associations and other student groups around campus on a bi-weekly basis. This council of thirty-seven members meets to discuss student issues and how services are being provided to students.

SSMU operates over 250 clubs and runs 19 student services; for more information, see [ssmu.ca/student-life/clubs-services-isg](http://ssmu.ca/student-life/clubs-services-isg). SSMU provides a great deal of extra-curricular opportunities for students to balance a life of study with a life of involvement, and an opportunity to meet other students. The organization also provides event programming such as freshman orientation (Orientation Week/Frosh), Activities Night, Faculty Olympics, community engagement opportunities, workshops, and concerts. Each faculty and each department also has organizations dedicated to providing extra-curricular involvement for their students.

Situated on the Downtown Campus, SSMU operates a five-floor building including a student lounge, cafeteria, *campus bar*, and many multipurpose spaces namely for use by student groups, but also for McGill community members.

SSMU offices are located at 3600 McTavish Street, Suite 1200 and operate between the hours of 9:00 a.m. and 5:00 p.m. during the year.

For more information regarding student government at McGill you can [contact the SSMU](#) or visit their website at [ssmu.ca](http://ssmu.ca).
