1 University Regulations and Resources (School of Continuing Studies)

1.1 General Policies and Information

You must inform yourself of University rules and regulations and keep abreast of any changes that may occur. The *General Policies and Information* section of this document contains important details needed by you during your studies at McGill and should be periodically consulted, along with other sections and related publications.

1.1.1 Authorization, Acknowledgement, and Consent

When applying for admission to the University, you are bound by and agree to observe all statutes, rules, regulations, and policies at McGill University and the faculty or faculties to which you may be accepted and registered in, including policies contained in the University calendars and related fee documents. Your obligation as a student begins with your registration and ends in accordance with the University's statutes, rules, regulations, and policies.

You should verify all information or statements provided with your application. Incorrect or false information may jeopardize your admission. The University reserves the right to revoke an admission that is granted based on incorrect or false information in an application or supporting documents.

1.1.2 Student Rights and Responsibilities

Student Rights and Responsibilities is produced jointly by the Office of the Dean of Students and the Secretariat. It contains regulations and policies governing your rights and responsibilities as a student at McGill, and is available at mcgill.ca/students/srr.

Further details regarding your rights and responsibilities are also available at mcgill.ca/secretariat/policies-and-regulations.

1.1.3 Language Policy

The main language of instruction at McGill is English. You have the right to write essays, examinations, and theses in English or in French except in courses where knowledge of a language is one of the objectives of the course.

If you need to improve your English skills, you should take an intensive course in English as a second language before or at the start of your studies. Information concerning second language course offerings can be found through the School of Continuing Studies at mcgill.ca/continuingstudies/area-of-study/languages and the French Language Centre at mcgill.ca/flc, and in *Summer Studies* and *Continuing Studies*.

Note for the Faculty of Education: There are special language requirements for Faculty of Education students; see *Faculty of Education*.

Note for Continuing Studies: For English language programs, refer to the School of Continuing Studies' *Global and Strategic Communications* section.

Note for the Faculty of Law: Due to the bilingual nature of the Law program, examinations, term papers, and essays may be written in either English or French. Participation in Moot Courts may also be in either language. While examination questions are set in the language in which a course is given, they may contain materials in either English or French.

Note for Graduate and Postdoctoral Studies: You should refer to *Courses Taken as Extra to a Program* in the Graduate Regulations and Resources.

Note for Health Sciences: Students studying in the Faculties of Dental Medicine and Oral Health Sciences or Medicine and Health Sciences or in the Schools of Human Nutrition, Nursing, or Physical and Occupational Therapy should consult the Health Sciences *language requirements* and any language policies pertaining to their specific program. Programs with a clinical component require that students have where kno

Responses on multiple-choice exams are normally checked by the Exam Security Computer Monitoring program. The program detects pairs of students with unusually similar answer patterns on multiple-choice exams. Data generated by this program can be used as admissible evidence in an investigation of cheating under Article 17 of the *Code of Student Conduct and Disciplinary Procedures*.

The Office of the Dean of Students administers the academic integrity process as described in the *Student Rights and Responsibilities*.

Note: All newly-admitted undergraduate and graduate students must complete a **mandatory online academic integrity tutorial** in their first semester, accessed through [Minerva > Student Menu > Academic Integrity Tutorial](#) or a registration "hold" will be placed on their record. Prior to Fall 2018, undergraduate students completed the tutorial in myCourses via the course AAAA 100, but as of Fall 2018 the tutorial must be completed in Minerva. For more information, see mcgill.ca/students/srr/honest/students/test.

1.1.5 University Student Assessment Policy

The *University Student Assessment Policy* includes all disparate policies with regard to all types of student assessments. This policy is meant to protect students from excessive workloads, and to ensure that all students are treated equally.

This policy applies to undergraduate and graduate courses offered by the University that are evaluated by any form of assessment. Except where otherwise indicated, this policy applies to all faculties, including those which administer their own examinations.

You can consult the policy on the [Secretariat website](#).

1.1.6 Policy Concerning Access to Records

The University sends statements of account and all other correspondence directly to students. You retain full control over who has access to your records or accounts; however, officers and members of the University staff also have access to relevant parts of your records for recognized and legitimate use. The University does not send progress reports or any other information to your parents and/or sponsors unless you specifically request it in writing.

Personal information is protected in the Province of Quebec by the Act Respecting Access to Documents Held by Public Bodies and the Protection of Personal Information (the "Access Act"). The Access Act provides that McGill University can only release personal information contained in your file with your authorization or if specifically authorized by law.

For the purpose of consent and acknowledgement at the time of application, personal information includes, but is not limited to: name, address, telephone number, email address, date of birth, citizenship, McGill ID, program, student status, and academic record information.

Registered students may oppose the release of certain personal information by completing an [Opposition Form](#).

After having reviewed the information relating to access to personal information at the time of application, you will be asked to agree that the University may collect, use, disclose, or otherwise manage your personal information as described below, as necessary and as the case may be.

At the time of application, you will be asked to **consent to the release of personal information** contained in your admissions or student records file to the following persons or bodies, as necessary to each body, in the exercise of their mission:

In addition to the above, **if you are a candidate for admission to the Schulich School of Music, you will be asked to consent to** the use of your name and images in public recognition of academic achievement and in the advertising and audio and video recording of student ensemble concerts for distribution using different media and formats.

At the time of application, you will be asked to **authorize the University** to:

- collect and maintain your personal information for the purpose of administering your University admissions and student record files;

Note: The Leave of Absence Policy is applicable only to currently registered students who have not withdrawn from all their courses. If a student is considering a *University Withdrawal* due to personal or family health, they should consult their faculty's Student Affairs officer about the possibility of taking a leave of absence.

1.1.8.4 Two-Factor Authentication (2FA)

All student, faculty, and staff accounts are protected with *two-factor authentication (2FA)*, an additional security measure that requires a secondary method of authentication (e.g., acknowledging a prompt or entering a code sent to your mobile device via a mobile app) when signing into many McGill systems. 2FA makes it much harder for cybercriminals to access your account and your personal information, even if they obtain your password. 2FA is required for all higher education institutions in Canada.

Find out more about 2FA at mcgill.ca/2fa.

If you are a Canadian student from **outside Quebec**, you should check with your provincial medicare office to ensure that you have valid provincial health coverage while studying at McGill.

Canadians who have been residing outside of Canada

If you are a Canadian student who has been living abroad, you may not be eligible for provincial health insurance coverage.

Important: If you are not eligible, in order to ensure adequate health insurance coverage you may enrol in the **group plan** offered through International Student Services for international students. **Please note that this option is available only during the first month of each new semester at McGill.**

Note for School of Continuing Studies: Continuing Studies students also have access to a health and dental plan offered by MACES; please refer to http://studentcare.ca/rte/en/IHaveAPlan_MACES_Home for eligibility and other information.

Note for Graduate and Postdoctoral Studies: Graduate students classed as Canadian full-time or Additional Session, Thesis Evaluation, Non-Thesis Extension, as well as postdoctoral candidates are automatically covered by their society's extended Health and Dental Plan (PGSS). Eligible students not charged automatically for insurance fees can choose to enrol themselves during the appropriate Change-of-Coverage period. For more information on what this plan covers, as well as enrolment, opt-out procedures, and deadlines, please refer to the latest information at studentcare.ca/rte/en/McGillUniversitygraduatestudentsPGSS_Home. Students without valid Canadian medicare, please see [section 1.1.9.1: Health Insurance – International Students](#), or the **Canadians who have been residing outside of Canada** section above.

1.1.9.3 Special Medical Needs

If you have special medical needs, please book an appointment with the [Student Wellness Hub](#) to discuss how to manage your health while at McGill.

If you anticipate encountering ongoing barriers in the academic or physical environment due to disability, injury, or illness, please consult with the [Student Accessibility & Achievement](#) to determine an appropriate individualized accommodation plan. Appropriate medical documentation may be required, and can be discussed with an Access Advisor. Academic accommodation planning and support is available to students at the Downtown Campus as well as the Macdonald Campus, and to students in Continuing Studies. Please refer to mcgill.ca/access-achieve/ for more information, or to book an appointment.

1.2 Personal Information

You must inform yourself of University rules and regulations and keep abreast of any changes that may occur. The *Personal Information* section of this publication contains important details pertaining to nominative information, legal documents, and ID cards, as well as other topics, and should be consulted periodically.

1.2.1 Updating Personal Information

It is important to keep your McGill record up to date with your personal information, especially a mailing or billing address, as these are used by the University year-round. Upon initial registration, students are prompted to provide this information. Every six months thereafter, students are prompted to update this information as needed.

You must update your address(es) and/or telephone number(s) and emergency contact information on *Minerva* under the Personal Menu.

If you need to change important personal information that requires the University to verify official documents—such as a name change, gender, or a correction of your birth date—refer to the instructions at mcgill.ca/student-records/personal-information/name-gender. Macdonald Campus students can request changes in person at the *Macdonald Campus Student Affairs Office*, Laird Hall, Room 106.

Note for Continuing Studies: If you need to change important personal information that requires the University to verify official documents, such as a change to your name, gender, citizenship, or a correction of your birth date, you must go in person (as soon as possible) to the School of Continuing Studies Client Services Office. Such changes can only be made in person at the School of Continuing Studies, Client Services Office, 688 Sherbrooke Street West, Room 1199.

Note for Nursing: A Quebec address and telephone number are required for Nursing students on *Minerva* to meet OIIQ registration requirements.

1.2.2 Online (Distance) Programs

Students registered in exclusively online (sometimes referred to as 'distance') programs are required to declare where they are geographically located while studying for every term they are registered in the online program. For students pursuing an online program, location while studying is considered — along with the fee residency status (i.e. Quebec Resident, Canadian or International) — when determining what fees are charged.

The following programs are designed to be offered exclusively online and, with some exceptions, are not offered on one of McGill's campuses:

*: This program is self-funded

** : This program may also have an on-campus equivalent. Only students in the online version of the program must use Minerva to submit a declaration of location for a registered term.

Students in the online version of any program listed above, except those that are self-funded, will pay tuition as follows:

1. Students studying within the province of Quebec will be subject to the rates established by the government for in-province students, according to their proven fee residency status.
2. Students who are located outside Quebec while studying will be subject to deregulated tuition rates.

Most regular university charges will apply to all students in all online programs, but certain fees may be reduced or eliminated for students located outside the province while studying. For example, the Athletics & Recreation Fee is not charged to students located outside Quebec, and International students located outside Quebec but within Canada may request to opt-in to the International Health Insurance through mcgill.ca/internationalstudents/health.

Online program students must self-declare their location while studying **for every term they are registered in the online program** via Minerva under *Student Menu > Location of Study - Online (distance) program*. Students are notified by email that the Minerva form *for the upcoming term* is open and can be accessed. The form opens to all registered students in the above programs on:

Fall term: July 16

Winter term: November 16

Summer term: March 16

Once a student has declared their location for a given term, they cannot use Minerva to update the information for that term if it should change. To make a change to the declaration:

- Students in a **Continuing Studies** program should call 514 398-6200 or email info.conted@mcgill.ca.
- All other students should contact Service Point at mcgill.ca/servicepoint/contact.

Students will be asked to support their application for a change in location with appropriate documentation which can include, for example, Quebec Medicare Card, Quebec Driver's License, rental agreement, mail addressed to them at a Quebec address, etc. If the change of location occurs by the last day of classes in the Fall/Winter terms, and August 15th for the Spring/Summer terms, then the change will affect that term. After these dates, a student must wait for the opening of the new term to make the new self-declaration for the new term. If the proof cannot be provided by the last day of classes for the term of the requested change, then Enrolment Services reserves the right to refuse the application.

Where it is determined that a student has falsely declared themselves to be in Quebec, then the University reserves the right to re-assess tuition at the deregulated rates for their program and — in addition — the student would be subject to the rules contained in the Code of Student Conduct and Disciplinary Procedures.

1.2.4 Identification (ID) Cards

As a student registered at McGill, you are required to present an ID card to:

- write examinations;
- use libraries and student services, including certain laboratories;
- access residence buildings;
- access meal plans; and
- access the inter-campus shuttle bus.

The Student Identification card is the property of the University, for use by the cardholder only, and is not transferable. If you withdraw from all of your courses, you must return it to Enrolment Services (or the Faculty of Agricultural and Environmental Sciences, Student Affairs Office, Macdonald Campus).

- New students must be registered for at least one course to obtain an ID card.
- You must allow for at least 24 hours after you have registered for your first course before requesting an ID card.
- If you do not register for consecutive terms, you should retain your ID card to avoid having to replace it when you re-register.
- If your card has expired, there is no charge for a replacement if you hand in the ID card.
- If you change programs or faculties, there is no charge to issue a new card if you hand in the ID card.
- If your card has been lost, stolen, or damaged, there is a replacement fee; please see the [Student Records](#) website for an exact fee amount.
- If you need security access to labs or other facilities, please contact the Area Access Manager (AAM) of the building in which the room is located. To find out who the AAM is, consult the [Find the AAM](#) list on the [Security Services website](#).

Note for Continuing Studies: You must allow at least one day after you have registered before applying for your ID card. An ID card will not be issued to you if you have any outstanding fees. You may obtain your ID card at the [Client Services office](#) of the School of Continuing Studies. If you withdraw from all of your courses, you must attach your ID card to the withdrawal form or return it to the Client Services Office of the School of Continuing Studies.

1.2.4.1 ID Card Schedule for the Downtown Campus

The locations and opening hours of ID card centres can be found on the Student Information website at mcgill.ca/student-records/personal-information/id.

- New students can obtain their ID card 24 hours after registering for their first course. Registration dates for new students can be found [here](#).
- Returning students must be registered for at least one course and may present themselves at an ID card centre during their operational hours at any time in order to obtain a replacement card. Please refer to the following site for information on the Downtown Campus ID Centre: mcgill.ca/student-records/personal-information/id.

1.2.4.2 ID Card Schedule for the Macdonald Campus

New students can obtain their ID card 24 hours after registering for their first course. Registration dates for new students can be found [here](#).

1.2.5 Legal Name and Legal Sex Designation

1.2.5.1 Legal Name

Your legal name is the name that will appear on your degree, diploma, or certificate upon graduation, and on your e-bills, tax receipts, and official transcript. It is also used by the Government of Quebec to create a [Permanent Code](#).

After confirming your offer of admission and registering at McGill, the name provided on your admission application is validated and, in the event of a variation, updated to match the legal name appearing on one of the following documents:

Canadian or Permanent Resident Students:

1. Canadian birth certificate, copy of an act of birth, or citizenship card or certificate
(**Note:** A Canadian passport is not acceptable)
2. Canadian Immigration Record of Landing (IMM 1000 or IMM 5292 or IMM 5688 and Permanent Residence card)
3. Marriage certificate issued outside of Quebec—translated into English or French by a sworn officer if in another language
(**Note:** Quebec marriage certificates are only acceptable if issued prior to 1984)
4. Certificate of Name Change or Certificate of Change of Sex

1.2.5.3 Preferred First Name

At McGill University, a student is registered under their legal name as it appears on their legal documents,—such as a birth certificate or study permit—that have been provided to the University. This name will be used on documents such as an official transcript and diploma.

Your preferred first name is a name by which you are normally addressed and is different from your legal first name. The Preferred First Name Procedure enables students to use an alternate preferred first name for certain purposes while studying at McGill.

Students who wish to use a preferred first name should enter this information into Minerva as soon as possible in order to ensure that their preferred first name is used as widely as possible.

The preferred first name is displayed on all unofficial university documents and tools, such as:

- McGill ID cards
- Class lists
- Student advising transcripts
- For a complete list of examples, please refer to [Student Records](#)

The student's legal name must appear on official university documents, such as:

- Official university transcripts
- Reports to government
- Letters of attestation
- Diplomas and certificates
- Tuition fee e-bills
- For a complete list of examples, please refer to [Student Records](#)

It is important to note that making a request to use a preferred first name at McGill does not change a student's leg

1.3.1 How to Register Using Minerva

Go to [Minerva](#) and follow the step-by-step instructions. You can register and/or make course changes using Minerva ONLY during the periods indicated in the Minerva Registration Schedule. For more information, see [section 1.3.3: Course Information and Regulations](#).

Before Going to Minerva:

- Read the timetable and registration instructions carefully. Not all courses are offered each term. Keep this in mind when selecting your courses. You can only register for one term at a time.
- See an advisor. If you wish to substitute required courses or enrol in courses outside your program, you must obtain written approval from your academic area, otherwise the course may not be recognized for credit toward your program. If you need to see an advisor, call your academic area well before registration to make an appointment.

Problems Using [Minerva](#)?

If you have any program or course-related questions regarding registration, contact the Client Services office at 514-398-6200. If you have problems using Minerva, contact the Minerva Help Line at 514-398-7878.

Can't Remember your PIN?

If you cannot remember your PIN, you can reset it using the "Forgot PIN?" button on the [Minerva](#) login page. If you are unable to reset your PIN, call the Minerva Help Line at 514-398-7878.

1.3.1.1 Who Can Use Minerva?

If you were registered at the School of Continuing Studies during the past year, or were recently admitted to a program, you must use Minerva to register for courses.

Exceptions

You will not be able to use Minerva to register if:

- you have outstanding fees
- you do not have a Permanent Code
- you have a registration hold on your record for administrative or academic reasons
- you are registering for a Language course and your record does not indicate successful completion of the previous level
- you do not have the prerequisite for the course(s) you wish to register for

If any of these conditions apply, you should see an advisor and register in person (see [section 1.3.2: Other Ways to Register](#)).

1.3.1.2 Registration for Full-Time McGill Degree Students Taking Continuing Studies Courses

If you are a full-time McGill degree student, you can use Minerva to register for a Continuing Studies course. If you are currently in a McGill degree program and want to take a Continuing Studies course for credit toward your program, you must obtain authorization from your faculty.

If you are currently in a McGill degree program and want to take a non-credit Continuing Studies course for interest or personal development, you must register using Athena, the non-credit registration system. With the exception of some Professional Development courses, Summer Studies short courses, workshops, and seminars, these courses will appear on your official transcript but will not count toward the completion of your degree requirements.

Note: English and French language courses offered by the School of Continuing Studies are not available to full-time McGill degree students.

1.3.2 Other Ways to Register

1.3.2.1 In-Person Registration

If you are a new Independent (Special) Student, or if you are unable to register using Minerva for any reason, you must register in-person. Please email at info.conted@mcgill.ca or call Client Services for information concerning registration at: 514-398-6200.

Please consult our [website](#) for specific dates for the Fall, Winter and Spring/Summer term in-person registration.

What to Bring to In-Person Registration:

Returning Students

1. McGill ID card or proof of Student Number (i.e., unofficial transcript)
2. Proof of satisfactory completion of prerequisite courses

Newly Admitted Students

1. Your letter of admission

2. Proof of satisfactory completion of prerequisite courses
3. Your student ID card (if you were a Special Student in a previous term)
4. Legal documents to prov

1.3.3.1 Classes with Limited Enrolment

The School reserves the right to limit the size of classes based on academic grounds or physical space limitations. In all such cases, enrolment is on a "first-come, first-served" basis, with priority given to students admitted to certificate, diploma, and degree programs.

1.3.3.2 Course Withdrawals and Refunds

Once registered for a course, you are responsible for the fees. If you decide not to follow the course, you must officially withdraw.

Simply not attending classes or informing the instructor does not constitute an official withdraw

To make a request for a refund, log into [Minerva](#) and follow the *Student Accounts* menu.

If you withdraw from your only course, your McGill ID card must also be returned since it is the property of McGill University.

1.3.3.3 Auditing of Courses

McGill does not permit auditing of courses.

Note for Continuing Studies: You can register for a Continuing Studies course and opt to have it "non-evaluated".

1.3.4 Class Schedule

The *class schedule* for the upcoming Fall and Winter terms normally becomes available in April prior to the opening of advising. The Summer term schedule is normally published in early February. The class schedule includes the days and times when courses are offered, class locations, names of instructors, and related information. You can also access the details of scheduled courses by clicking the course reference number (CRN) that appears with each course section shown in the class schedule.

You should make a note of any preregistration requirements for a course, such as placement tests or departmental approval/permission required.

Class schedule information is subject to change and is updated as courses are added, cancelled, rescheduled, or relocated. It is your responsibility to consult the class schedule at the time of registration, and again before classes begin, to ensure that changes in the schedule have not caused conflicts in your schedule.

Once you have selected some courses from the class schedule, try *Visual Schedule Builder* (VSB) to view your possible class schedules in an easy-to-read weekly schedule format. Please note that you cannot use Visual Schedule Builder to register but you can copy your choice of course reference numbers (CRNs) from VSB to have handy for registration in Minerva.

Please note that the last day of classes in a term varies according to a course's schedule pattern (e.g., Mon-Wed-Fri, Tues-Thurs, Monday only, etc.). You may verify these details at mcgill.ca/importantdates/key-dates.

Note for Health Sciences: For information, you should refer to your Faculty/School section in this publication.

Note for Medicine: This section is not applicable to M.D.,C.M. students; see mcgill.ca/ugme.

1.3.5 Late Registration

You can register late provided there are spaces available in the course after the regular registration period. The late registration period is indicated on the *Key Dates* page and the *SCS Course Registration* page. You will be charged a late registration fee whether you registered on Minerva or in person; exact fee amounts are available on the *Student Accounts* website.

1.3.6 Registration in Courses Administered by Other Faculties

You may, under exceptional circumstances, receive permission to register in a course administered by another faculty for credit toward your program. The number of courses you can take is limited and is subject to approval by the faculty.

You will not be able to register for these courses on Minerva. In order to receive permission to register for a course administered by another faculty, you must be formally admitted to a Continuing Studies program and supply proof that you have satisfied all prerequisites.

You must obtain written approval from the Director or Program Advisor. The School registration regulations apply to these courses, including withdrawals, refunds, and requests for transfers.

Registration regulations of the faculty where the course is taken do not apply. However, you must follow the rules and regulations of the faculty where the course is taken with regards to examination conflicts or requests for deferrals.

Note: Some faculties do not offer supplemental examinations. Any failed course must be repeated.

1.3.7 Quebec Inter-University Transfer Agreement

1.3.7.1 Quebec Inter-University Transfer Agreement: McGill Students

The Quebec Inter-University Transfer (IUT) agreement permits concurrent registration at McGill and another Quebec institution.

If you are a regular McGill undergraduate or graduate degree, diploma, or certificate student, you may register, with your faculty's permission, at any Quebec university for 3—or in some cases 6—credits per term in addition to your registration at McGill. You may also obtain permission to complete a full term (i.e., 12 to 15 credits) at another Quebec university. Your combined registration may not, however, exceed the total number of credits you are permitted to complete in a given term. These courses, subject to faculty regulations, will be recognized by McGill for the degree that you are registered for, up to the

limit imposed by the residency requirements of the program. Normally, you must complete a minimum residency requirement of 60 credits at McGill to qualify for a McGill degree (please check with your faculty). This privilege will be granted if there are valid academic reasons.

If you want to take advantage of this agreement, consult your Student Affairs Office for details. Note that this agreement is subject to the following conditions:

1.4 Fees for Continuing Studies Students

The University reserves the right to make changes without notice in the published scale of fees. Please consult the [Tuition and fees tables and rates](#) page on the Student Accounts website. The University will publish this schedule as soon as the fees for the 2024–2025 academic year are announced.

The School of Continuing Studies is not responsible for any fees payable to an external association or institute.

1.4.1 Access to Fee Information

You can view your *Account Summary by Term* on [Minerva](#). The Fall term fees will be accessible in mid-July.

1.4.2 Billings and Due Dates for Continuing Studies Students

Invoicing of Fees

Fees are assessed on a term-by-term basis.

Electronic billing is the official means of delivering fee statements to all McGill students. Your e-bill includes all charges to your account, including tuition, fees, health insurance, and other charges. The University generally produces e-bills at the beginning of the month and sends an email notification to your official McGill email address stating that your e-bill is available for viewing on Minerva. Charges or payments that occur after the statement date appear on the next month's statement, but you can view them immediately on the *Account Summary by Term* under the *Student Accounts Menu* on Minerva (this is the online dynamic account balance view).

Failure to check email on a regular basis *in no way warrants* the cancellation of interest charges and/or late payment fees. Refer to the Student Accounts website at [mcgill.ca/student-accounts](#) for information on payment due dates.

Late Payment Fees

If you have an outstanding balance greater than \$100 on your account at the end of October (end of February for the Winter term), you are charged a late payment fee according to the fee schedule found in [section 1.4.5: Other Fees for Continuing Studies Students](#).

1.4.2.1 Payment Procedures

Please see the Student Accounts website at [mcgill.ca/student-accounts/your-account/payment](#) for the various methods of payment available to students and their guests.

1.4.3 Tuition Fees

Tuition rates are subject to change each academic year. Please access *Tuition and fees* at [mcgill.ca/student-accounts/tuition-fees](#). The annual rates of tuition and fees are updated as soon as they are known.

Note: Students who are required to submit documentation and who do not do so by the stipulated deadlines (December 1 – Fall; April 1 – Winter; August 1 – Summer) are billed at the non-Quebec Canadian or the international rate, depending on the documentation submitted. Students who are not automatically granted a fee deferral based on the University's evaluation of their personal information at admission, and who expect their fee residency status to change within the term—contingent on appropriate supporting documentation—must contact either [Service Point](#) or [SCS Client Services](#) (School of Continuing Studies students only) to discuss what documentation is still outstanding to support their situation. These offices will decide if a fee deferral is warranted. No prior interest charges or late payment fines will be reversed; therefore, you should ensure your request is submitted before the first fee payment for the term is due.

Students in on-line programs must self-declare for each registered term, where they will be located during that term, on Minerva under the *Student Menu > Location of Study - Online (distance) program*. Students in one of these online programs will be notified by email that the Minerva form for the upcoming term is open and can be accessed for completion. Students studying within the province will be subject to the rates established by the government for in-province students. Students who are located outside Quebec while studying, will be subject to deregulated tuition rates.

1.4.3.1 Quebec Students and Non-Quebec (Canadian or Permanent Resident) Students

In accordance with provincial government requirements, students must provide proof that they qualify for assessment of fees at the Quebec or non-Quebec Canadian rates; see [mcgill.ca/legaldocuments](#)

1.4.3.3 Tuition Fees for Continuing Studies: Fees for Non-Credit Courses

Fees for non-credit courses and for short courses or seminars not recorded on the official McGill transcript are noted in [section 1.3.3: Course Information and Regulations](#) or on the Continuing Studies website at mcgill.ca/continuingstudies/fees-and-tuition. The MACES fee is included where applicable (see [section 1.13.8: Student Governance: McGill Association of Continuing Education Students \(MACES\)](#)).

1.4.3.4 Tuition Fees for Continuing Studies: Senior Citizens

Senior citizens aged 65 years and over, registered in credit or non-credit courses, will be credited an amount equal to 50% of the Quebec tuition fee rate. This polic

Copyright Fee – All students in courses and programs are charged a copyright compliance fee. This fee covers the cost of using material protected by copyright. It is levied to comply with all Quebec and Canadian copyright laws.

General Administrative Charge – This fee originated from increases in ancillary fees that were allowed by the Quebec Government. The University complies with the Quebec government's regulation on administrative fee increases by applying the same indexation factor that the government applies to tuition to this charge. A portion of the amount continues to be directed to Athletics (except in the School of Continuing Studies).

For further information about administrative charges, see mcgill.ca/student-accounts/tuition-fees/non-tuition-charges/society-services-and-administrative-fees.

For transactions in Canadian dollars, the amount debited is the same as the amount paid. For transactions in other currencies, including pre-authorized debit payments in US dollars, accounts will be debited at the exchange rate charged by the bank to the University. This sometimes represents a significant difference from the amount originally paid, depending on the rate of exchange on the date of the return.

1.4.6 Other Policies Related to Fees

The following sections describe other fee-related policies that may apply to your account.

1.4.6.1 Overdue Accounts

All tuition and fees assessed by the University must be paid in full or arrangements must be made to settle the debt.

Students' accounts are considered **delinquent** if they are not paid in full within 60 days after the bill is issued. McGill places a financial hold on these accounts, preventing students from obtaining official academic transcripts and from accessing Minerva for any registration functions. Other financial holds can affect access to non-registration functions, for example Meal Plan Top-Ups.

Interest: Interest is charged on overdue balances at the monthly rate of 1.24%, multiplied by the balance outstanding at the end of the month (14.88% annually). The rate is evaluated each Spring, and then is set for the following academic year. See mcgill.ca/student-accounts/your-account/deadlines-and-penalties/overdue for more information.

1.4.6.1.3 Cancelling Registration for Non-Payment of Previous Terms

In accordance with the fee policy stated in [section 1.4.6.1: Overdue Accounts](#), before the University cancels your current and subsequent term registration(s), the Student Accounts Office will make all reasonable efforts to notify you if your account is delinquent, or if you owe more than \$100 from the previous term. The cancellation is effective the last day of the add/drop period unless you settle the account or make payment arrangements with the University by then. If you pay or make payment arrangements with the Student Accounts Office after the add/drop deadline and you want the University to reinstate your registration for the current or subsequent term(s), you must complete the [Request for Reinstatement](#) form (available at mcgill.ca/student-accounts/forms) and submit it to the Student Accounts Office, which will forward it to Enrolment Services for approval and processing. Your fee account will be charged a Reinstatement Penalty for the processing of the re-enrolment; exact fee amounts and further details are available on the [Student Accounts](#) website.

1.4.6.2 Acceptance of Fees vs. Academic Standing

Acceptance of fees by the University in no way guarantees that students will receive academic permission to pursue their studies. If it is subsequently determined that your academic standing does not permit you to continue, all fees paid in advance will be refunded.

For directions on requesting your refund online in Minerva, see mcgill.ca/student-accounts/your-account/requesting-refund.

1.4.6.3 Deferred Admission, Degree Transfers, Break in Enrolment

Deferred Admission: Students who defer their admission to the University will be subject to the tuition rates that are in effect for the term in which they are starting, and not the term in which they were originally admitted. This is of interest to International and Canadian non-Quebec resident students in particular programs where tuition rates have been guaranteed for the duration of their program as long as there is no break in enrolment or degree transfer.

Degree Transfers: International undergraduate students and students in non-research graduate programs who transfer degrees will be charged the tuition rate in effect for newly admitted students in the new degree in their term of transfer. Canadian non-Quebec resident students will be charged the tuition rate in effect for newly admitted students in their term of transfer.

Break in Enrolment: Quebec Residents may need to reprove their fee status if they have been absent (i.e., not enrolled) for more than two terms (not counting the Summer term). Students may verify their legal status in Minerva (select the appropriate term) to confirm that the QC residency status is still active. *Terms for which students are recorded as being away on an officially approved leave of absence are not counted.*

Canadian non-Quebec resident students who are absent (i.e., not enrolled) for more than three terms (including the summer term), will be charged the tuition rate in effect for newly admitted students in the term in which they resume their studies.

International students in undergraduate or graduate level non-research programs who are absent (i.e., not enrolled) for more than three terms (including the summer), will be charged the tuition rate in effect for newly admitted students in the term in which they resume their studies. *A term of withdrawal from the University is included in the calculation of the break in enrolment when students are not charged tuition for that term. Terms for which students are registered on an officially approved leave of absence, exchange or study away program are not calculated as part of a break in enrolment.* This policy is not applicable to Visiting and Special students as international students in these categories always pay the fees of the new academic year.

1.4.6.4 Deferred Fee Payment for Continuing Studies Students

Students with Sponsors

If your fees will be paid by an outside agency such as the Department of Veterans Affairs, CIDA, a foreign government, or your University department (i.e., teaching assistants or demonstrators), you must have written proof of this sponsorship. Your sponsor must confirm the conditions of their sponsorship in writing on company letterhead to the University. This allows the University to initiate a contract with your sponsor and effect the payment to your fee account. You need to notify the University at least one month before the beginning of the term in which the contract takes effect. For more information and the required forms, see mcgill.ca/student-accounts/parents-and-sponsors/third-party-sponsorship.

When a third party agrees to pay fees on your behalf, payment is recorded on your fee account, which reduces the balance you must pay. The University reserves the right to insist upon payment. **If the third party does not pay the promised fees within 90 days of invoicing, you are responsible for paying**

1.4.7 Loans and Bursaries for Continuing Studies Students

Full-time students (registered for a minimum of 12 credits per term) may apply for provincial student loans and bursaries. Refer to mcgill.ca/studentaid for information on entrance scholarships, federal and provincial student assistance, McGill loans and bursaries, and loans available to U.S. citizens.

1.4.8 Corporate Tax Benefits for Continuing Studies Students

McGill University is recognized by the *Ministère du Travail, de l'Emploi et de la Solidarité sociale Québec* as a training establishment for the purpose of corporate tax benefits (registration number: 06C0084-00). Companies who are paying fees on behalf of their employees may be eligible for a tax deduction in accordance with Bill 90, or for the refundable training tax credit. Please refer to the following website for further information: www.emploi.quebec.gouv.qc.ca/en.

1.4.9 Tax Slips for Continuing Studies Students

T4A (RL-1), T2202, and Relevé 8 slips are issued on *Minerva* under the *Student Accounts Menu* by the end of February each year. Note that a Quebec permanent code, a social insurance number and a valid mailing address are required to be transmitted to Revenu Québec by the University as part of its tax reporting for both the T4A and the Relevé 8 slips; therefore, it is highly recommended that if you expect to be completing a Quebec income tax return, you provide this information to the University upon registration. More information on these slips is available on mcgill.ca/student-accounts/your-account/tax-information.

1.5 Student Records

Students must inform themselves of University rules and regulations and keep abreast of any changes that may occur. The *Student Records* section of this publication contains important details pertaining to academic standing, grading and grade point averages (GPA), and transcripts, as well as other topics, and should be periodically consulted.

1.5.1 Academic Standing

When you first start your program, and in your first term, you are deemed to be in Satisfactory Standing. At the end of each term, after final grades have been submitted, your academic standing in your program is determined based on your grade point average (GPA) calculations in the current and previous terms and your faculty's regulations.

Academic Standing codes are generated in January for the Fall term, in May for the Winter term, and in September for the Summer term, and are displayed on your McGill official and unofficial transcripts. If you receive Unsatisfactory Standing, you may not continue in your program, register for any future terms and must apply for readmission to your faculty. Note that readmission is not automatic or guaranteed. Consult the appropriate section of this publication for the regulations on Academic Standing for your faculty.

Agricultural and Environmental Sciences students, see [Academic Standing](#) in the Faculty of Agricultural and Environmental Sciences.

Farm Management and Technology students, see [Academic Rules and Information – FMT](#).

1.5.1.3 Academic Standing: Faculties of Arts and Science (including B.A. & Sc.)

Your Academic Standing is based primarily on your cumulative grade point average (CGPA) but may also be affected by your term grade point average (TGPA). The Standing in each term determines if you are allowed to continue your studies in the next term, and if any conditions will be attached to your registration.

Decisions about Academic Standing in the F

- if you were previously in Unsatisfactory Standing and were readmitted by the Faculty or the Committee on Student Standing but have not satisfied the conditions specified in the letter of readmission.

Appeals for readmission by students in Unsatisfactory Standing must be received in their respective Faculties no later than the deadlines stated on their readmission websites. For **Arts**, see mcgill.ca/oasis/students/seeking-readmission. For **Science** (including B.A. & Sc.) see mcgill.ca/science/student/general/readmission. Readmission will be considered only when proof of extenuating circumstances that affected academic performance can be provided (e.g., medical or other documentation). If you are in Unsatisfactory Standing for the second time, you must withdraw permanently.

Normally, supplemental examinations are not permitted; however, if you are in Unsatisfactory Standing, you may appeal for permission to write a supplemental examination, clearly stating the reasons for special consideration and providing proof as appropriate.

Appeals for readmission or permission for supplemental examinations must be submitted to:

- Arts: Associate Dean (Student Affairs)
- Science and B.A. & Sc.: Associate Dean, Student Affairs, Science

1.5.1.3.5 Incomplete Standings: Faculties of Arts and Science (including B.A. & Sc.)

- Standing awaits deferred exam.
- Must clear Ks, Ls, or Supplementals.
- Standing Incomplete.

If you are a student with an Incomplete Standing (in the Winter or Summer term):

- you may register for the Fall term, but your Standing must be resolved by the end of the course change period for that term;
- you may continue in the program if Incomplete Standing changes to Satisfactory, Probationary, or Interim Unsatisfactory Standing;
- you may not continue in your program and your registration will be cancelled if your Standing changes to Unsatisfactory Standing.

If your Standing changes to Unsatisfactory:

- you may ask for permission to continue in your program;
- you must make a request for readmission as soon as you are placed in Unsatisfactory Standing;
- you must provide proof of extenuating circumstances that affected your academic performance (e.g., medical or other documentation).

Requests for readmission following an Unsatisfactory Standing must be submitted to:

- Arts: Associate Dean (Student Affairs)
- Science and B.A. & Sc.: Associate Dean, Student Affairs, Science

If your Standing is still incomplete by the end of course change period, you should immediately consult with your faculty Student Affairs Office.

At the end of the Winter term, if you have a mark of K or L, you will be placed in the appropriate Standing in June, if the outstanding mark in the course will not affect your Standing. Otherwise, Standing decisions will be made only once incomplete marks have been cleared. For more information about incomplete grades, please refer to [Incomplete Courses](#).

Note: Requests are made at [Service Point](#) (3415 McTavish Street). However, it is important that you also see a Faculty advisor in Dawson Hall to talk about your options and the ef1.51672.9 .1.3A performng decisions will e made only ondis 0 0 1 245.573537553151672.9 .1.3g 0 1 68.52 553505

- If you obtained a grade of F in any other course, you must either repeat the course successfully before graduation or replace it with an alternative approved course and successfully complete the course before graduation.

1.5.1.5.2 Probationary Standing: Faculty of Engineering

You are in Probationary Standing if you have **either**:

a CGPA that is less than 2.00 and equal to or greater than 1.20

or

a TGPA that is equal to or greater than 2.50 and a CGPA that is less than 2.00.

You may continue with your studies under the following conditions:

- You must reduce your credit load to a maximum of 13 credits per term and must obtain, at the end of the term, either a CGPA of 2.00 or greater or a TGPA of 2.50 or greater.
- If you have a TGPA of 2.50 or greater, but you have a CGPA that is less than 2.00, you may continue with your studies but you will remain in Probationary Standing until you obtain a CGPA of 2.0 or greater.
- If you do not obtain either the TGPA or CGPA noted above, you will be placed in Unsatisfactory Standing.
- You must consult a faculty or departmental advisor before withdrawal deadlines concerning your course selection.

1.5.1.5.3 Unsatisfactory Standing: Faculty of Engineering

You are in Unsatisfactory Standing if you have **either**:

a CGPA that is less than 1.20

or

a TGPA that is less than 2.50 and a CGPA that is less than 2.00.

If at any time, you were placed in Unsatisfactory Standing and were readmitted to the Faculty of Engineering after one term away, and you are placed in Unsatisfactory Standing again at the end of any subsequent term, you may not continue in your program. You will be asked to **withdraw** from the Faculty of Engineering for a **minimum of one term or permanently**, based on the conditions of your last letter of readmission.

If you are in Unsatisfactory Standing for the first time, the regulations below apply.

Students in Interim Unsatisfactory Standing after the Fall term:

You may continue with your studies under the following conditions:

- You must reduce your credit load to a maximum of 13 credits per term and must obtain, at the end of the term, either a CGPA of 2.00 or greater or a TGPA of 2.50 or greater.
- If you have a TGPA of 2.50 or greater, but your CGPA is less than 2.00, you may continue with your studies but will remain in Probationary Standing until you obtain a CGPA of 2.00 or greater.
- If you do not obtain either the TGPA or CGPA noted above, you will be placed in Unsatisfactory Standing.
- You must consult a faculty or departmental advisor before withdrawal deadlines concerning your course selection.

Students in Unsatisfactory Standing after the Winter term:

- You must withdraw from the Faculty of Engineering for a minimum of one term.

For more information about Academic Standing, see mcgill.ca/engineering/students/undergraduate/advising-programs/academic-standing.

1.5.1.6 Academic Standing: Faculty of Law

If you do not obtain a sessional grade point average (GPA at the end of Fall and Winter terms combined) of at least 1.50, you will be required to withdraw from the Faculty. If your sessional GPA is between 1.50 and 1.99, you will be permitted to continue with your program, but you must obtain a subsequent sessional GPA of 2.50 or a Cumulative GPA (CGPA) of 2.00. You must have a CGPA of 2.00 to be considered for graduation. Students who are required to withdraw from the Faculty may be authorized to continue in their program by the Faculty Admissions Committee if there are exceptional reasons for the required withdrawal.

1.5.1.7 Academic Standing: School of Continuing Studies

If you are in Unsatisfactory Standing, you must apply to the Appeals Committee of your academic area.

1.5.1.8 Academic Standing: Schulich School of Music

Music students, see [Academic Standing](#) in the Schulich School of Music.

1.5.2 Credit System

The faculties listed in this publication use the credit system, where each course is assigned a credit rating reflecting the number of weekly contact hours. In general, a three-credit course indicates three hours of lectures per week for one term, but this does not apply to all faculties. Laboratory contact hours usually count for fewer credits. Credits also reflect the amount of effort required of you and generally assume two hours of personal study for each contact hour.

The credit weight of each course is indicated in parentheses beside the course title.

Note: One credit equals about 45 hours of work. This may be a combination of lecture, laboratory, tutorial, and conference time plus personal study hours. Personal study hours may include required activities, group activities, time spent doing assignments, and preparing and reviewing for a course. All synchronous activities should be held within the time the course is scheduled per the [Minerva Class Schedule](#). Credit hours normally do not require a set number of synchronous hours, allowing for flexibility in course design and scheduling options. However, some programs, such as those with accreditation requirements, may require a minimum of synchronous contact hours.

Note: Credit for multi-term courses (courses with the suffixes: D1, D2; N1, N2; J1, J2, J3) is granted only after successful completion of all components in the specified time frame. For example, a student would have to take D1 and D2 components in consecutive terms and successfully complete them both in order to obtain credit.

Note for Agricultural and Environmental Sciences, and Science: As a guideline, a one-credit course would represent approximately 45 hours of total work per course. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials, and problem periods as well as personal study hours.

Note for Engineering: One credit normally represents three hours total work per week. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials, and problem periods as well as personal study hours. As a guide, the average number of hours per week of course activities is indicated in the course listing underneath the course description. For example, (3-1-5) indicates a course consisting of three lecture hours per week, one hour of tutorial or lab, and five hours of personal study per week.

Note for Summer Studies: For Summer courses, a three-credit course usually indicates ten hours of lectures per week starting in either the May, June, or July session and spanning a maximum period of five weeks.

1.5.2.1 Continuing Education Units (CE units)

Some courses at the School of Continuing Studies carry a Continuing Education (CE) unit rating. These courses do not normally count toward the fulfillment of a credit program.

A Continuing Education unit is a measure of the number of hours of participation—contact and/or study—in an organized Continuing Education activity. One CE unit represents ten hours of participation.

1.5.3 Grading and Grade Point Averages (GPA) for Continuing Studies

Courses can be graded either by letter grades or in percentages, but the official grade in each course is the letter grade. Where appropriate, a class average appears on transcripts expressed as the letter grade most representative of the class performance.

Since Fall 2002, the University has only used letter grades on transcripts and verification forms.

For undergraduate courses, Grades A through C represent satisfactory passes, D a conditional (non-continuation) pass, and F a failure. Certain courses have been approved for Pass/Fail (P/F) grading.

For graduate level courses, Grades A through B- represent satisfactory passes. Students must obtain a B- or better in courses to fulfil program requirements.

You cannot register in a course for which you have not passed all the prerequisite courses with a grade of C or better at the undergraduate level and B- or better at the graduate level, except by written permission of the Director. Certain programs have further requirements. Students should refer to the program regulations in the appropriate academic area of this Calendar.

* A grade of D is a conditional (non-continuation) pass:

- If you obtain a grade of D in a required course, the course will not count toward your program.

1.5.4 Transcript of Academic Record

The proceeding sections contain information on transcripts and other details regarding academic records.

1.5.4.1 Transcript of Academic Record: General Information

A McGill transcript includes all attempted work and final grades obtained in all programs. The University does **not** issue partial transcripts under any circumstances.

The University issues official transcripts in electronic or paper format. Requests for both electronic official (**eTranscripts**) and paper transcripts are submitted in [Minerva](#).

eTranscript PDFs are sent the same-day in as little as 15 minutes (providing there are no holds on your student account and no attachments to review) via the National Student Clearing House, a US-based non-profit organization and leading provider of trusted, educational data exchange and verification services. A minimal service fee applies.

Paper official transcripts are normally processed in 3 to 5 working days (5 to 7 during peak periods) and mailed by regular Canada Post mail to the address(es) indicated on the request. Paper transcripts are free of charge for currently registered students. Transcript fees apply for alumni and former students. Requests for archived transcripts (pre-1972) have a longer processing time.

Paper official transcripts are printed on secure paper that cannot be copied. eTranscripts are digitally signed and certified PDF documents that cannot be copied.

For more information on requesting official transcripts, refer to [Official Transcripts](#).

Note: The University may not be held responsible for the loss or delay of transcripts in the mail.

For English and French Intensive Language Programs, students must **apply in writing** by the following deadline:

- **2 working days*** from the date when final exam grades are posted

All deadlines are strictly enforced, and no late requests will be accepted. Whether the reassessed grade is higher or lower, it takes precedence over the original grade.

* *"Working days" means Monday through Friday.*

1.6.2.5.4 Mark Verification

In a case where a student believes that an error has been made in arriving at the final grade for a course as a whole, a **Verification of Grade** form must be completed at the [SCS Client Services](#) Office requesting that the instructor carry out a detailed check that the final course grade has been computed correctly.

For all courses and programs of study, the request **must be made within 10 working days* of the date on which the final grade appears on the student's transcript**. *Requests received after this deadline will not be considered.* The mark verification process should normally be completed within 20 working days* of receipt of the request by SCS Client Services.

* *"Working days" means Monday through Friday.*

1.6.3 Examinations: External Exam Proctors

Upon request, McGill will act as proctor for paper-based and online exams from universities or professional accreditation associations and organizations.

For complete information on scheduling, fees, payment and all other details please consult the [Exams website](#)

Graduate students should refer to their faculty under [Faculties & Schools > Graduate > Program Requirements](#) for information on minimum residency requirements for graduate programs. This information is listed for each faculty, and you can also access it through the faculty's graduate pages.

Note for Continuing Studies: Minimum Residency Requirement (Continuing Studies):

- You must successfully complete a minimum of 21 McGill credits (excluding prerequisites and corequisites) to obtain a McGill undergraduate certificate. For specific information refer to your department section of this publication.
- Students completing a second undergraduate certificate at McGill must successfully complete a minimum of 21 McGill credits (excluding prerequisites and corequisites) to obtain their certificate. You should check with your advisor for any conditions applicable to the McGill credits required toward your certificate.

1.7.1 Apply to Graduate

Most undergraduate students and non-thesis graduate students (master's, certificates, diplomas) must use [Minerva](#) to apply to graduate (go to [Student Records > Apply for Graduation for Your Primary Curriculum](#)). It is your responsibility to inform the University of your intention to graduate. You need a minimum residency requirement of 60 credits at McGill to qualify for a McGill undergraduate degree. For more information, see [section 1.7: Graduation](#). The minimum CGPA required to graduate is 2.00, and you must be in Satisfactory Standing.

The Application for Graduation is available on Minerva when you register for your final year (e.g., U3 or U4), except if you are in the Faculty of Medicine and Health Sciences or Faculty of Dental Medicine and Oral Health Sciences, where you are automatically flagged for graduation in your final year. For more information on how to apply on Minerva, go to mcgill.ca/graduation/applying.

Once you apply to graduate, you are authorizing the University to:

1. include your name and image in the McGill Convocation programs, web streamed convocation broadcast, and other convocation-related communications.
2. to have your ID, name, degree and ceremony provided to the academic regalia provider for the purposes of Convocation preparation.
3. to have your ID, name, email, degree and ceremony provided to the convocation photographer for the purposes of Convocation preparation.
4. to have your name, email, degree and confirmation of graduation sent to your professional order, if you are in a professional program (e.g. Engineering OIQ, Nursing OIQ), for licensing or accreditation purposes.

If you want to opt out of your information being sent to any of the above (1, 2, 3, or 4), you must complete an [Opposition Form](#) by March 15 for Spring convocation, and September 15 for Fall convocation.

1.7.1.1 Deadlines

- **Fall term graduation** (courses completed by the end of December; transcript will indicate “Degree Granted” in February after approval by the University Senate; diploma will be conferred at Spring convocation): You must apply on Minerva by the end of November.
- **Winter term graduation** (courses completed by the end of April; transcript will indicate “Degree Granted” in May after approval by the University Senate; diploma will be conferred at Spring convocation): You must apply on Minerva by the end of February.
- **Summer term graduation** (courses completed by the end of August; transcript will indicate “Degree Granted” in October after approval by the University Senate; diploma will be conferred at Fall convocation): You must apply on Minerva by mid-May.

If you miss one of these deadlines, contact your faculty's Student Affairs Office immediately.

Note for the Faculties of Arts and Science (including B.A. & Sc.): Requests are made at [Service Point](#) (3415 McTavish Street). However, it is important that you also meet with a Faculty advisor [Arts OASIS](#) or [SOUSA](#) to talk about your options and the effect that your request may have on your studies. For more information, see mcgill.ca/students/advising.

Note for Continuing Studies: The minimum residency requirement of 60 credits does not apply to the School of Continuing Studies certificates and diplomas.

Note for Graduate and Postdoctoral Studies: If you miss one of these deadlines, you must follow the procedures at mcgill.ca/gps/students/registration/graduating. The Application for Graduation is available on Minerva for students in non-thesis programs who have registered for their final year. To ensure that you have met the requirements for graduation, you should refer to [Program Requirements > Master's Degrees](#), found under each faculty's *Graduate* section in the McGill [eCalendar](#). Students in a doctoral program should refer to [Regulations Concerning Theses](#).

Note for Physical and Occupational Therapy: You must be in Satisfactory Standing with a minimum CGPA of 2.30 to graduate.

1.7.2 Graduation Approval Query

As a graduating student, you can view the status of your graduation record on [Minerva](#) during the Faculty review and approval process (go to [Student Records > Graduation Approval Query](#)). The Graduation Approval Query form becomes available to graduating students in early January for Fall term graduation, in early April for Winter term graduation and in early September for Summer term graduation.

1.7.6 Language Requirements for Professions

Quebec law requires that candidates seeking admission to provincially recognized professional corporations* must be able to communicate verbally and in writing in French. To demonstrate a working knowledge of French, the professional corporation requires one of the following:

- Evidence that you have completed three years of full-time instruction in a French post-primary school
- A certificate that shows you completed your secondary education in Quebec in 1986 or later
- Successful completion of a written examination set by Quebec's *Office québécois de la langue française* (OQLF). See below for more information.

If you are a registered student and are within two years of graduating with a degree that will give you access to a professional corporation, you can write the OQLF examination. You should contact Enrolment Services for an application form. Examinations take place every three months and may be attempted an unlimited number of times. Priority is given to students closest to graduation.

More information may be obtained from the *Office québécois de la langue française*, 125 Sherbrooke Street West, Montreal, Quebec, H2X 1X4. Telephone: 514-873-6565. Website: www.oqlf.gouv.qc.ca.

If you need to acquire a functional level of proficiency in French, you can take courses from either the French Language Centre (Faculty of Arts mcgill.ca/fle) or the School of Continuing Studies, 688 Sherbrooke Street West, telephone: 514-398-6200 (mcgill.ca/continuingstudies/oqlf-french-exam-preparation-course).

If you are already strong in French and want to maintain or improve your proficiency, you may consider taking courses in the Department of French Language and Literature, Faculty of Arts, or the School of Continuing Studies.

Note: You cannot apply non-credit language courses, and certain credit language courses, completed at the School of Continuing Studies to program/degree requirements. Consult your faculty for clarification.

1.7.7 Aegrotat Standing and Degree at McGill University

In rare cases where a student, based on serious medical or similar evidence, is unable to complete their program requirements within a reasonable time, or at all, they may be awarded their degree with *Aegrotat* Standing.

At McGill, this designation may be considered if a student has completed 75% or more of their degree program requirements and based on a serious medical situation or other extenuating circumstance is unable to complete their program. If approved, this could result in the awarding of an *aegrotat* degree. An *aegrotat* indicator of "Y" at graduation signifies that a student was awarded such a degree. An *aegrotat* degree is awarded only to students in Satisfactory Standing who have been unable to complete their degree due to special circumstances toward the end of their program. Information on this degree designation is only included in the convocation program, and not on the transcript.

A degree with *Aegrotat* standing is rarely granted at McGill University. A formal request must be submitted to the Dean of the student's faculty and the Deputy Provost, Student Life and Learning, to approve granting such a degree.

1.8.1 The Role of the Student in Advising

Your active participation in the advising process is essential for accessing the full range of academic opportunities during your studies. You must be proactive in seeking meetings with various advisors, professors, and counsellors to ensure that you receive the advice you need to formulate a personal plan of study and to meet your academic goals. While advisors are there to provide you with guidance, you are ultimately responsible for meeting your degree or diploma requirements. It is your responsibility to learn the rules and regulations of the University, your faculty, and your program. With your cooperation, advisors and counsellors will assist you throughout your undergraduate studies.

Public Policy**1.13.8 Student Governance: McGill Association of Continuing Education Students (MACES)**

All students registered in courses that appear on the official McGill transcript, and whose records (including from the Faculty of Education) are administered by the School, are members of the **McGill Association of Continuing Education Students (MACES)**. Students taking Continuing Studies courses, but registered in programs administered by other McGill faculties, are members of other McGill student associations. Students registered in more than one program may belong to both MACES and other McGill student associations.

MACES was founded in 1985, incorporated in 1989, and a certificate of accreditation was issued in 1990. MACES's mission is to advocate for its students' academic and social needs as well as to offer them a network where they can meet other diverse groups of students and professionals.

Additionally, the Association offers a variety of services for its members including a fully equipped computer lab, which is free for all members, Microsoft courses, as well as study, meeting, and social spaces in its building located at 3437 Peel Street, only minutes away from the McGill downtown campus. MACES also organizes and sponsors various events that provide an opportunity for students to build their social and professional network.

MACES has an ideal warm, relaxed ambiance for socializing, studying, or having a group meeting after a working day, before classes, and on weekends, a place where students are always welcome.

MACES is governed by its bylaws through the elected MACES Board of Directors. These executives are there to run the Association as well as to address students' needs with an open-door policy.

Full details of MACES services, bylaws, officers, and committees are available from the Association (telephone 514-398-4974 or visit www.maces.ca).

3.2.10 Academic Regulations

It is the responsibility of the student to read, understand, and abide by the regulations and procedures in this publication.

Academic Standing

A minimum grade of C is required in all required courses. A grade of D will be allowed in one elective course that is not a prerequisite to other courses taken in the program. Students may repeat failed courses only once. A minimum Cumulative Grade Point Average (CGPA) of 2.00 is required to be placed in Satisfactory Standing.

Time Limits

Thirty-credit programs taken on a part-time basis must normally be completed within five years of admission to the program. Programs taken on a full-time basis must normally be completed within 28 months of admission to the program. Students exceeding time limits may request an extension, in writing, which may be granted under special circumstances with the approval of the Director. Students who do not register for any course in their program for one year will be required to re-apply, meeting any new program requirements.

The time limit for completion of the 60-credit Certificate in Education for First Nations and Inuit is 12 years. The University reserves the right to request that a student retake a course or courses after a five-year period if it is felt that too long a break has occurred in the ongoing nature of the training.

Student Teaching Practicum

In programs where there is a compulsory practicum (field experience / student teaching) a satisfactory Pass (P) is required. If a student fails this component of the program, the student will be required to withdraw from the program, but may appeal to the Internships and Student Affairs Office for readmission. Satisfactory progress in the student's coursework is a prerequisite for placement in the Practicum.

3.2.12 Graduate Certificate (Gr. Cert.) Counselling Applied to Teaching (15 credits)

This program is currently not offered.

The goal of this program is to enhance teachers' knowledge and skills in interpersonal relations, communication, interviewing, group organization and leadership, crisis intervention, and career thinking and planning. The first application for these documents must be made before arriving in Canada. For more information, consult the Immigration Canada website at www.cic.gc.ca.

Students must start by applying for the *certificat d'acceptation du Québec* (CAQ) at the *Ministère de l'immigration, de la Diversité et de l'inclusion* office designated to serve the geographic area where the student resides. The application form, as well as a guide on how to apply, is available on the [Quebec government's website](http://Quebec.government's website). Allow at least five weeks to complete the application process for a CAQ. Immigration Québec officials will notify the Canadian Visa Service in the embassy or consulate closest to the student when the CAQ has been approved or it may be mailed directly to the student. The student must then visit the Canadian Visa Service and apply for a Study Permit and a Temporary Resident Visa if required.

Note the Expiry Date on your Study Permit; in some cases, it may expire before you register for your second year at McGill. **It is extremely important that you do not let your Study Permit expire. You should contact Quebec and Canadian immigration authorities six to seven weeks prior to the expiry date on your document.**

For further information, students may contact the Canadian Embassy/Consulate in their country of residence. McGill cannot determine the length of time that it may take to complete immigration procedures. We can only advise you to begin this process as soon as possible, and to be patient.

4.7.2 Graduate Courses

Students must hold a university degree from a recognised university that is equivalent to an undergraduate degree as approved by Graduate and Postdoctoral Studies to be admitted to a graduate-level course.

Note

5.1.1 Academic Advisors

Students who would like to take the opportunity to meet with an academic advisor may book an appointment by visiting the [SCS advising website](#). Please note this service is by appointment only.

5.1.2 Academic Standing for Certificate Programs

A minimum grade of C is required in all courses in a program, with the exception of CMSC 000 for which a minimum grade of B- is required. The only other exception is that a grade of D will be allowed in one elective course that is not a prerequisite to other courses to be taken in the program.

A maximum of two unsatisfactory grades, excluding supplementals, is permitted on the record. In this context, an unsatisfactory grade is a grade of F, J, or D in compulsory courses, and a grade of F, J, or more than one D in elective courses. Even if an unsatisfactory grade is improved by means of a supplemental examination, where available, the original grade remains on the record and counts toward the total number of unsatisfactory grades.

Students who have more than two unsatisfactory grades on their record will not be permitted to register in other courses or programs in the School of Continuing and Studies.

In order to be eligible for graduation, students must complete all program requirements with a cumulative grade point average (CGPA) of at least 2.0, which will be computed over all courses (including supplementals and unsatisfactory grades but excluding corequisite courses) taken in the program. If a student's CGPA falls below 2.0, the student may be asked to withdraw.

Academic Standing Requirements for Special Students

Special Students, although not formally registered in a program, are expected to demonstrate seriousness of academic purpose. Special Students must meet all academic and language requirements stipulated by the School of Continuing Studies (SCS), and must complete all courses, including corequisite and prerequisite courses, with a grade of C or better. A maximum of two grades below C in any course offered through the SCS is permitted on the record. In this context, grades below C include the grade of D (a conditional, non-conditional pass), F (a failure), and J (unexcused absence/failed). Special Students are permitted to repeat the same course only once. Special Students who accumulate more than two grades below C in the SCS and/or whose CGPA falls

2. Students may be concurrently registered in a certificate and degree program. Courses taken at the School of Continuing Studies and approved for the degree program by the Associate Dean, which also meet the requirements of the certificate, may also be counted toward completion of the certificate. This form of double counting between certificate and degree programs is limited to five courses. Courses cannot be counted more than twice.

D) Students admitted to degree, graduate certificate, or diploma programs after completing a certificate program:

Students who apply for admission to a degree or diploma program after having completed a certificate program may be granted Advanced Standing at the discretion of the Associate Dean of the faculty in which the degree, graduate certificate, or diploma is offered.

E) Special Students:

Please consult the [Special Student Status page](#).

5.1.4 Course Terminology

Corequisites

This refers to academic course requirements that may be completed before or concurrently. In course terminology, this means that Course A is corequisite to Course B if Course A must be taken concurrently with (or may have been taken prior to) Course B. Corequisite courses must be respected for all courses—including all courses for which deferrals (L) have been granted.

Pr

opportunity to meet with industry representatives, course lecturers, and instructors. Please call the School of Continuing Studies at 514-398-6200 for further information.

5.1.8 Independent Studies (Special Student Status)

Please consult the Undergraduate Courses section of the [Special Student Status page](#).

5.1.9 Time Limits

For a single certificate requiring ten courses (30 credits) the program must be completed within four years of initial registration. For corequisite certificates, the two certificate programs (20 courses, 60 credits) must be completed within eight years of initial registration. Where a certificate program requires more than 10 courses, the time limit will be adjusted accordingly. Time limits will be adjusted accordingly for those students who are granted Advanced Standing or who transfer from one program to another. Students exceeding the time limits may request an extension in writing to the undergraduate advisor. A recommended revision of the program of study must be approved by the Director.

Students who do not register for a course in their program for one year will be required to reapply, pay the application fee and meet any new program requirements.

5.2.5 Academic Standing Regulations

5.2.5.1 30-Credit Graduate Certificate or Diploma Programs

1. Students must complete all courses with a minimum passing grade of B-. This includes all required courses, complementary courses, corequisite courses, prerequisite courses, and courses outside the program to which the student has been admitted. Students will be allowed to fail no more than two courses. On the third failure, students will not be permitted to register in other courses or programs in the School of Continuing Studies. In this context, an unsatisfactory grade is deemed to be any grade below that of a B-. Please note that even if an unsatisfactory grade is improved by means of repetition of the course(s), the original grade remains on the student's record and counts toward the total number of unsatisfactory grades.
2. Students have a maximum of four years to complete a 30-credit Diploma program.
3. Students in the Graduate Diploma in Legal Translation will be allowed to fail no more than one course. On the second failure, students will not be permitted to register in other courses or programs in the School of Continuing Studies.

5.2.5.2 15-Credit Graduate Certificates

1. Students must complete all courses, including corequisite, prerequisite, required, and complementary courses, with a minimum passing grade of B-. Students will be permitted a maximum of one failure. On the second failure, students will be asked to withdraw from the program immediately. In this context, an unsatisfactory grade is deemed to be any grade below that of a B-. Please note that even if an unsatisfactory grade is improved by means of repetition of the course(s), the original grade remains on the student's record and counts toward the total number of unsatisfactory grades.
2. Students have a maximum of two years to complete a 15-credit graduate certificate.

5.2.5.3 Special Students

Special Students must meet all academic and language requirements stipulated by the School of Continuing Studies (SCS) and must complete all courses, including corequisite and prerequisite courses, with a minimum passing grade of B-. Students will be permitted a maximum of two unsatisfactory grades on their academic record. Students who obtain three unsatisfactory grades will be asked to withdraw from the SCS immediately. In this context, an unsatisfactory grade is deemed to be any grade below that of a B-. Please note that even if an unsatisfactory grade is improved by means of repetition of the course(s), the original grade remains on the student's record and counts toward the total number of unsatisfactory grades.

Students who f

Studies. Prerequisite courses must be completed prior to course registration - including all courses for which deferrals (L) have been granted. Therefore, students are required to drop all courses in which they have obtained a grade of D, F, L, or J in the prerequisite and re-register for the prerequisite and corequisite course(s) as required.

Note: Any student in violation of the above regulation may have the course in question immediately removed from their student record. Please note that this will affect course load, which may result in part-time registration status.

Required Courses

Programs may frequently comprise a number of required courses. In course terminology these represent mandatory courses that must be completed to fulfil the requirements of a program unless the student receives an exemption(s).

Complementary Courses

Programs may comprise a number of complementary courses. These are courses selected from a restricted list, a particular subject area, or a discipline. In some programs, students must include a number of these complementary courses to meet program requirements.

Course Load

All our programs are structured to be taken on a part-time basis. Therefore, students are advised to register for no more than two courses per term. If, however, a student with special reason wishes to take a full-time load, the following conditions are applicable:

- A student would be permitted, if the schedule allows it, to register for a full load in the first term.
- If a student then has one failure, the course load will be reduced to three courses in the subsequent term.
- If a student has two failures, the course load would be reduced to two in the subsequent term.
- If a student has accumulated three failures, he/she will be asked to withdraw.

A failure is defined as being a grade less than B- (65%).

Information Sessions

Information sessions will be held throughout the year. Please refer to the School of Continuing Studies website for the precise dates. These sessions will give you an opportunity to learn more about specific programs and courses. Academic advisors and Academic Program Coordinators will be available at these sessions to provide you with details on program requirements, admission procedures, etc. We urge you to attend these sessions if you are planning to take courses in the upcoming term.
